Women Work Testament Bible Study:

Women and Work in the New Testament Theology of Work Project (Boston, Mass.), Theology of Work Project Inc, 2016 In the New Testament we find women engaged in all kinds of work and in many cases their issues are still issues for us today Reading about women and their work in the Bible shows us how to honor God and find joy in the midst of our work now When we turn to the first chapter of the Bible we watch God at work creating our cosmos and a world in which human beings can survive even thrive We may think of the Garden of Eden as some kind of leisure vacation setting but God placed the first man and woman in that garden to work together tilling it and caring for it Gen 2 15 18 Anyone who gardens knows that it takes constant work to maintain one even in Eden So from the beginning of time and throughout the Bible we see people at work many simply to survive Thus it comes as no surprise that women throughout the ages have always worked often alongside men sometimes alone but in harmony with the work that men were doing When we turn to the New Testament there we also find women engaged in all kinds of work For some it was the work of bearing and rearing children For others it was bringing aid to folks in need For still others it was as businesswomen engaged in profitable enterprises And for many it was in some form of ministry for Christ and his kingdom As you work through these studies of women at work two thousand years ago in the Middle East you ll find that while our lives today are radically different some things never change In many cases their issues are still issues for us today How they handled their work life may give us help in managing ours in ways that bring honor to God and joy to us in the midst of our work This Bible Study is part of The Bible and Your Work Study Series Each book contains Scripture references thought provoking questions and prayers to help you explore what the Bible says about work and apply it to your life in positive practical ways The lessons in each chapter are designed for thirty minute lunch breaks although they can be used in other formats as well

Women and Work in the Old Testament Theology of Work Project Inc, 2015-12 In every period in the life of God s people in the Old Testament women were called to step forward coming to the aid of helpless people When God determined to give Adam a mate in Genesis 2 he called her ezer knegdo a helper equal to the man But that word helper can trip us up if we think of the woman as a kind of assistant or as a plumber s apprentice An ezer helper has knowledge or skills needed by someone else and uses them to come to that person s aid This Bible study looks at individual ezer women in Israel s history women such as Rahab as convert Deborah as judge Ruth as provider Shiphrah and Puah as midwives Miriam as leader Abigail as intermediary Huldah as interpreter of God s law Esther as queen and Lady Wisdom of Proverbs as the sum of an ezer woman This Bible study is part of The Bible and Your Work Study Series Each guide contains Scripture references thought provoking questions and prayers to help you explore what the Bible says about work and apply it to your life in positive practical ways The lessons in each chapter are designed for thirty minute lunch breaks although they can be used in other formats as well

The Women's Lectionary Ashley M. Wilcox, 2021-08-31 Focusing on passages about women in the Bible and feminine imagery of God The Women s

Lectionaryreimagines the liturgical calendar of preaching for one year These women are daughters wives and mothers They are also strong leaders evil queens and wicked stepmothers They are disciples troublemakers and prophetesses Ashley Wilcox explores how the feminine descriptions of God in the Bible are similarly varied how does it change our understanding if God is feminine wisdom has wings or is an angry mother bear Discover this must have lectionary perfect for every female clergyperson or anyone seeking to incorporate more insights from a female perspective into their preaching From well known figures like Miriam and Mary to lesser known women like Huldah and Sapphira to feminine metaphors this comprehensive resource features more than one hundred commentary essays with an Old Testament and New Testament passage for each Sunday of the year and special holy days in the calendar *She Needs* Nay Dawson,2024-03-21 Many of us look as though we re fine And that s just how we prefer it especially if members of a church full of people doing fine Few of us want to stick out or be seen as disruptive So we re reluctant to volunteer concerns or difficulties The problem is then that leaders easily assume that all is well Which suits them fine They can carry on with their plans and strategies But how different this impression would be if they took time to find out what people honestly think Nay Dawson s book SHE NEEDS has done just this she has given women the space and safety to share their actual experiences of church life She never pushes a theological agenda nor does she claim to offer a programme for how to respond She merely wants us all to listen to what so many have felt This is not an easy book to read as a result But it is important As Mark Meynell Langham Partnership writes in his foreword I m sad this book had to be written But I am equally sure that it did Many people men as well as women will be very grateful to Nay for this helpful and challenging book *Women's Bible Commentary* Carol Ann Newsom,Sharon H.
