

So whoever knows the right
thing to do and fails to do it,
for him it is sin.

What Is Wrong With My Christianity:

What Is Wrong with My Christianity? Richard L. Larkin, 2014-10-31 Regardless of your religion your school of theology what you were taught at home growing up or any other factors just like anyone else you have had your share of concerns about Christianity really is Rich Larkin wants to share with you what the Holy Spirit has taught him about the personal privilege of being in a relationship with Jesus Christ The way is open to everyone but not everyone who believes in the Savior has a true connection with him Which group do you belong in In *What's Wrong with My Christianity* Rich Larkin wants to help you with practicing the presence of God to find His Spirit not simply in your external circumstances but living within your being For anyone who has been intimidated to ask questions like these this book is for you *Religious*

Diversity—What's the Problem? Rita M. Gross, 2014-04-24 Once upon a time on grounds of both religion and common sense people assumed that the earth was flat and that the sun literally rose and set each day When newly developing knowledge made those beliefs untenable giving them up was difficult Today the belief that only one of the world's various religions is true for all people on earth is equivalent to the belief in a flat earth Both notions have become untenable given contemporary knowledge about religion Even though many people are still troubled by the existence of religious diversity today that diversity is a fact of life Religious diversity should be no more troubling to religious people than the fact that the earth is round and circles the sun This provocative book based on the author's longtime practice of Buddhism and comparative study of religion provides tools with which one can truly appreciate religious diversity as a gift and resource rather than as a deficiency or a problem to be overcome After we accept diversity as inevitable and become comfortable with it diversity always enriches life both nature and culture *Freelance Christianity* Vance G. Morgan, 2017-06-08 How can you be a

Christian and a philosopher at the same time This question has haunted Vance Morgan ever since it was posed by a good friend almost thirty years ago *Freelance Christianity* is rooted in Morgan's conviction that far from being fundamentally opposed truly philosophical energies and a commitment to a vibrant lived faith are complementary mutually supporting and marks of a healthy quest for the divine This book brings together his training as a philosopher and experience as a person of faith in an investigation of how the life of faith can be lived with a rigorous commitment to the pursuit of knowledge in real time Jairo Mejia, 2008-03-01 Jairo Mejia is a theologian and philosopher who lives in Carmel Valley California *Getting*

Jesus Wrong Matt Johnson, 2017-03-20 Jesus is not a life coach or a blessing dispenser but we often treat him like he is We get burned out on some caricature of Jesus a caricature that often bears an uncanny resemblance to ourselves and become mired in anxiety pride or despair *Getting Jesus Wrong* presents the biblical Christ and reassures disillusioned people that this

Letter to My Christian Family and Friends: Living without God Darrel Newkirk MD, MPH, 2016-04-04 Darrel D Newkirk MD MPH was a devoted Christian for over 55 years He believed God was calling him to be a medical missionary and subsequently he and his wife prepared to serve as foreign missionaries They served 5 years in Zaire Africa After returning to

the United States from Africa he continued to serve actively in their Southern Baptist church He and his wife helped to start a new mission Southern Baptist church in which he was active for over 20 years But then he left not only that church but Christianity itself LETTER TO MY CHRISTIAN FAMILY AND FRIENDS Living Without God is the author s answer to the question Why Why did he leave the religion of his parents family and friends after devotedly serving God and His church for over 55 years The book reveals his answers to that question **What is My Faith?** Leo Tolstoy,2024-05-09 Appearing only months after Confession Tolstoy s What is My Faith often rendered in English as What I Believe pushes the argument from private trauma to public statement Anyone drawn to radical Christian ethics will find in these pages the seed of twentieth century non violent resistance long before Gandhi or King shaped the idea Published in Geneva by the same free thinking circle in late 1884 the book was promptly banned in the Russian Empire its import thwarted at the frontier for Tolstoy aimed straight at the nexus of state power and ecclesiastical dogma accusing both of betraying the Sermon on the Mount The treatise advances a literal reading of Christ s ethical injunctions arguing that Christian truth requires absolute renunciation of violence oath taking and property in place of theology Tolstoy offers a painstaking commentary on Gospel passages that converges on a form of Christian anarchism a term his readers later supplied By fusing spiritual rigor with social critique the book redirected Russian intelligentsia away from Marxist militancy toward ethical pacifism influenced the Doukhobors in their emigration to Canada and furnished moral ammunition for pacifist movements across Europe all while foreshadowing the concise biblical harmony that would become The Gospel in Brief This critical reader s edition presents a modern translation of the original manuscript crafted for the modern reader with clean contemporary language and simplified sentence structures that clarify his complex Russian phrasing and specific antiquated references Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Tolstoy s personal history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and influence by Schopenhauer a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy Christian Dating Rules for Men, Women, the Young & Old(er) Rhonda Habisreiter,2020-06-24 Christian Dating Rules are for men women young and older who find themselves dating in the twenty first century Whether you re black white purple or green with yellow polka dots this is the way everyone should date Although the title states Christian you do not need to be a Christian to read and follow the rules Dating has changed a lot over the years and across the globe and this book is designed to help those who are new to dating already dating or find themselves returning to the world of dating If you don t have recent experience in dating or you find yourself disappointed in your previous attempts at dating this book is designed to help you date differently than what has become common in the world today The author uses personal experience she has gained over three decades along with biblical scriptures to guide readers in how people should date No matter what your spiritual beliefs may be if you want a true honest

and wholesome dating life with the hopes of finding someone special to share your life with this book is meant for you

Christian America? Christian Smith, 2000-04-13 In recent decades Protestant evangelicalism has become a conspicuous and to many Americans worrisome part of this country's cultural and political landscape But just how unified is the supposed constituency of the Christian Coalition And who exactly are the people the Christian Right claims to represent In the most extensive study of American evangelicals ever conducted Christian Smith explores the beliefs values commitments and goals of the ordinary men and women who make up this often misunderstood religious group The result is a much needed contribution to the discussion of issues surrounding fundamental American freedoms and the basic identity of the United States as a pluralistic nation Based on data from a three year national study including more than 200 in depth interviews of evangelicals around the country Christian America assesses the common stereotype of evangelicals as intolerant right wing religious zealots seeking to impose a Christian moral order through political force What Smith finds instead are people vastly more diverse and ambivalent than this stereotype suggests On issues such as religion in education family values Christian political activism and tolerance of other religions and moralities evangelicals are highly disparate and conflicted As the voices of interviewees make clear the labels conservative and liberal are too simplistic for understanding their approaches to public life and political action

Losing My Religion William C. Mills, 2019-01-15 After four years of college and six years in seminary William Mills was ready for a parish or so he thought He didn't realize much of his time would be endless discussions about bagels and coffee digging ditches and parking lot condom patrols For six years community life was just humming along Then disaster struck Mills life came crashing down when nearly a third of his congregation left in a public power play causing him to question his faith in himself in the church and in God Marva Dawn a noted writer of spirituality and ministry said that being a pastor is like being peppered with popcorn after a while you just get tired of it pack your bags and move on However as Mills himself says I was either too stubborn or stupid so I stayed Losing My Religion is about the ups and downs ins and outs choices and challenges of being a pastor in the twenty first century church It's also about the redemptive power of community life and finding healing and wholeness in a broken world

What's Wrong with Rights? Nigel Biggar,2020-09-25 Are natural rights nonsense on stilts as Jeremy Bentham memorably put it Must the very notion of a right be individualistic subverting the common good Should the right against torture be absolute even though the heavens fall Are human rights universal or merely expressions of Western neo imperial arrogance Are rights ethically fundamental proudly impervious to changing circumstances Should judges strive to extend the reach of rights from civil Hamburg to anarchical Basra Should judicial oligarchies rather than legislatures decide controversial ethical issues by inventing novel rights Ought human rights advocates learn greater sympathy for the dilemmas facing those burdened with government These are the questions that What s Wrong with Rights addresses In doing so it draws upon resources in intellectual history legal philosophy moral philosophy moral theology human rights literature and the judgments of courts It ranges from debates about property in medieval Christendom through Confucian rights scepticism to contemporary discussions about the remedy for global hunger and the justification of killing And it straddles assisted dying in Canada the military occupation of Iraq and genocide in Rwanda What s Wrong with Rights concludes that much contemporary rights talk obscures the importance of fostering civic virtue corrodes military effectiveness subverts the democratic legitimacy of law proliferates publicly onerous rights and undermines their authority and credibility The solution to these problems lies in the abandonment of rights fundamentalism and the recovery of a richer public discourse about ethics one that includes talk about the duty and virtue of rights holders *Graphic Showbiz* Nanabanyin Dadson,2010-08-19

12 Crucial Truths of the Christian Faith Josh McDowell,Sean McDowell,2024-01-09 Relational Apologetics for This Generation and the Next Mounting disenchantment with the Christian faith has resulted in a growing concern for the future of the church particularly as it relates to the most recent generations But as we seek to reach young unbelievers with the truth transformation and joy only Jesus can provide we must first understand it for ourselves In The 12 Crucial Truths of the Christian Faith acclaimed

apologists Josh and Sean McDowell clearly and winsomely distill the essentials of a living Christian faith More than just intellectual ideas these truths are reflections of a way of life exemplified by God helping you deepen your own understanding of what you believe why you believe it and how you can align your actions with these beliefs live in right relationship with God yourself and others establish a transformative foundation of faith in the lives of generations to come Packed with examples and stories this handy reference is for Christians who want to cultivate an unshakable faith and learn how to live it out

Christian College, Christian Calling Steve Wilkens,Paul Shrier,Ralph P. Martin,2005-08-18 Christian colleges have been set up by Christian churches throughout American history But all too often these schools and the groups that support them come into conflict typically over what is being taught in religion and philosophy classes Christian College Christian Calling seeks not so much to resolve this tension between congregation and academy as to explain why it exists and why it might even be fruitful Instructors of philosophy theology church history Biblical studies and ministry from Azusa Pacific University explain the value of their disciplines in down to earth terms_not in terms of academic achievement but in terms of the Christian life Looking to get past the stereotypes of liberal faith diluting colleges and conservative unthinking churches Christian College Christian Calling provides an invaluable resource for anyone concerned about the mission and relevance of Christian higher education
