Study Guide to Geriatric Psychiatry Philip R. Muskin, Anna L. Dickerman, 2016-06-06

Study Guide to Geriatric Psychiatry is a question and answer companion that allows you to evaluate your mastery of the subject matter as you progress through The American Psychiatric Publishing Textbook of Geriatric Psychiatry Fifth Edition. The Study Guide is made up of approximately 255 questions divided into 25 individual quizzes of 8-17 questions each that correspond to chapters in the textbook. Questions are followed by an answer guide that references relevant text including the page numbers in the textbook to allow quick access to needed information. Each answer is accompanied by a discussion that not only addresses the correct response but also explains why other responses are not correct. The Study Guide's companion, The American Psychiatric Publishing Textbook of Geriatric Psychiatry Fifth Edition, has been thoroughly reorganized and updated to reflect new findings with expanded treatment options and considerations and future directions such as translational research enhancing the text's utility while maintaining its reputation as the foremost reference and clinical guide on the subject.

Essentials for Nursing Practice - E-Book Patricia A. Potter, Anne G. Perry, Patricia A. Stockert, Amy Hall, 2018-03-12

Get a solid foundation in essential nursing principles, concepts, and skills. *Essentials for Nursing Practice* 9th Edition combines everything you need from your fundamentals course and streamlines it into a format that's perfect for busy nursing students. The ninth edition retains many classic features including chapter case studies, procedural guidelines, and special considerations for various age groups, along with new content including a chapter on Complementary and Alternative Therapies, interactive clinical case studies on Evolve, a new Reflective Learning section, and QSEN activities to encourage active learning. Thoroughly reviewed by nursing clinical experts and educators, this new edition ensures you learn nursing *Essentials* with the most accurate, up-to-date, and easy-to-understand book on the market. Progressive case studies are introduced at the beginning of the chapter and are then used to tie together the care plan, concept map, and clinical decision-making exercises. Focused Patient Assessment tables include actual questions to help you learn how to effectively phrase questions to patients, as well as target physical assessment techniques. Nursing skills at the end of each chapter feature full-bleed coloring on the edge of the page to make them easy to locate. Safety guidelines for nursing skills sections precede each skills section to help you focus on safe and effective skills performance. Detailed care plans in the text and on Evolve demonstrate the application of the 5-step nursing process to individual patient problems to help you understand how a plan is developed and how to evaluate care. Unexpected outcomes and related interventions for skills alert you to possible problems and appropriate nursing action. Patient Teaching boxes help you plan effective teaching by first identifying an outcome, then developing strategies on how to teach, and finally implementing measures to evaluate learning. Care of the Older Adult boxes highlight key aspects of nursing assessment and care for this growing population. Key points neatly summarize the most important content for each chapter to help you review and evaluate learning. Evidence-Based Practice boxes include a PICO

question summary of the results of a research study and a F description of how the study has affected nursing practice in every chapter Patient Centered Care boxes address racial and ethnic diversity along with the cultural differences that impact socioeconomic status values geography and religion 65 Skills and procedural guidelines provide clear step by step instructions for providing safe nursing care 5 step nursing process provides a consistent framework for clinical chapters Concept maps visually demonstrate planning care for patients with multiple diagnoses NOC outcomes NIC interventions and NANDA diagnoses are incorporated in care plans to reflect the standard used by institutions nationwide Study Guide to Geriatric Psychiatry Philip R.
