Camila and the sword in Caspian's house until the foursome is given the all clear to visit the Tower. Worried their side won't win the war, thereby landing Harlow and Caspian back on Luma's Most Wanted list, the pair is determined to prove they're worth more to the Collective outside a jail cell. They believe the key to the worrying surge in portal activity and a window into Lachlan's schemes both lie somewhere near Lake Nacimiento, the same lake connected to the sword's dormant twin. Their impending escape only grows more complicated when Zander Welsh drops the bomb that his days-old bite from a hybrid is infected. Rumors are already swirling that hybrid vampire bites have begun turning fae, a feat previously thought impossible. In the rare instances that a fae survives the transition, their magic mutates into something unholy. Harlow and Caspian must find a cure for Welsh's blood poison before it kills him or perhaps worse, turns him into a monster unable to discern friend from foe.

I'm with the Banned Marlene Perez, 2021-10-05 I never wanted to be a vampire queen. But on the bright if not sunny side of the debacle, I've got a super hot new boyfriend. And he just might be the perfect guy. Well, if the perfect guy ghosts you for a month and then comes back to school with a new look, a pack of friends, and a secret. But we have bigger problems. The Drainers are back. They're singing a different song, but have they really changed? Even worse, werewolves' hearts are being ripped from their bodies, which is putting the people I love in danger. I need to figure out who is behind the murders before there's an all-out vampire werewolf war. No one is going to mess with my friends, even the ones who like to get wild and howl at the moon. Sometimes all a girl can do is grab her tiara and start kicking some supernatural ass.

The Afterlife series is best enjoyed in order: Reading Order, Book 1; The Afterlife of the Party, Book 2; I'm with the Banned, Book 3; A Sucker for You.

Though Sorceress Rhiannon bought them some time, stalling time is over. The sorcerers need each of them for different reasons, but all three fear that once they walk in, they're not getting back out. For years, Felix Turner has been searching for the truth about Naomi West's murder and how it's tied to the death of Nelson Fletcher. When someone from Naomi's past returns to Luma with a new lead, Felix is determined to get to the bottom of the mystery once and for all. Kayda's guilt over failing Kessler has given her a bit of a savior complex. When another remote hub is attacked by ferals, she refuses to let more innocents suffer on her watch. Diving headlong into this new mission, however, sends her far from home and reveals that the Shades' influence has reached far beyond Luma. Renata Bernard had no skin in this game only days ago. Hell, she hadn't even known the game was being played. Now not only has she been pulled into a scheme, Lachlan Shade hatched while in exile; she's also been pegged as the key to his success.
