Mahoe,2021-05-25 Here for the first time is a large collection of Hawaiian songs in an authoritative text with translation music not included The texts have never before been written consistently with the glottal stops indicating syllabic breaks between vowels and macrons indicating long vowels and stresses that make the words pronounceable by those unfamiliar with the Hawaiian language Many of the songs have not been translated before or have only been freely adapted rather than translated These 101 songs are all postmissionary and owe their musical origin to missionary hymns although only a few are religious None are technically chants though some are chants that have been edited and set to music They date from the mid 1850s most are from the time of the monarchy to 1968 the date of Mary Kawena Pukui s translation of Christmas songs Nearly all of these songs are sung today and are well known to Hawaiian singers Included are love songs and Christmas songs There is an exhaustive introduction which includes classification and arrangement of the songs a note on the composers and analysis of the structure symbolism and meanings of the songs and a note on the translations and on the poetic vocabulary of the Hawaiian words

Hawaiian Dictionary Mary Kawena Pukui,Samuel H. Elbert,1986-03-01 For many years Hawaiian

Dictionary has been the definitive and authoritative work on the Hawaiian language. Now this indispensable reference volume has been enlarged and completely revised. More than 3 000 new entries have been added to the Hawaiian English section bringing the total number of entries to almost 30 000 and making it the largest and most complete of any Polynesian dictionary. Other additions and changes in this section include a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables; indications of parts of speech; current scientific names of plants; use of metric measurements; additional reconstructions; classical origins of loan words; and many added cross references to enhance understanding of the numerous nuances of Hawaiian words. The English Hawaiian section, a complement and supplement to the Hawaiian English section, contains more than 12 500 entries and can serve as an index to hidden riches in the Hawaiian language. This new edition is more than a dictionary. Containing folklore, poetry, and ethnology, it will benefit Hawaiian studies for years to come.

Hawaii Magazine, 1999 *Iz* Rick Carroll, 2006

Israel Kamakawiwoʻole, born in 1959, the year Hawaiʻi became a state, rose to unrivaled celebrity on the strength of his one in a million voice and a four string ukulele. His phenomenal hit "Over the Rainbow" propelled his "Facing Future" album to Platinum status. His voice has been heard around the world in blockbuster films, television shows, and advertisements. *Iz* "Voice of the People" is a portrait in words and over 200 photos of the man behind the music: his childhood, his early years with the Māhikaʻi Sons of Nīhau, his solo career, his personal struggles and successes. It is about fame, but it is also about triumph over adversity and loss, about standing up for the people of Hawaiʻi at a critical time in their history and inspiring them to demand justice and sovereignty, and about the music, people, and events that shaped Israel and his career.
