What Is The Divergent About:

Divergent Veronica Roth, 2011-05-03 This first book in Veronica Roth's 1 New York Times bestselling Divergent series of books is the novel that inspired the major motion picture starring Shailene Woodley, Theo James, and Kate Winslet. This dystopian series set in a futuristic Chicago has captured the hearts of millions of teen and adult readers. Perfect for fans of the Hunger Games and Maze Runner series, Divergent and its sequels Insurgent and Allegiant are the gripping story of a dystopian world transformed by courage, self-sacrifice, and love. Fans of the Divergent movie will find the book packed with just as much emotional depth and exhilarating action as the film, all told in beautiful, rich language. One choice can transform you. Beatrice Prior's society is divided into five factions: Candor, the honest; Abnegation, the selfless; Dauntless, the brave; Amity, the peaceful; and Erudite, the intelligent. Beatrice must choose between staying with her Abnegation family and transferring to a faction of her choice. Her choice will shock her community and herself. But the newly christened Tris also has a secret one she's determined to keep hidden because in this world, what makes you different makes you dangerous. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark*. [The Divergent Series Complete Collection](#)

Veronica Roth, 2013-10-22 All three books in the 1 New York Times bestselling Divergent series of books are available together in this digital collection. Divergent: One choice can transform you. Veronica Roth's 1 New York Times bestselling debut is a gripping dystopian tale of electrifying choices, powerful consequences, unexpected romance, and a deeply flawed, perfect society. Insurgent: One choice can destroy you. Veronica Roth's second 1 New York Times bestseller continues the dystopian thrill ride. As war surges in the factions all around her, Tris attempts to save those she loves and herself while grappling with haunting questions of grief and forgiveness, identity, and loyalty, politics, and love. Allegiant: The explosive conclusion to Veronica Roth's 1 New York Times bestselling Divergent trilogy reveals the secrets of the dystopian world that has captivated millions of readers. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark*.

Divergent Veronica Roth, 2015-12-31 The explosive debut by No. 1 New York Times bestselling author Veronica Roth. DIVERGENT, a major motion picture franchise. The first book in the DIVERGENT series that has swept the globe, selling millions of copies world-wide. In the world of Divergent, society is divided into five factions: Candor, Abnegation, Dauntless, Amity, and Erudite. Every year, all sixteen-year-olds must select the faction to which they will devote the rest of their lives. For Beatrice Prior, the decision is between staying with her family and being who she really is. Her choice shocks everyone, including herself. During the initiation that follows, Tris and her fellow initiates undergo extreme physical tests of endurance and intense psychological simulations with devastating consequences. As initiation transforms them, Tris must determine who her friends really are and whether she can trust the

man who both threatens and protects her Because Tris has a deadly secret And as growing conflict threatens to unravel their seemingly perfect society this secret might save those she loves or it might destroy her Debut author Veronica Roth bursts onto the scene with the first book in the Divergent trilogy dystopian thrillers filled with electrifying decisions heartbreaking betrayals stunning consequences and unexpected romance Divergent Veronica Roth,2014-02-11 In a future Chicago sixteen year old Beatrice Prior must choose among five predetermined factions to define her identity for the rest of her life a decision made more difficult when she discovers that she is an anomaly who does not fit into any one **Allegiant** Veronica Roth,2014-04-11 What if your whole world was a lie The thrillingly dark conclusion to the No 1 New York Times bestselling DIVERGENT trilogy now available in paperback DIVERGENT a major motion picture series What if a single revelation like a single choice changed everything What if love and loyalty made you do things you never expected The faction based society that Tris Prior once believed in is shattered fractured by violence and power struggles and scarred by loss and betrayal So when offered a chance to explore the world past the limits she's known Tris is ready Perhaps beyond the fence she and Tobias will find a simple new life together free from complicated lies tangled loyalties and painful memories But Tris's new reality is even more alarming than the one she left behind Old discoveries are quickly rendered meaningless Explosive new truths change the hearts of those she loves And once again Tris must battle to comprehend the complexities of human nature and of herself while facing impossible choices about courage allegiance sacrifice and love Told from a riveting dual perspective Allegiant by #1 New York Times best selling author Veronica Roth brings the Divergent series to a powerful conclusion while revealing the secrets of the dystopian world that has captivated millions of readers in Divergent and Insurgent What is Musical Creativity? how we learn but it is only in the last few years that education has become aware of these insights Part of the problem is a tendency amongst teachers to resist being told what works if it conflicts with intuition Whilst we cannot and should not relinquish our professional judgement in the face of outlandish claims we should at least be aware of what scientists have discovered about learning thinking motivation behaviour and assessment over the past few decades This though is far easier said than done Every year thousands of research papers are published some of which contradict each other How can busy teachers know which research is worth investing time in reading and understanding Here David Didau and Nick Rose attempt to lay out the evidence and theoretical perspectives on what they believe are the most important and useful psychological principles of which teachers ought to be aware That is not to say this book contains everything you might ever need to know there is no way it could it is merely a primer We hope that you are inspired to read and explore some of the sources for yourself and see what other principles can find a home in your classroom Some of what we present may be surprising some dubious but some in danger of being dismissed as blindingly obvious Before embracing or dismissing any of these principles we urge you to interrogate the evidence and think carefully about the advice we offer While nothing works everywhere and everything might work somewhere this is a guide to what we consider the best bets from the realm of psychology
