Womenpreneurs 21st Century Success Strategies:

Womenpreneurs Dorothy P. Moore, 2012 *Womenpreneurs 21st Century Success Strategies* will appeal to three groups of interested readers. The first consists of higher education faculty teaching courses in management entrepreneurship and women's studies and directors of professional development workshops interested in acquiring a supplemental readings book. The second consists of women in the workplace those contemplating entry parents who want to provide daughters with the best guidance as well as men and significant others who want those they love to have a safer navigational journey and recognize that the work environment they will enter is not a level playing field. The third group includes intrapreneurial and entrepreneurial women in all stages of personal and venture development. For these people the book will serve as a valuable resource and guide. Major themes in the book include the nature of the changing workplace the challenges of organizational life career strategies entrepreneurship home and family balance and tactics for navigating in a turbulent economic climate.

Research Handbook on Women in International Management Kate Hutchings, Snejina Michailova, 2014-03-28 The *Research Handbook on Women in International Management* is a carefully designed collection of contributions that provides a thorough and nuanced discussion of how women engage in international management. It also offers important insights into emergent **Understanding Women's Entrepreneurship in a Gendered Context** Shumaila Yousafzai, Alain Fayolle, Saadat Saeed, Colette Henry, Adam Lindgreen, 2021-05-13 Women entrepreneurs are indeed a formidable force of economic growth and social change though we still often question the how and why. For the readers who seek to understand the spectrum of gender influences in the context of entrepreneurship *Understanding Women's Entrepreneurship in a Gendered Context: Influences and Restraints* widens the contextual focus of women's entrepreneurship and entrepreneurship research by providing powerful insights into the influences and restraints within a diverse set of gendered contexts including social political institutional religious patriarchal cultural family and economic in which female entrepreneurs around the world operate their businesses. From recognition of a seventh century businesswoman in Mecca to the construction of a gendered scientific Business Model Canvas this collection of studies will inspire readers to think differently about theory patriarchy trade systems adoption or transformation and strategies to create inclusive entrepreneurial ecosystems. In doing so the contributing authors demonstrate not only the importance of studying the contexts in which women's entrepreneurial activities are shaped but also how female entrepreneurs through their endeavours modify these contexts. This book will be of great value to scholars students and researchers interested in women's entrepreneurship entrepreneurial ecosystems gender hierarchy and the transition to gender equality. It was originally published as a special issue of *Entrepreneurship Regional Development*. *De Gruyter Handbook of Women Entrepreneurs in Emerging Economies* Helle Neergaard, Maribel Guerrero, Breda Kenny, 2024-12-02 Whilst women owned businesses have a significant positive impact on poverty reduction and social exclusion we know far too little about women's entrepreneurship in an emerging economy context. This handbook

aims to fill that void by giving voice to women entrepreneurs who are far too often overlooked or even invisible The chapters offer varied perspectives on the challenges that women entrepreneurs in emerging markets experience foremost among these the lack of resources education and access to finance as well as gender related inequalities and the impact of social expectations The handbook portrays how despite these challenges women use creative and work around strategies to access resources build networks and grow their businesses De Gruyter Handbook of Women Entrepreneurs in Emerging Economies brings together contributions from leading experts in the field and is a must read for academic scholars and postgraduate students interested in gender and entrepreneurship diversity
