Theatre Of The Real Studies In International Performance:

Theatre of the Real C. Martin, 2012-10-23 This book proposes a new way to consider theatre and performance that claims a special relationship to reality truth and authenticity It documents innovations in devising and staging theatre and performance that takes reality as its subject cultural shifts that have generated theatre of the real some of its problems and some possibilities *Dramaturgy of the Real on the World Stage* C. Martin, 2010-01-06 The Dramaturgy of the Real brings together an incredible range of international theatre thinking plays and performance texts many published here for the first time that ask questions about how we have come to understand reality and truth in the twenty first century and analyze the presentation of non fiction on the international stage *Staging 21st Century Tragedies* Avra Sidiropoulou, 2022-06-16 Staging 21st Century Tragedies Theatre Politics and Global Crisis is an international collection of essays by leading academics artists writers and curators examining ways in which the global tragedies of our century are being negotiated in current theatre practice In exploring the tragic in the fields of history and theory of theatre the book approaches crisis through an understanding of the existential and political aspect of the tragic condition Using an interdisciplinary perspective it showcases theatre texts and productions that enter the public sphere manifesting notably participatory immersive and documentary modes of expression to form a theatre of modern tragedy The coexistence of scholarly essays with manifesto like provocations interviews original plays and diaries by theatre artists provides a rich and multifocal lens that allows readers to approach twenty first century theatre through historical and critical study text and performance analysis and creative processes Of special value is the global scope of the collection embracing forms of crisis theatre in many geographically diverse regions of both the East and the West Staging 21st Century Tragedies Theatre Politics and Global Crisis will be of use and interest to academics and students of political theatre applied theatre theatre history and theatre theory **A Performance Cosmology** Judie Christie, Richard Gough, Daniel Peter Watt, 2013-03-07 Exploring thirty years of work by The Centre for Performance Research CPR A Performance Cosmology explores the future challenges of performance and theatre through a diverse and fascinating series of interviews testimonies and perspectives from leading international theatre practitioners and academics Contributors include Philip Auslander Rustom Bharucha Tim Etchells Jane Goodall Guillermo Gomez Pena Jon Mckenzie Claire MacDonald Susan Melrose Alphonso Lingis Richard Schechner Rebecca Schneider Edward Scheer and Freddie Rokem A Performance Cosmology is structured as a travelogue through a matrix of strategic imaginary interdisciplinary field stations This innovative framework enables readings which disrupt linearity and afford different forms of thematic engagement The resulting volume opens entirely new vistas on the old new and as yet unimagined worlds of performance Real Theatre Paul Rae, 2019 Draws on musicals plays and experimental performances to show what theatre is made of and how we experience it *On the Performance Front* C. Canning, 2015-06-30 This book argues that US theatre in the 20th century embraced the theories and practices of internationalism as a way to realize a

better world and as part of the strategic reform of the theatre into a national expression Live performance theatre internationalists argued could represent and reflect the nation like no other endeavour **Performing the 'New' Europe** Karen Fricker, Milija Gluhovic, 2013-05-13 Bringing together the voices of scholars from Europe and North America with those of key contest stakeholders Performing the New Europe Identities Feelings and Politics in the Eurovision Song Contest argues that this popular music competition is a symbolic contact zone between European cultures an arena for European identification in which both national solidarity and participation in a European identity are confirmed and a site where cultural struggles over the meanings frontiers and limits of Europe are enacted This exciting collection explores the ways in which European artists perform disavow and contest their racial national and sexual identities in the Eurovision Song Contest ESC and asks difficult questions about European inclusions and exclusions the contest reflects It suggests the ESC as an ever evolving network of peoples and places transcending both historical and geographical boundaries of Europe that brings into being new understandings of the relationship between culture space and identities *Thinking Through Theatre and Performance* Maaïke Bleeker, Adrian Kear, Joe Kelleher, Heike Roms, 2019-02-07 Thinking Through Theatre and Performance presents a bold and innovative approach to the study of theatre and performance Instead of topics genres histories or theories the book starts with the questions that theatre and performance are uniquely capable of asking How does theatre function as a place for seeing and hearing How do not only bodies and voices but also objects and media perform How do memories emotions and ideas continue to do their work when the performance is over And how can theatre and performance intervene in social political and environmental structures and frameworks Written by leading international scholars each chapter of this volume is built around a key performance example and detailed discussions introduce the methodologies and theories that help us understand how these performances are practices of enquiry into the world Thinking through Theatre and Performance is essential for those involved in making enjoying critiquing and studying theatre and will appeal to anyone who is interested in the questions that theatre and performance ask of themselves and of us Journal of Dramatic Theory and Criticism, 2012 Performance Studies Richard Schechner, 2020-03-02 Richard Schechner's pioneering textbook is a lively accessible overview of the full range of performance with primary extracts student activities key biographies and over 200 images of global performance The publication of Performance Studies An Introduction was a defining moment for the field This fourth edition has been revised with two new chapters up to date coverage of global and intercultural performances and an in depth exploration of the growing international importance of performance studies Among the book's topics are the performing arts and popular entertainments rituals play and games social media the performances of the paleolithic period and the performances of everyday life Supporting examples and ideas are drawn from the social sciences performing arts poststructuralism ritual theory ethology philosophy and aesthetics Performance Studies An Introduction features the broadest and most in depth analysis possible Performance Studies An Introduction is the
