Lewis, 2017-09-26 God has been around for a long time in fact from the very beginning but what do we actually know about him Perhaps this is a silly question because many people will regard the God of Judaism Christianity and Islam as unknowable Nevertheless this book explores the Hebrew Scriptures Old Testament to unearth just what is revealed about the nature and persona of the Deity Early chapters discuss the first signs of religious beliefs and the origins of the major religions Ten chapters are devoted to what the Scriptures reveal about God's origin attributes and activities These include miracles making laws punishing rewarding answering prayers and predicting a future Messiah A final chapter summarizes and draws conclusions The sheer number of details gleaned from the biblical texts helps the reader to see God as an entity with a personality who has attributes likes and dislikes He rejoices but also laments he has a presence he is available he hears our prayers Those who were a little unsure about the authenticity of God should have their confidence in him strengthened by the amount of information presented They can then explore this further for themselves **Your God is Too Safe** Mark Buchanan, 2009-02-19 Here's a thoughtful probing exploration of why Christians get stuck in the place of complacency dryness and tedium and how to move on to new levels of spiritual passion Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm only to get bogged down in a borderland an in between space beyond the old life but short of the abundant adventurous existence promised by Jesus Citing Jonah he examines the problem of borderland living where doubt disappointment guilt and wonderlessness keep people in a quagmire of mediocrity then offers solutions effective ways to get unstuck and move into a bold unpredictable exhilarating walk with Christ Inspired writing [Let Go and Let God . . . and Then What?](#) Suzanne Mondoux, 2019-06-11 What an incredible book this is Within its pages the author somehow manages to combine self help inner healing be motivational and inspirational What's more this book is suitable for all ages genres and professions something I find unique Through the sharing of personal experiences with her reader and the incorporation of a fictitious story about a cat called Delilah her surroundings and life the reader is encouraged to open their eyes to their world look forward with a positive attitude and embark on a journey of self discovery From the moment we are aware we absorb the information around us via other people We learn to discover things about our world and environment listen to the expectations and limitations others
