Conforti, 2001 Say New England and you likely conjure up an image in the mind of your listener the snowy woods or stone wall of a Robert Frost poem perhaps or that quintessential icon of the region the idyllic white village Such images remind us that as Joseph C **Two Brides for Apollo** Robert Rothschild, 2009-03-10 Samuel Williams 1743 1817 was a minister astronomer newspaper editor surveyor social historian and philosopher While a student at Harvard he assisted John Winthrop on an expedition to Newfoundland to observe the 1761 transit of Venus Following Winthrop as Hollis Professor of Natural Philosophy Williams modernized the teaching of science at Harvard taught such illustrious students as John Quincy Adams and led a Harvard expedition to observe the solar eclipse of 1780 He was a major force in the founding of American Academy of Arts and Sciences contributing many of its first scientific papers To escape a charge of forgery Williams fled to Vermont by night on horseback There he preached the Enlightenment view that mankind could achieve the greatest happiness in a life based on the God given power of reason Williams founded and edited the Rutland Herald wrote one of the first histories of the American Revolution and one of the first state histories The Natural and Civil History of Vermont He was co founder of the University of Vermont and taught astronomy there Superior surveying skills enabled him in 1806 to add 600 square miles of Canadian claimed territory to the state of Vermont In 1970 the American Philosophical Society published Williams s Philosophic Lectures yet Williams has remained little known The author hopes this book will correct this **Bookseller and Print Dealers Weekly** ,1929 **Liberty Tree** Alfred F. Young, 2006-11-06 With the

publication of *Liberty Tree* acclaimed historian Alfred F Young presents a selection of his seminal writing as well as two provocative never before published essays Together they take the reader on a journey through the American Revolution exploring the role played by ordinary women and men called at the time people out of doors in shaping events during and after the Revolution their impact on the Founding generation of the new American nation and finally how this populist side of the Revolution has fared in public memory Drawing on a wide range of sources which include not only written documents but also material items like powder horns and public rituals like parades and tarring and featherings Young places ordinary Americans at the center of the Revolution For example in one essay he views the Constitution of 1787 as the result of an intentional accommodation by elites with non elites while another piece explores the process of ongoing negotiations would be rulers conducted with the middling sort women enslaved African Americans and Native Americans Moreover questions of history and modern memory are engaged by a compelling examination of icons of the Revolution such as the pamphleteer Thomas Paine and Boston s Freedom Trail For over forty years history lovers students and scholars alike have been able to hear the voices and see the actions of ordinary people during the Revolutionary Era thanks to Young s path breaking work which seamlessly blends sophisticated analysis with compelling and accessible prose From his award winning work on mechanics or artisans in the seaboard cities of the Northeast to the all but forgotten liberty tree a major popular icon of the Revolution explored in depth for the first time Young continues to astound readers as he forges new directions in the history of the American Revolution
