Womens Ministry In The Local Church:

Women's Ministry in the Local Church Ligon Duncan, Susan Hunt, 2006-01-17 Susan Hunt and Ligon Duncan walk through the Scriptures to help readers better understand what it means to have an effective biblical women's ministry in the church. The benefits of women's ministries are great training and discipling, evangelizing and reaching out to the poor and needy. This book, written by seasoned ministry leaders, provides many proven tools to help start a women's ministry in your church.

Word-Filled Women's Ministry Gloria Furman, Kathleen Nielson, 2015-07-15 The Bible is clear that women as well as men are created in God's image and intended to serve him with their lives. But what does this look like for women in the church? Helping church leaders think through what a Bible-centered women's ministry looks like, this collection of essays by respected Bible teachers and authors such as Gloria Furman, Nancy Guthrie, and Susan Hunt addresses a variety of topics relevant to women. Whether exploring the importance of intergenerational relationships, the Bible's teaching on sexuality, or women's roles in the church and the home, this book of wise teaching and practical instruction will become a must-have resource for anyone interested in bolstering the health and vitality of Christian women in the context of the local church.

Ministry to Women Kelly King, 2018 This resource provides a solid theological framework that will serve as a foundation for practical ministry. Covering various topics including discipleship, events, mentorship, communication, and crisis, this resource will challenge your status quo in women's ministry and platform your day-to-day administration as you lead women to walk more closely with Christ and serve Him in the local church.

Women's Ministry with Purpose Gena B. McCown, 2019-09-10 What Does God Expect from Women's Ministry? While women's ministry can easily get caught up in Bible study themes and Pinterest-worthy decor, God's heart calls for a ministry that is rooted in Him. In order to understand what women's ministry should look like today, Gena explores Scripture to establish what this ministry was meant to be and how women are called to minister to other women. Every church needs a team of women who serve in God's name. Women's Ministry with Purpose will show you how to rediscover the true purpose of your women's ministry and gain support from your church's leadership. More importantly, it will breathe new life into leaders and volunteers, giving you practical advice for organizing, training, and supporting the women around you.

Connecting Women Linda Lesniewski, 2007-11-01 Women's ministry today addresses the needs of women in all walks and stages of life. Drawing on her years of church staff experience, Linda Lesniewski describes the changing and varied needs of women and encourages Christian women to become involved in leadership. The book emphasizes the biblical foundation of women's ministry and explores the call of God to minister to women. Moving to more practical issues, it discusses leadership training, following church protocol, communication, and ways to make ministry fresh, creative, and vital. Whether a veteran looking for inspiration and new ideas or a person exploring God's direction in life, any woman can benefit from the wealth of information and inspiration found in *Connecting Women*.

The 21st Century has brought a new urgency for Christian women to search for meaningful relationships where they can live out their faith. This is due in part to our increasingly secular lifestyle and the radical changes in marriage and family life that have isolated and discouraged many women. *Women Mentoring Women* offers the solution to a chronic weakness in churches: the lack of involvement of wives, sisters, mothers, and daughters in vital women's ministries.
