a new cultural narrative around sex Sex was supposed to be easy It was supposed to be fun liberating and empowering for a girl who d been brought up thinking the battle for sexual equality had been won But for Nellwyn Lampert losing her virginity would turn out to be anything but simple Whether she was being confronted with porn induced erectile dysfunction or other crises of masculinity nothing went according to plan in the bedroom Instead Nellwyn had to learn to navigate the realities of sexual liberation female empowerment and masculinity all on her own In this coming of age memoir Nellwyn looks back on her experiences with humour and insight to explore what true liberation and empowerment may look like for today s young women Her many unexpected adventures will prompt reflection on a bigger question What does it mean when our experiences fail to live up to who we think we should be as liberated postmodern women
