A BOOK OF
POEMS

Wallace Stevens

Wallace Stevens Harmonium Princeton Library

**Wallace Stevens, Henry E. Huntington
Library and Art Gallery**

Wallace Stevens Harmonium Princeton Library:

Wallace Stevens Robert Buttel, 2015-12-08 The years between 1900 and 1915 were a crucial period in Wallace Stevens poetic career But until Robert Buttel was given access to 30 manuscript poems written during this time these years constituted the largest gap in our knowledge of Stevens artistic development These poems as well as those printed in the Harvard Advocate are presented in a sequence which allows the reader to view the changes in Stevens art during this period Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Wallace Stevens George S. Lensing, 1986-12-01 In *Wallace Stevens A Poet's Growth* George S. Lensing examines Stevens gradual emergence and development as a poet tracing his life from his formative years in Pennsylvania to his careers as a lawyer for the Hartford Accident and Indemnity Company and as one of the major poets of the twentieth century Lensing draws extensively upon previously unpublished material from the Stevens archive at the Huntington Library which contains letters early drafts of poems and notebooks Two notebooks *Schemata* and *From Pieces of Paper* are here reproduced in full The study is divided into three sections In the first Lensing examines the years before the publication of Stevens first volume of poetry paying special attention to the forces that hindered and enhanced his progress toward modernity In the second we see Stevens in the exercise of his craft Lensing discusses the influence of the Romantics on the verse Stevens wrote as an undergraduate at Harvard his interest in Oriental art Cubism and Fauvism his anticipation of Imagism and his imitation of certain French Symbolists Sources of the epigraphs to Stevens poems are identified fully for the first time suggesting the role of Stevens vast reading upon his poetry Also considered is Stevens voluminous correspondence with people from all over the world some of whom he never met personally These letters helped rescue Stevens from the insularity of his business life and aided in the making of his poems The final section treats the critical responses to Stevens poetry by such people as Harriet Monroe editor and founder of *Poetry* who was the first important reader and publisher of his work Attention is also given to Stevens explications of his poems *Wallace Stevens A Poet's Growth* is a comprehensive examination of Stevens live and work This study provides abundant new material which will be of value to scholars and to those readers who are drawn to Stevens poetry

Wallace Stevens and the Seasons George S. Lensing, 2004-04-01 This fruitful pairing of literary and biographical interpretation follows Wallace Stevens's poetry through the lens of its dominant metaphor the seasons of nature and illuminates the poet's personal life experiences reflected there From Stevens's first collection *Harmonium* 1923 to his last poems written shortly before his death in 1955 George S. Lensing offers clear and detailed examination of Stevens's seasonal poetry including extensive

discussions of Autumn Refrain The Snow Man The World as Meditation and Credences of Summer Drawing upon a vast knowledge of the poet Lensing argues that Stevens's pastoral poetry of the seasons assuaged a profound and persistent personal loneliness An important scholarly assessment of a major twentieth century modernist Wallace Stevens and the Seasons also serves as an appealing introduction to Stevens **Wallace Stevens** Frank Doggett, 2020-03-03 Originally published in 1980 Wallace Stevens The Making of the Poem emphasizes the ideas that Wallace Stevens embeds in his poetry providing the first study to provide an intellectual biography of Stevens It examines Stevens naturalism his ideas of the self and the imagination among other topics The concepts that emerge from long reading of the poetry of Stevens are slight and basic but these concepts do accord even if they never emerge into a coherent philosophy The accordance is probably a result of Stevens preference for naturalistic thought **Wallace Stevens, New York, and Modernism** Lisa Goldfarb, Bart Eeckhout, 2012 This unique essay collection considers the impact of New York on the life and works of Wallace Stevens Stevens lived in New York from 1900 to 1916 working briefly as a journalist going to law school laboriously starting up a career as a lawyer getting engaged and married gradually mixing with local avant garde circles and eventually emerging as one of the most exciting and surprising voices in modern poetry Although he then left the city for a job in Hartford Stevens never saw himself as a Hartford poet and kept gravitating toward New York for nearly all things that mattered to him privately and poetically visits to galleries and museums theatrical and musical performances intellectual and artistic gatherings shopping sprees and gastronomical indulgences Recent criticism of the poet has sought to understand how Stevens interacted with the literary artistic and cultural forces of his time to forge his inimitable aesthetic with its peculiar mix of post romantic responses to nature and a metropolitan cosmopolitanism This volume deepens our understanding of the multiple ways in which New York and its various aesthetic attractions figured in Stevens life both at a biographical and poetic level *Wallace Stevens* James Longenbach, 1991 Opus Posthumous Wallace Stevens, 2011-05-04 When Opus Posthumous first appeared in 1957 it was an appropriate capstone to the career of one of the most important writers of the twentieth century It included many poems missing from Stevens's Collected Poems along with Stevens's characteristically inventive prose and pieces for the theater Now Milton J Bates the author of the acclaimed Wallace Stevens A Mythology of Self has edited and revised Opus Posthumous to correct the previous edition's errors and to incorporate material that has come to light since original publication A third of the poems and essays in this edition are new to the volume The resulting book is an invaluable literary document whose language and insights are fresh startling and eloquent **The Princeton University Library Chronicle** Lawrance Thompson, 1958 **Sur Plusieurs Beaux Subjects** Wallace Stevens, Henry E. Huntington Library and Art Gallery, 1989 Presents Stevens notebooks containing excerpts from his reading his comments and aphorisms **Wallace Stevens: The early years, 1879-1923** Joan Richardson, 1986 Stevens claimed that he never read other poets yet as this massive biography reveals he held imaginary dialogues with his favorite man poets Hardy and Plato

among them A successful insurance executive and man of letters he had a precarious sense of self and attempted in his verse to define an ideal self abstracted from his humdrum bourgeois world Combining psychobiography and criticism this first half of a two volume work argues that Stevens made his wife into a mother figure because he was unable to integrate the feminine into his psyche The poet comes across as demanding priggish miserly aloof but the real subject here is the process of his mind how his arresting images crystallized and how they amplified or concealed his inner self Richardson s dense wordy study rewards the patient reader No other book gets into the workings of Stevens s imagination so deeply The author a professor at City University of New York has uncovered fascinating material on Stevens s meeting with Dada artist Duchamp and his borrowings from commedia dell arte Publisher

Reviewing **Wallace Stevens Harmonium Princeton Library**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Wallace Stevens Harmonium Princeton Library**," an enthralling opus penned by a very acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
