The World Is Round Gertrude Stein

Paul Paccione

The World Is Round Gertrude Stein:

The World Is Round Gertrude Stein, 2013-10-29 This classic children's book is a treasure trove for admirers of Stein's singular vision and Hurd's always charming artwork Publishers Weekly Written in her unique prose style Gertrude Stein's *The World Is Round* chronicles the adventures of a young girl named Rose a whimsical tale that delights in wordplay and sound while exploring the ideas of personal identity and individuality This volume replicates the original 1939 edition including all of Clement Hurd's original blue and white art printed on the rose pink paper that Stein insisted upon Also featured here are two essays that provide an inside view to the making of the book The first a foreword by Clement Hurd's son author and illustrator Thacher Hurd includes previously unpublished photographs and sheds light on a creative family life in Vermont where his father and mother author Edith Thacher Hurd often collaborated on children's books The second essay an afterword by Edith Thacher Hurd takes readers behind the scenes of the making of *The World Is Round* including the numerous letters exchanged between Hurd and Stein as well as images of Stein with the real life Rose and her white poodle Love The perfect mix of Gertrude Stein's painterly words and Clement Hurd's elegant illustrations make *The World Is Round* an unforgettable treasure Todd Oldham a book a beautiful book arrived it is pink and it is smart and it is beautiful bring that book over here so i can look at it would you like some tea Maira Kalman *The World is Round* Gertrude Stein, 1967 **The World is Not Flat** Edith Thacher Hurd, Gertrude Stein, Arion Press, 1986 Rose wonders who she is asking herself if she would still be Rose if her name were not Rose and goes on a journey in search of herself **Truth and Lies** Patrice Vecchione, 2001 A collection of poems which reveals the many shades of being true and telling lies Modernist Circumnavigations Kevin Riordan, 2022-05-26 This book shows how Jules Verne's *Around the World in Eighty Days* changed the global imagination Through his novel the world was converted into a personal itinerary scaled to the individual traveller and by extension to the individual reader Exploring Verne's modern legacy this study shows how subsequent generations of artists and writers took on *Around the World in Eighty Days* as an adaptable guidebook to the modern world It investigates how Verne's work leads its reader beyond the book itself It considers Verne's place in world literature traces some of the many real reenactments of Verne's itinerary and recalls the theatrical adaptations of Verne's story Published to coincide with the 500th anniversary of the first circumnavigation and the 150th anniversary of Verne's novel this book offers new insights into the largely overlooked influence of Verne on twentieth century literature and culture and on the field of global modernism **Children's Play in Literature** Joyce E. Kelley, 2018-07-04 While we owe much to twentieth and twenty first century researchers careful studies of children's linguistic and dramatic play authors of literature especially children's literature have matched and even anticipated these researchers in revealing play's power authors well aware of the way children use play to experiment with their position in the world This volume explores the work of authors of literature as well as film both those who write for children and those who use children as their central characters who explore the empowering

and subversive potentials of children at play Play gives children imaginative agency over limited lives and allows for experimentation with established social roles play s disruptive potential also may prove dangerous not only for children but for the society that restricts them

Gertrude Stein in Pieces Richard Bridgman,1971 Full describes and evaluates the literary career of one of the most misunderstood of modern writers

Rereading the "Shepherd Discourse" Karoline M. Lewis,2008 The history of scholarship narrates a complicated past for the interpretation of the Shepherd Discourse in the Fourth Gospel Both the internal and contextual integrity of John 9 39 10 21 have been compromised by a misapplied analogy dividing the passage into a parable and explanation structure and by reading models that favor historical approaches As a result the images and figures encountered in the discourse have not been allowed their full imaginative impact and the tendency is to look outside the Gospel for their referents and explanations The meaning of the Shepherd Discourse lies not in its relation to the rest of the Fourth Gospel but to that which is imported into the narrative Moreover its function as the discourse to chapter 9 and in the whole of the Gospel is overlooked Lewis employs the strategy of rereading borrowed from literary theory to address the internal integrity of the discourse and the relationship of the discourse to the rest of the narrative The literary phenomenon of rereading highlights the interconnectedness of the whole of the discourse and allows all of the imagery to be assessed at a figurative level Rereading also foregrounds the function of John 9 39 10 21 as the discourse to the healing of the blind man in chapter nine and calls attention to the importance of the Shepherd Discourse for the interpretation of the Fourth Gospel especially the often ignored image of Jesus as the door This book suggests that rereading is necessitated by the Gospel itself as a fundamental feature of its unique theological expression

Of Huck and Alice Neil Schmitz,1983 *Of Huck and Alice* was first published in 1983 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Huck Finn and Alice B Toklas allow Mark Twain and Gertrude Stein to slip away from the cramped and smothery intentions of proper writing Like Krazy Kat who transforms the hurt of Ignatz Mouse s brick into humorous bliss Huck and Alice brilliantly misrepresent painful authority As exemplars of humorous skepticism Mark Twain and Gertrude Stein are at the center of this far ranging book that begins with an examination of Jacksonian dialect humor ends with an account of the humorous style in post modern American fiction and considers along the way the sweet parlance of Krazy Kat the meaning of Harpo Marx s silence and the iconicity of Woody Allen s face Schmitz s analysis of the humorous style explores the texture of its language discusses its preferred forms and shows how the humorist frames his or her question within the text

Gertrude Stein Advanced Richard Kostelanetz,1990 The 27 previously published articles by among others Sherwood Anderson William Carlos Williams Allen Ginsberg Richard Howard and Leonard Bernstein proceed from the general to the more specific through Stein s 1874 1946 fiction poetry drama and experimental prose before returning to broader considerations No index Annotation copyrighted by Book News Inc Portland OR

Children's Literature K. Reynolds, 2007-04-12 This book reappraises the place of children's literature showing it to be a creative space where writers and illustrators try out new ideas about books, society and narratives in an age of instant communication and multi media. It looks at the stories about the world and young people, the interaction with changing childhoods and new technologies.

The Book Cover Paul Dimond, 2025-09-25 This rich treasure trove of twentieth century Batsford book covers showcases the very best of this venerable publisher's design heritage. Founded by Bradley Thomas Batsford in 1843, Batsford has forged a strong reputation for niche publishing in subjects such as textile art, practical art and craft, architecture and design heritage, and chess. Batsford books are both accessible and beautiful, and their quality means they sell for years, often decades. The covers in this beautiful book have been chosen from the extensive collection of book collector Paul Dimond. The collection includes the iconic covers of Brian Cook, which are recognised and collected worldwide, as well as beautifully tooled cloth bindings, Art Deco gems, mid-century architecture titles, and quirky designs from the 60s and 70s. Rich with stunning photographs of these iconic jackets, *The Book Cover* explores the development of book cover design over the twentieth century. This book is a labour of love that showcases the very best of Batsford's design heritage and will delight book collectors and design enthusiasts alike.

Representations of Childhood in American Modernism Mason Phillips, 2016-10-31 This book documents American modernism's efforts to disenchant adult and child readers alike of the essentialist view of childhood as redemptive, originary and universal. For James Barnes, Du Bois and Stein, the twentieth century's move to position the child at the center of the self and society raised concerns about the shrinking value of maturity and prompted a critical response that imagined childhood and children's narratives in ways virtually antagonistic to both. In this original study, Mason Phillips argues that American modernism's widespread critique of childhood led to some of the period's most meaningful and most misunderstood experiments with interiority, narration and children's literature.

The New Yorker, 1939-08 *The World is Not Flat* Edith Thatcher Hurd, 1986 *Group Performance of Literature* Beverly Whitaker Long, Lee Hudson, Phillis Rienstra Jeffrey, 1977 *Gertrude Stein's The World Is Round (2012-14). This book delves into The World Is Round Gertrude Stein. The World Is Round Gertrude Stein is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The World Is Round Gertrude Stein, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to The World Is Round Gertrude Stein
 - Chapter 2: Essential Elements of The World Is Round Gertrude Stein
 - Chapter 3: The World Is Round Gertrude Stein in Everyday Life
 - Chapter 4: The World Is Round Gertrude Stein in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of The World Is Round Gertrude Stein. The first chapter will explore what The World Is Round Gertrude Stein is, why The World Is Round Gertrude Stein is vital, and how to effectively learn about The World Is Round Gertrude Stein.
 3. In chapter 2, this book will delve into the foundational concepts of The World Is Round Gertrude Stein. This chapter will elucidate the essential principles that need to be understood to grasp The World Is Round Gertrude Stein in its entirety.
 4. In chapter 3, this book will examine the practical applications of The World Is Round Gertrude Stein in daily life. This chapter will showcase real-world examples of how The World Is Round Gertrude Stein can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of The World Is Round Gertrude Stein in specific contexts. This chapter will explore how The World Is Round Gertrude Stein is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about The World Is Round Gertrude Stein. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The World Is Round Gertrude Stein.
