teachings significant to the literature and history of world religions **A Feast of the Nectar of the Supreme Vehicle**
 ,2018-10-23 A full translation of an important Mah y na Buddhist treatise with a commentary by the famous Tibetan luminary
 Jamg n Mipham A monumental work and Indian Buddhist classic the Ornament of the Mah y na S tras Mah y nas tr la k ra is
 a precious resource for students wishing to study in depth the philosophy and path of Mah y na Buddhism This full
 translation and commentary outlines the importance of Mah y na the centrality of bodhicitta or the mind of awakening the
 path of becoming a bodhisattva and how one can save beings from suffering through skillful means This definitive
 composition of Mah y na teachings was imparted in the fourth century by Maitreya to the famous adept Asa ga one of the
 most prolific writers of Buddhist treatises in history Asa ga s work which is among the famous Five Treatises of Maitreya has
 been studied commented upon and taught by Buddhists throughout Asia ever since it was composed In the early twentieth
 century one of Tibet s greatest scholars and saints Jamg n Mipham wrote A Feast of the Nectar of the Supreme Vehicle which
 is a detailed explanation of every verse This commentary has since been used as the primary blueprint for Tibetan Buddhists
 to illuminate the depth and brilliance of Maitreya s pith teachings The Padmakara Translation Group has provided yet
 another accessible and eloquent translation ensuring that English speaking students of Mah y na will be able to study this
 foundational Buddhist text for generations to come **White Lotus** Jamgon Mipham,2015-09-01 The commentary
 translated in these pages is unusual and rare But if the commentary is a rarity its subject matter the seven line invocation of
 Padmasambhava is one of the best known prayers in the Tibetan Buddhist world The overall significance of the Seven Line
 Prayer is perhaps best appreciated in relation to a practice called guru yoga or union with the nature of the guru The
 purpose of guru yoga is to purify and deepen the student s relationship with his or her teacher It is introduced as one of the
 preliminary practices and it remains crucial in fact its importance increases as one progresses through the more advanced
 levels of the tantric path The cultivation of devotion to the guru and the blending of one s mind with his or her enlightened
 mind is in the words of Dilgo Khyentse Rinpoche the most vital and necessary of all practices and is in itself the surest and
 fastest way to reach the goal of enlightenment Regarding the origin of this commentary Mipham refers in the colophon to an
 event that triggered the abrupt appearance in his mind of the hidden meaning of the prayer It is interesting to note that the
 language Mipham uses suggests that the commentary itself is not an ordinary composition but perhaps a treasure teaching
 specifically a mind treasure or gongter *Nagarjuna's Letter to a Friend* Nagarjuna,2013-09-10 An exposition of the entire
 Buddhist path in only 123 verses A Buddhist classic Nagarjuna s poetic presentation of the fundamental teachings of the
 Great Vehicle or Mahayana is remarkable for its concise style and memorable imagery making it one of the most widely
 quoted sources in other commentaries on the Mahayana path The great Indian Buddhist master Nagarjuna first second
 century C E wrote his celebrated poem Letter to a Friend as a gift of advice to a South Indian king and it has since become a
 monument in the Indian shastra tradition Despite its short length only 123 verses Nagarjuna s Letter to a Friend covers the

entire Mahayana path combining a practical approach to daily conduct with a theoretical exposition of the different stages leading to enlightenment. It has thus been an ideal source for many of Tibet's great scholars seeking a scriptural authority to enhance their own descriptions of the Buddhist path. Any difficulties in understanding the poem are overcome here by Kangyur Rinpoche's commentary which turns Nagarjuna's sometimes cryptic poem into straightforward prose, expanding on each topic and ordering the different subjects in such a way that on returning to the original poem the reader can easily make sense of the advice it contains. It includes headings to explain Nagarjuna's frequent changes in subject and full explanations of the ideas introduced in each verse. In addition to the commentary, this book presents the original poem in the Tibetan and in a new English translation that attempts to emulate Nagarjuna's lines of metric verse. Also included are Kangyur Rinpoche's structural outline, a bchad (a Tibetan line index) to enable students to locate quotations used in other Tibetan works, full notes, and a glossary.

Finding Rest in Illusion Longchenpa, 2020-10-20. A new translation of the Tibetan master Longchenpa's famous work that systematically presents the path of yogic conduct according to the Dzogchen tradition. Finding Rest in Illusion is the third volume of the Trilogy of Rest. Longchenpa's classic exposition of the Buddhist path. The purpose of these teachings is to introduce us to our most basic nature, the clear and pristine awareness that is the nature of the mind. According to the traditional Tibetan Buddhist formula of view, meditation, and action, this volume follows Finding Rest in the Nature of the Mind, which establishes the view of the Buddhist path generally and specifically that of the teachings of the Great Perfection, and Finding Rest in Meditation, which outlines the main points of meditation, namely where one should meditate, what qualities a practitioner should possess and develop, and what should be practiced. The Padmakara Translation Group has provided us with a clear and fluid new translation of the final volume of the trilogy, Finding Rest in Illusion, along with its autocommentary, The Chariot of Excellence, both intended to elucidate the appropriate action of a Buddhist practitioner. Finding Rest in Illusion describes in detail the conduct of those who have stabilized their recognition of the nature of the mind and how to apply the Buddhist view when relating to ordinary appearances. Drawing extensively from classic Buddhist works, the author uses well-known examples of illusion found throughout Mahayana literature to illustrate the illusory nature of both samsara and nirvana, thus revealing their ultimate nondual nature. This is an invaluable manual for any genuine student of Buddhism who wishes to truly find rest through the path of the Great Perfection.
