Women Migration The Cashew Economy In Southern Mozambique:

Women, Migration & the Cashew Economy in Southern Mozambique 1945-1975 Jeanne Penvenne, 2015 Analyses the lives and livelihoods of the female cashew shellers in Mozambique's capital in the colonial era during which the industry grew to be a major export and relates how the women played a fundamental but previously underappreciated role in the colony's economy

Home economics Sacha Hepburn, 2022-08-16 Domestic service has long been one of the largest forms of urban employment across southern Africa Home economics provides the first comprehensive history of this essential sector in the decades following independence and the end of apartheid Focusing on Lusaka and drawing wider comparisons the book traces how Black workers and employers adapted existing models of domestic service as part of broader responses to changing gendered employment patterns economic decline and endemic poverty It reveals how kin based domestic service gradually displaced wage labour and how women and girl workers came to dominate kin based and waged domestic service with profound consequences for labour regulation and worker organising Theoretically innovative and empirically rich the book provides essential insights into debates about gender work and urban economies that are critical to understanding southern Africa's post colonial and post apartheid history

Historical Dictionary of Mozambique Colin Darch, 2018-12-15 The new edition of Historical Dictionary of Mozambique covers the Bantu expansion the arrival of the Portuguese navigators and their struggle competition with local African power centers and coastal Arab Swahili trading towns the trade cycles of gold ivory and slaves the establishment of the semi Africanized prazos along the Zambezi Valley pacification campaigns and the period of Portuguese weakness in the late 19th and early 20th centuries when vast tracts of land were rented to concessionary companies In the late colonial period the Salazar dictatorship tried to reassert Portuguese power but after ten years of armed struggle for national liberation Mozambique gained its independence in 1975 The book contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Mozambique

Moving Crops and the Scales of History Francesca Bray, Barbara Hahn, John Bosco Lourdasamy, Tiago Saraiva, 2023-02-14 A bold redefinition of historical inquiry based on the cropscape the people creatures technologies ideas and places that surround a crop Human efforts to move crops from one place to another have been a key driving force in history Crops have been on the move for millennia from wildlands into fields from wetlands to dry zones from one imperial colony to another This book is a bold but approachable attempt to redefine historical inquiry based on the cropscape the assemblage of people places creatures technologies and other elements that form around a crop The cropscape is a method of reconnecting the global with the local the longue dure with microhistory and people plants and places with abstract concepts such as tastes ideas skills politics and economic forces Through investigating a range of contrasting cropscares spanning millennia and the globe the authors break open traditional
