

The background of the slide is a photograph of a rugged mountain peak. The sky is filled with warm, orange and yellow light, suggesting a sunset or sunrise. The mountain's surface is dark and textured, with some lighter patches of rock or snow visible on the left side.

Why? Why not? Why
not you? Why not now?

What If And Why Not What If And Why Not:

Matthew Henry *Commentary on the Whole Bible: Volume V-III - John Matthew Henry,* **The Death of Death in the Death of Christ** John Owen, 2017-10-12 Owen was a renowned theologian in his day and this work is a piece of theological brilliance in the reformed and protestant tradition The death of Christ had a wide range of implications on the fate of humanity and the cause of redemption that Christ came to give to us all This work goes over all the arguments that have been set up against the reality of Christ's death and Owen brilliantly rebukes these arguments and settles it all **Not on Fire, but Burning** Greg Hrbek, 2015-09-29 Twenty year old Skyler saw the incident out her window Some sort of metallic object hovering over the Golden Gate Bridge just before it collapsed and a mushroom cloud lifted above the city Like everyone she ran but she couldn't outrun the radiation with her last thoughts being of her beloved baby brother Dorian safe in her distant family home Flash forward to a post incident America where the country has been broken up into territories and Muslims have been herded onto the old Indian reservations in the west even though no one has determined who set off the explosion that destroyed San Francisco Twelve year old Dorian dreams about killing Muslims and about his sister even though Dorian's parents insist Skyler never existed Are they still shell shocked trying to put the past behind them or is something more sinister going on Meanwhile across the street Dorian's neighbor adopts a Muslim orphan from the territories It will set off a series of increasingly terrifying incidents that will lead to either tragedy or redemption for Dorian as he struggles to prove that his sister existed and was killed by a terrorist attack Not on Fire but Burning is unlike anything you've read before not exactly a thriller not exactly sci fi not exactly speculative fiction but rather a brilliant and absorbing adventure into the dark heart of an America that seems ripped from the headlines But just as powerfully it presents a captivating hero A young boy driven by love to seek the truth even if it means his deepest beliefs are wrong **How (Not) to Fall in Love** Lisa Brown Roberts, 2015-02-03 Seventeen year old Darcy Covington never had to worry about money or where her next shopping spree was coming from Even her dog ate gourmet Then one day Darcy's car is repossessed from the parking lot of her elite private school As her father's business hits the skids Dad didn't just skip town he bailed on his family Fortunately Darcy's uncle owns a thrift shop where she can hide out from the world There's also Lucas the wickedly hot fix it guy she can't stop crushing on even if she's not sure they'll ever get out of the friend zone But it's here among the colorful characters of her uncle's world that Darcy begins to see something more in herself if she has the courage to follow it
