Many books stress the need to be marketplace ministers. An equal or greater number tell us why we should be in marketplace ministry. This book tells us how. About My Father's Business offers proven methodology for becoming a spiritual leader at work regardless of position or title. Regi Campbell has more than twenty years experience learning and implementing these strategies in companies small and large. With refreshing transparency he shares his struggles to save his marriage, build his career, and pursue his mission to have influence for Jesus Christ with coworkers. The result is a practical guide for reconciling the quest for corporate accomplishment with the call to be a disciple of Christ 24/7. Regi shows us a path that leads us to love and serve our coworkers while moving them toward their own relationship with Jesus Christ. About My Father's Business shows us the joy that comes from bringing a kingdom purpose to our life's work. Luis Palau, President, Luis Palau Evangelistic Association, Author, High Definition Life: There may be no greater opportunity to reach our culture for Christ than through the marketplace. Regi has been there, done that, and he shares his wealth of wisdom and experience. I have the privilege of recommending this book wholeheartedly. Ron Blue, President, Christian Financial Professionals Network. Regi Campbell hits the bull's eye. About My Father's Business is a practical book that needs to be in the hands of every serious Christian longing to make a difference in their work-life. Chip Ingram, CEO and president, Walk Thru the Bible. I highly recommend this book to any Christian seeking more out of his or her workday than a paycheck or a promotion. Gary M. Parsons, Chairman, XM Satellite Radio. For many years, workplace and ministry have been viewed as entirely separate, almost like the church and state. Now, as men and women begin to see their workplace as their greatest field for harvest, we're entering a revival. Regi's work is a valuable tool for any Christian ready to touch their marketplace for God. Pat Gelsinger, Author, Balancing Your Family Faith and Work, Sr. VP and CTO, Intel Corporation. INSIDE FRONT FLAP: Relevant, Practical, Compelling. What happens to your faith at work? Do you struggle to live for Jesus while earning a paycheck? The truth is when you go to work, you don't have to check your faith at the door. Successful businessman Regi Campbell shows how your witness and your example can make a huge difference in your workplace and impact lives for eternity. God is calling you to more than what's in your job description. Your peers need it. Your Father requires it. It's His business, and only you can accomplish it. Doable Story Behind the Book: I'm a business guy who committed his life to Jesus Christ in my early thirties. As a brand new, fired-up believer, I wanted to make a difference for God, but business was all I really knew. I did what most new Christians do: plugged into a church, joined a Bible study, and started family devotions. But the office was still an enigma, a place where I felt no purpose, a place where I was just serving my time. I felt thwarted and stalled from doing anything for God there. I'm thankful the Lord showed me that the marketplace is where I am supposed to be. Even more, He has shown me some useful ways to think about the people I work with and to help them move toward Jesus Christ. I wrote this book to share the road map that has made workplace evangelism and discipleship doable for me.
