*The Conjugate Method* Louie Simmons, 2022-03-22 Louie Simmons had an unwavering mission to demystify The Conjugate Method He wanted everyone to understand its value regardless of occupation or education level Therefore this book contains easily accessible and digestible information on the Conjugate Method and how it applies to strength training for a wide range of sports It is a perfect read for those who want to learn the basics before diving head first into the world of Westside Barbell and its training philosophies Why should you use this system The Conjugate System makes it possible to train all aspects of athletic movements It can be rotating large and small exercises volume intensities velocities or GPP aerobic and anaerobic capabilities It also covers all special strengths and endurances while the coach and athlete can work on sports specific preparation SSP to improve the cardiovascular system One of the most significant benefits is avoiding the Law of Accommodation The athlete experiences a decrease in all manner of training when they train with the same load of volume A reduction also occurs when the athlete trains at one intensity or trains using the same exercises over a long training cycle Accommodation can also take place during the competitive season when using the same program repetitively To see improvement one must almost adapt to training but never fully adapt While the Conjugate System was employed to advance the training efforts of highly skilled athletes the Westside Conjugate System was also introduced to its 12 and 14 year old athletes with phenomenal results But the system is most important to teach the highest degree of sports specific technique The technique must continuously be reinforced throughout the athlete s entire

career About the Author Louie Simmons owned Westside Barbell the strongest powerlifting gym globally with 140 all time world records He founded the enterprise in 1986 He is one of only four men to Total Elite in five weight classes with two hour weigh ins ranging from the 181 pound class to the 275 pound class Louie earned a Top Ten ranking for 34 years from 1971 to 2005 Louie is known for three week wave periodization He also is credited with establishing Combinations of Resistance Methods using bands and chains in conjunction with the barbell contrast methods and plyometrics while utilizing the Conjugate System

**The Powerlifting Manual** Dennis B. Weis,2021-12-30 Powerlifters are always looking for ways to improve their totals it is with this thought in mind that I have written this training manual The majority of this manual will deal exclusively with a very successful form of training The system is called Cycle Training The Enthusiasm Factor will be great in this system because the programs are constantly changing every six to eight weeks New goals of strength levels will be realized more frequently than is normally experienced in regular power lift schedules I have included many of the facets of the training and competitive aspects of the power lifts Additionally I am detailing the form and technique necessary for the three powerlifts The bulk of this manual is geared toward achieving desired results with as little complicated procedure as possible

**Explosive Strength Development for Jumping** Louis Simmons,2014-03-25 Explosive Strength Development for Jumping This is the latest book wrote by Louie Simmons It contains 280 pages of the most up to date knowledge on how to implement the Westside Barbell system of training to increase athletic performance The content within the book is packed full of athletic exercise Illustration s and it covers such topics as Special Exercises Sled Pulling Belt Squat Hamstring Development Strength Development Developing Dynamic Strength Medicine Ball Training General Physical Preparedness Jumping Volume and Exercises Flexibility And much much more

Off the Floor David Dellanave,2013-09-04 Off The Floor is the most comprehensive deadlift manual ever written which will give you the tools and knowledge to finally put pounds on your deadlift and pack muscle mass on your body Off The Floor was written by consummate deadlift coaching professional and world record holder David Dellanave to be the ultimate guide to the ultimate strength builder the deadlift In addition to being a comprehensive manual on the king of all lifts Off The Floor includes several deadlift strength programs including the renowned Off The Floor program Here are some of the secrets revealed in the program How the common mantra of core training is costing you pounds and risking your back health What type of deadlift will widen your back blow up your traps and give you erectors like tree trunks Not doing these lesser known variations is easily costing you 25 to 50 pounds on your best deadlift The truth about lifting straps and it s probably not what you expect it to be Deadlifting for high volumes the piece you re missing The one cheap thing you should add to your gym bag to nearly instantly give you jacked forearms The deadlift variation you least expect is the one most likely to help your back pain The weird looking deadlift that might be exactly what you need to unlock greater strength The key to perfect form that multiple world champion and freak of nature Dmitry Klokov knows and you think is wrong Why you must change your form when you progress from beginner to a more advanced

deadlifter How to deadlift more often and put on more muscle than you ever thought possible The manual is as comprehensive as they come and includes information on Biofeedback Training 101 Everything you need to know to start implementing Biofeedback Training for yourself You re going to learn how to use the most advanced piece of training technology on the planet to tell you how to train smarter Hint it s not a Tendo an OmegaWave or an iPhone with a gadget attached to it Deadlift Training Guide Lessons I ve learned on my quest to become a human crane and coaching hundreds of people along the way Beginner Section New to deadlifting or strength training in general This section will get you off on the right foot so you DON T make the mistakes I made when I was new Deadlift Exercise Library Every critical deadlift variation you need to know Think the deadlift is as simple as conventional or Romanian Think again These variants of the deadlift are the key to unlocking faster gains and unlimited progress The Off The Floor Program I m going to be honest in the end I want you to use Biofeedback Training to become the master of your own programming but before you re ready to do that you need a stopgap The Off The Floor program is going to outline exactly how to implement all the concepts I lay out in the book for maximum results Accessory Exercise Library I would sign up for a program that involved nothing but deadlifting but unfortunately you d be shortchanging your results Carefully chosen accessory lifts will round out your strength and speed up your deadlift progress Special Topics Section Want to know how to destroy the competition at your first or next meet Have a nagging weak spot in your pull Curious about the core controversy This section will finally answer these questions for you once and for all

**Kettlebell Conjugate V2** Douglas Seamans, 2021-08-23 This program is my brain child after completing Gregor s original conjugate program and wanting to write a program that was more long cycle specific and wanting to double the length of the program and add some volume I also wanted to add in some more strength and conditioning work All of the information in this program and it s design is the culmination of training under multiple coaches competing at three IUKL world championships and multiple national championships in America and Canada as well as European championships I am an advocate for learning from as many people as possible and this program uses information and methods learned from not only Gregor Sobocan but all of my coaches as well as methods and theories developed by Louie Simmons of Westside Barbell and a few tricks we developed at our gym Pride Conditioning I truly hope you enjoy this program and I am confident you will have fun with it This program is challenging but doable and it is great for intermediate and advanced lifters looking for a different format in their off season training ATTENTION If you do not know how to use a kettlebell how to squat how to deadlift how to do a clean and jerk on a barbell or with a kettlebell and if you have never competed in a kettlebell lifting competition this book is NOT for you This is not a how to lift kettlebells book this is a program for intermediate to advanced lifters And I highly recommend you complete Coach Gregor s original conjugate program first before attempting this program
