Milkman, Kenneth W. Wanberg, Barbara A. Gagliardi, 2008-07-29 This guide offers female clients the best possible chance to get back on the road to recovery This guide uses female focused examples exercises role plays and content enhancements that pinpoint women's treatment issues It targets the biological psychological and social roots of female substance abuse and crime *Domestic Violence Treatment for Abusive Women* Ellen L. Bowen, 2011-02-14 Most therapists have experience with wives girlfriends and children of violent men never suspecting that domestic violence offenders can be women too In Domestic Violence Treatment for Abusive Women Bowen challenges us to re think our gender and violence constructs and guides clinicians through the emerging field of treatment of female abusers Unlike other books designed for male clients that may be adapted to women this book is specifically written for use with women with handouts and exercises created from the author's own clinical experience It is deliberately designed to give clinicians knowledge to deal with all aspects of female domestic violence from dealing with their first client to filling out paperwork correctly The first part of the book is dedicated to defining female violence and helping readers overcome pre existing gender stereotypes The second part provides a framework for everything a therapist needs in order to set up and facilitate a domestic violence treatment program for women As a whole Domestic Violence Treatment for Abusive Women helps the licensed mental health professional understand women's domestic violence and offers step by step direction for successful therapy Addiction and Pregnancy Laura M. Sanders, Barry R. Sherman, Chau Trinh, 1998-08-27 Pioneering evidence is presented in this book to support the effectiveness of peer counseling for substance abuse treatment of pregnant women and their families The introduction by Barry R Sherman describes his personal experience as a behavioral scientist doing work in a culture other

than his own A comprehensive overview of the crack epidemic and its impact on women is followed by an up to date account of acupuncture in addiction treatment The authors use the theory and principles of social learning to justify the peer counselor model known as SISTERS Chapters include discussions of conducting culturally competent research development and validation of the Abstinence Self Efficacy Scale ASES and the Traumatic Life Events TLE Inventory as well as the social support systems of drug dependent women Both quantitative and qualitative methods are used to evaluate program impact A urine toxicology index of sobriety as well as empirical measures of psychosocial functioning and client satisfaction demonstrate sufficient success and cost effectiveness of the program to warrant serious support by health care providers and insurance companies Evidence-Based Practice in the Field of Substance Abuse Katherine van Wormer, Bruce A. Thyer, 2010 Evidence Based Practice in Substance Abuse Treatment is a reader on evidence based practices in substance abuse treatment The book is built around a core of treatment interventions that were published in several well known journals on substance abuse treatment and research in social work practice The purpose of the reader is to collect and comment on various forms of treatment that have proven effectiveness and to demonstrate how they have been applied in practice In addition the editors will provide a bridge analysis across chapters and sections connecting key themes across chapters and they will provide a discussion in each chapter that describes why the intervention was chosen its significance and why it is believed to be noteworthy In addition each chapter will contain critical thinking questions and the book will contain a glossary of key terms
