Word Biblical Commentary Vol 51 1 2 3 John:

Insights on 1, 2 & 3 John, Jude Charles R. Swindoll, 2018-06-05 The four short letters of 1 3 John and Jude deliver powerful messages of correct living in a wrong world and are as relevant today as they were in the first century Written near the end of the John s life 1 John was meant to revive the faith love and hope of his readers and encourage them to renew an authentic contagious walk with Christ Like two siblings 2 and 3 John are letters with unique personalities but also some striking similarities each taking a unique approach to a single urgent message balance unconditional love with discerning truth Jude the brother of Jesus writes with a twofold purpose expose the false teachers that had infiltrated the Christian community and encourage the believers to stand firm in the faith and fight for it The 15 volume Swindoll s Living Insights New Testament Commentary series draws on Gold Medallion Award winner Chuck Swindoll s 50 years of experience in studying and preaching God s Word His deep insight signature easygoing style and humor bring a warmth and practical accessibility not often found in commentaries Each volume combines verse by verse commentary charts maps photos key terms and background articles with practical application The newly updated volumes now include parallel presentations of the NLT and NASB before each section This series is a must have for pastors teachers and anyone else who is seeking a deeply practical resource for exploring God s Word

1-3 John David L. Allen, 2013-06-30 This commentary on 1 3 John is a great resource for pastors and laypersons alike showing how John s letters lay out the foundational nature of truth and love in the context of the local church with teachings that overflow with theological depth and real world wisdom Part of the Preaching the Word series

The Message of Love: Understanding Sin and the Law Oddeth S. Burton, 2011-12-14 The book seeks to explore what is sin and the law It explains how the law was broken by Adam and had to be codified in the form of the Ten Commandments It started with sin in the angelic realm and then mankind It also explores man solution in the person of Jesus Christ and demonstrate God s love for mankind in the codified message of the Gospel of the Kingdom of God

NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion it is a commandment John doesn t want any believer to become like Adam and Eve s firstborn Cain That happened because Cain was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That s why death has no power over us And that s why if our thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That s why if we love God we will not be afraid of Him So how do we know that we love God s children We know it when we love God and we do what He

tells us to do **The Man of Sin** Kim Riddlebarger,2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it s also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study **Connecting with God's Family** Brett Eastman,Dee Eastman,Todd Wendorff,Denise Wendorff,Karen Lee-Thorp,2011-04-19 God longs for you to have rich genuine connections with him and a handful of other people These six sessions will help you connect more deeply with Jesus Christ and build genuine relationships with Christian friends Christ s love makes it possible for you to be known and to know others to be loved and to love to resolve conflict effectively and to move outward together in faith Doing Life Together is a groundbreaking study It s the first small group curriculum built completely on the purpose driven paradigm The greatest reason I m excited about it is that I ve seen the dramatic changes it produces in the lives of those who study it From the foreword by Rick Warren Based on the five biblical purposes that form the bedrock of Saddleback Church Doing Life Together will help your group discover what God created you for and how you can turn this dream into an everyday reality Experience the transformation firsthand as you begin Connecting Growing Developing Sharing and Surrendering your life together for him **The Faith That Saves** Fred Chay,John P. Correia,2012-08-21 Endorsements There is no more important issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the mind and the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical

Smalley,2020-11-16 The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley shift from the doctrine of God theology proper to the doctrine of humanity anthropology and the doctrine of Christ Christology This extensive reformed theology explores the Bible s teaching about who we are and why we were created as well as who Jesus is and why his divinity is essential to the Christian faith
