Study Guide to Accompany Business Law Jordan L. Paust, Robert D. Upp, John E. H. Sherry, 1984 **West's Business Law** Roger LeRoy Miller, Gaylord A. Jentz, Frank B. Cross, 2003 For those who wish to utilize a true black letter law case approach in their business law course, we are offering a unique comprehensive package to support this endeavor. Excerpted cases or cases in the language of the court are included at the end of each chapter and are longer than most business law texts in the market today. This unique case study methodology approach is supported by four main items: the textbook, online access to West Law cases, A Student's Guide to Case Analysis and Online Research, and a Case Analysis Guide for the Instructor. The Guide for the student helps them to understand how to do case briefings, how to analyze the cases and case problems, and how to do online research. The Guide for the instructor summarizes the cases and provides sample questions and answers for each case. Students are also able to go online to view the full case from Westlaw. *West's Business Law* Clarkson, 1997-09 This best-selling comprehensive book integrates excerpted, edited cases in a student-accessible format. All legal terms are defined when first introduced. To aid the reader in putting the cases in context and to address some of the AACSB requirements, most cases begin with either a Historical Setting or a Company Profile. This text meets all AACSB curriculum standards and addresses all business law topics covered on the CPA exam. Also for those that plan to take the CPA exam, there is an additional CPA supplement. To make it easier to pull together the wide array of supplements from which to select, we offer an Instructor's Course Planning Guide. This text is also available in an Interactive CD-ROM Edition. The CD-ROM can be used either as a stand-alone item or in conjunction with the text. Along with inclusion of the entire text, the CD-ROM includes many enhancements such as video/audio interactive learning labs, Internet access, full case presentations, interactive study guide, and a notebook function the students can use to make their own notes. *Study Guide for College Business Law* Reuben Robert Rosenberg, William G.
