Themes in Verse James Edward Freeman, 1904 *The Nathan Narrative in 2 Samuel 7:1-17* William W. Watty, 2016-07-08 As with archaeology traditio historical research of Old Testament literature proceeds backwards from the received text travelling through the earlier stages of compositions to the probable origins The canonical structure of the Hebrew Bible has therefore been taken as the point of departure in the traditio historical study of the Nathan Narrative in 2 Samuel 7 1 17 By progressing backwards from the Canonical Prophets the stages in the composition of the Joshua Kings corpus and of 2 Samuel 7 1 17 have been recovered through the application of redactio critical and literary critical methods A pre history of the Narrative has also been retraced in the traditions that were preserved in the oral stages in the typical forms and settings of transmission Notwithstanding the valuable insights that have accrued from Martin Noth s hypothesis of a Deuteronomistic History both the hypothesis itself and analyses deriving from it have failed to account satisfactorily for the place of 2 Samuel 7 1 17 in the Joshua Kings composition That failure is due to a methodological flaw of taking a non canonical configuration namely the Deuteronomy Kings corpus as the point of departure and the interpretative key This study tries to remedy that flaw Finding Freedom and Grace in a Broken World Thomas M. Stallter, 2024-02-09 We have been brought up to see things in a particular way to interpret our experience and respond to events people and even to God in cultural and personal ways This has given us a frame of reference that undergirds all else we know trust and love in life as well as all we question distrust and hate But this foundation is not without its cracks We live in a broken world and it has influenced us more than we know Various Christians give us advice but we often find ourselves stuck in the emotional pain of past experiences We may not realize how much it controls our thinking and we wonder why we are unable to experience the freedom and peace Jesus talks about But things are not always what they seem we need to see them as they are not as other influences have shaped them It is time we let God speak for himself on the matter This book turns our minds to trust and freedom in our walk with God It leads us to know God s grace providence and purposes in a way that changes our lives and experiences in this broken world from this day on **"And Scripture Cannot Be Broken"** Martin C. Albl, 2014-04-09 This work argues that many early Christian quotations of the Old Testament derive not from scriptural manuscripts but rather from authoritative written testimonia collections developed to support basic Christian beliefs Combining recent patristic studies notably on Justin and Barnabas and evidence from Qumran with detailed examination of quotations in the New Testament the book builds a fresh case for a neglected scholarly hypothesis After reviewing the scholarly literature and analogous Jewish and Greco Roman literary collections the book presents a comprehensive overview of extant testimonia traditions from the second to the fourth century C E The final chapters argue for the use of written testimonia collections in the New Testament This study offers solid evidence for a remarkably unified early Christian scriptural tradition that extended throughout the Mediterranean world Vanquished Nation, Broken Spirit Jacob Neusner, 1987-07-31 Neusner s book
