story I might throw some Woody Allen in there and a dash of Hunter S Thompson So says Frank Ferrante of his amazing journey from obesity and drug addiction to vibrant health and happiness At 54 years old Ferrante was the least likely candidate for a major personal transformation He weighed close to 300 pounds and suffered from a slew of issues that were his unhappy legacy as an ex junkie and ex alcoholic hepatitis C chronic fatigue joint pain respiratory issues depression suicidal thoughts and a libido that had gone into early retirement He thought that vegan was a planet wellness was not in his vocabulary and he couldn't be bothered with self help He was for those very reasons the best candidate for a major personal transformation One day he stumbled into Caf Gratitude a vegan raw food restaurant run by three 20 something hipsters Unbeknownst to him they'd been thinking about finding someone to put on a raw food diet and making a documentary that would be the polar opposite of Super Size Me Ferrante was looking for something anything to create a shift in his life As he says Like zillions of people I was hungry not so much for food but for love Never mind that he was old enough to be the boys father or that he'd ridiculed the New Age herd for years he accepted them pretty much on the spot as his new transformational cheerleaders With the young men's unexpected support and guidance Ferrante began a redemptive odyssey that included a plant based diet yoga and daily affirmations but then faced a battle for his life when his underlying addictions rose up to claim him May I Be Frank chronicles Ferrante's experience of being the subject of a physical mental and spiritual makeover and also describes what happened next post transformation he learned to love again [Magnetic Prosperity](#) Jenay Zapparelli, 2018-01-02 It is TIME to reclaim our Divine birthright to be PROSPERITY CONSCIOUS We each deserve to be abundant connected to wealth fortune favor by a default gear This book will show you how that is possible give you indispensable TOOLS Poverty Consciousness has been a streaming live active program running within the hearts minds of all the people who have thus been branded with the Status Quo's incessant propaganda since birth it is now time to BREAK THE CHAINS Have you ever felt like society's doctrines curriculums beliefs practices or programs have expired Religious dogma is outdated Pieces to a puzzle are missing Have you ever felt like God has some explaining to do Maybe like many others you have viewed life as just a big fat gooey pizza pie where we are all buried under the cheese scrambling to escape the steam so we're not gobbled up by vampires vultures thieves It's time to regain what may have been lost in the sauce remember who we are JoinTheConsciousRevolution In LOVE We Trust [Pandora's Box Is Burning](#) Jenay Zapparelli, 2021-12-21 There are two kinds of people in the world at the present juncture the dreaming the sheeple the shadow keepers crime injustice poverty illness disease pollution wildfires twisters death destruction disaster is all just the PURGING of a long lineage of UN grace if you will There is no other way to rid the planet of it than to draw it to the surface for release to be transmuted to light Any stuck pattern program must unearth in order to be gone for good Make sense THIS is what Pandora's Box is Burning means The future of our species depends on it The burning of Pandora's Box is the catalyst for Humanity's Final Frontier which is World Peace Ahimsa the law of the land becoming LOVE Hence the symbolic transformational feat of the rising phoenix

Toward a Phenomenology of Addiction:

Embodiment, Technology, Transcendence Frank Schalow,2017-10-11 This book addresses an epidemic that has developed on a global scale and which under the heading of addiction presents a new narrative about the travails of the human predicament The book introduces phenomenological motifs such as desire embodiment and temporality to uncover the existential roots of addiction and develops Martin Heidegger s insights into technology to uncover the challenge of becoming a self within the impulsiveness and depersonalization of our digital age By charting a new path of philosophical inquiry the book allows a pervasive cultural phenomenon ordinarily reserved to psychology to speak as a referendum about the danger which technology poses to us on a daily basis In this regard addiction ceases to be merely a clinical malady and instead becomes a signpost to exposing a hidden danger posed by the assimilation of our culture within a technological framework

I Have an Alcoholic Parent. Now What? Terry Teague Meyer,2014-12-15 Recognizing and understanding the behavior of an alcoholic parent as well as the impact it has on the child of an alcoholic are important first steps toward physical well being and emotional healing This resource provides detailed information about the kinds of behaviors to look for what constitutes an alcoholic beverage and how much drinking is considered too much Readers will find the tools they need to identify a drinking problem the support required to come to terms with an alcoholic person in their family and the resources that can help them and the entire family heal

Free Will, Responsibility, and Crime Ken M. Levy,2019-08-28 In his book philosopher and law professor Ken Levy explains why he agrees with most people but not with most other philosophers about free will and responsibility Most people believe that we have both that is that our choices decisions and actions are neither determined nor undetermined but rather fully self determined By contrast most philosophers understand just how difficult it is to defend this metaphysical libertarian position So they tend to opt for two other theories responsibility skepticism which denies the very possibility of free will and responsibility and compatibilism which reduces free will and responsibility to properties that are compatible with determinism In opposition to both of these theories Levy explains how free will and responsibility are indeed metaphysically possible But he also cautions against the dogma that metaphysical libertarianism is actually true a widespread belief that continues to cause serious social political and legal harms Levy s book presents a crisp tight historically informed discussion with fresh clarity insight and originality It will become one of the definitive resources for students academics and general readers in this critical intersection among metaphysics ethics and criminal law Key features Presents a unique qualified defense of metaphysical libertarianism the idea that our choices

decisions and actions can be fully self determined Written clearly accessibly and with minimal jargon rare for a book on the very difficult issues of free will and responsibility Seamlessly connects philosophical legal psychological and political issues Will be provocative and insightful for professional philosophers students and non philosophers **Addiction and Recovery:**

What Everyone Should Know Dr. Agyenim Akuamoah-Boateng "Dr. Boat",2020-06-23 Addiction and Recovery What Everyone Should Know By Dr Agyenim Akuamoah Boateng Dr Boat Addiction is a terrible disease and affects families loved ones friends and to some extent everyone in the community Addiction and Recovery What Everyone Should Know explains the basic understanding of addiction or drug and alcohol dependency and recovery process myths about addiction and recovery recovery process and expectations recovery and relapse prevention strategies and a road map for recovery This book is written not necessarily for individuals dealing with mental health and substance use disorders but for millions of people who are eager to understand this progressive disease of addiction It is important to know how to intervene what and when to say anything to ensure effective communication to help motivate and support individuals struggling with substance use disorders to quit without the consequences of making them angry and trigger cravings and usage It is my hope that this book will also help Behavioral Health Clinicians BHC especially new graduates and those with no history of alcohol and drug abuse and are intimidated and made ineffective in their substance abuse professional counseling practices by utterances from addicts such as How can you talk to me about drug abuse when you have never tried any illicit drugs or I will only listen to a person who has been there and done the drugs I m using As the adage goes you can t do right with a do wrong mind It is therefore incumbent upon every citizen to learn and acquire some basic knowledge about addiction and recovery as well as develop some basic communication skills to help communicate effectively with individuals and loved ones struggling with substance alcohol and drugs use disorders **The 12-Step Buddhist 10th Anniversary Edition** Darren

Littlejohn,2019-11-19 Rediscover the classic guide for recovery with this tenth anniversary edition that transcends genres by seamlessly integrating the 12 Step approach Buddhist principles and a compelling personal struggle with addiction and a quest for spiritual awakening Donald Altman author of Living Kindness The face of addiction and alcoholism is recognizable to many it may be a celebrity a colleague or even a loved one And though the 12 step program by itself can often bring initial success many addicts find themselves relapsing back into old ways and old patterns or replacing one addiction with another Working with the traditional 12 step philosophy Darren Littlejohn first shares his own journey and how he came to find the spiritual solace that has greatly enhanced his life in recovery Then he details out how his work integrating Buddhism into the traditional 12 step programs validates both aspects of the recovery process With accessible prose and in depth research he illustrates how each step such as admitting there is a problem seeking help engaging in a thorough self examination making amends for harm done and helping other addicts who want to recover fits into the Bodhisattva path This integration makes Buddhism accessible for addicts and the 12 steps understandable for Buddhists who may otherwise be at a loss to help those

in need The 12 Step Buddhist is designed to be a complimentary practice to the traditional 12 step journey not a replacement While traditional programs help addicts become sober by removing the drug of choice and providing a spiritual path they rarely delve deep into what causes people to suffer in the first place In this unique synthesis of the traditional 12 Step model and the liberating wisdom of Dharma Mandala Magazine addicts can truly find a deep spiritual liberation from all causes and conditions of suffering for good **Conscience in Recovery from Alcohol Addiction** Yordan Kalev Zhekov,2013-02-01
