Christ at the Center Ralph Hale,2022-12-05 Is it possible for Christ to live in me but not be at the center of my life In our day to day Christian experience we discover that sometimes Jesus only occupies a part of that existence We might be aware of him in a Sunday church service or in our nightly prayers but so much of our daily life is unaware and unaffected by his presence The overall premise of this book is that to be a Jesus follower the position that he occupies in my life determines how effectively I will follow him When Christ is at the center he is more than a savior he becomes the filter through which everything in my life must pass

Subversive Sabbath A. J. Swoboda,2018-02-20 We live in a 24/7 culture of endless productivity workaholism distraction burnout and anxiety a way of life to which we've sadly grown accustomed This tired system of life ultimately destroys our souls our bodies our relationships our society and the rest of God's creation The whole world grows exhausted because humanity has forgotten to enter into God's rest This book pioneers a creative path to an alternative way of existing Combining creative storytelling pastoral sensitivity practical insight and relevant academic research Subversive Sabbath offers a unique invitation to personal Sabbath keeping that leads to fuller and more joyful lives A J Swoboda demonstrates that Sabbath is both a spiritual discipline and a form of social justice connects Sabbath keeping to local communities and explains how God may actually do more when we do less He shows that the biblical practice of Sabbath keeping is God's plan for the restoration and healing of all creation The book includes a foreword by Matthew Sleeth

Encore May Sarton,2015-08-18 The bestselling author and newly minted octogenarian demonstrates that old age can be a vibrant and liberating experience fearless and triumphant Publishers Weekly On the second day of her 80th year May Sarton began a new journal She wrote it because she wanted to go on a little while longer to discover what is really happening to me This triumphant sequel to *Endgame* Sarton's journal of her 79th year is filled with the comforting minutiae of daily life from gardening to planning dinners and floral arrangements to answering fan mail The wonderful thing about getting older Sarton writes is the freedom to be absurd the freedom to forget things the freedom to be eccentric Her other octogenarian pleasures include preparing for holidays and weddings lunches with old friends and new admirers the heady delight of critical recognition and the rebirth of her lyric voice as she creates new poems Yet Sarton knows that age can also bring pain and ill health as well as a deepening awareness of the perilousness of life on all sides knowing that at any moment something frightful may happen

Mistakenly Marry Tricky Pretty Consort Xiao Yun,2020-01-20 She the hero of the battle had acted out one after another but she had made mistakes again and again In the Alliance she never played cards the way she did making the five great handsome men flustered in a showdown she never

Myth-Busting in Science and Religion Jim Slagle,2025-07-14 Science and religion is one of those subjects where everyone knows a lot of things that just ain t so This is because of the numerous urban legends about how the two fields have interacted historically and how they do so today These false beliefs are ubiquitous in Western civilization especially in academia prompting many people to oversimplify the issues This book corrects many of these urban legends and confusions involving premodern cosmology the alleged persecution or even martyrdom of scientists for discoveries that challenged the religious status quo the history and nature of biological evolution the potential discovery of rational extraterrestrial life and whether miracles would somehow conflict with the laws that science has discovered As one might expect reality turns out to be much more complex than the stories suggest **Born of Fire and Rain** Hoda Barakat,2024-10-29 Go beyond the scenery of the Pacific temperate rainforest to witness how complex ecosystems survive in a world of upheavals If you live on a rapidly changing planet you d be wise to learn how it works The giant old forests on a skinny stretch of land on the far west coast of North America have a lot to say about living in a twitchy world In this engaging book science writer M L Herring takes readers into the Pacific temperate rainforest at the tumultuous edge of a shifting continent in a precarious moment of time Readers peek behind the magnificent scenery into a forest of ancient trees exploding mountains disappearing owls tsunamis megafires and ten million people to learn what it means to be a forest in a world of upheavals Through Herring s words and pictures readers drift into the canopy through masses of ferns and lichens burrow into soil through hair thin threads of fungi and plunge headlong through a watershed flushed with rain and snowmelt Readers experience the temperate rainforest through science and art as it faces a shifting climate and the shifting priorities of a constantly changing society The book journeys beyond the grid of latitude and longitude and into places only one s imagination can fit to discover what it means to be human in an ecological world The Glass Woman Kaaron Warren,2007-11-01 Subtle depictions of future worlds of stark contemporary settings and alternate realities are some of the wonders of Warren s imagination From science fiction to fantasy and eerie soul shaking horror Warren s words will reverberate in all of us What is there to enjoy in this collection A profound vision of a future perhaps dismal without hope horror that makes your spine feel pierced by

hundreds of rings a smattering of bodily fluids a few feminist themes a clear and penetrating vision the clarity of which is unearthly Clever sometimes funny morbid and at times racy You ll find all of this in Kaaron Warren s work
