The Bible Doesn't Say That Joel M. Hoffman, 2016-02-16 A witty and accessible look at Scripture that explores what the Bible meant before two millennia of mistranslations and misinterpretations Publishers Weekly starred review In this fascinating book acclaimed translator and biblical scholar Dr Joel M Hoffman walks the reader through dozens of mistranslations misconceptions and other misunderstandings about the Bible In forty short straightforward chapters he covers morality lifestyle theology and biblical imagery including The Bible doesn't call homosexuality a sin and doesn't advocate for the one man one woman model of the family that has been dubbed biblical The Bible's famous beat their swords into plowshares is matched by the militaristic beat your plowshares into swords The often cited New Testament quotation God so loved the world is a mistranslation as are the titles Son of Man and Son of God The Ten Commandments don't prohibit killing or coveting What does the Bible say about violence About the Rapture About keeping kosher About marriage and divorce Hoffman provides answers to all of these and more succinctly explaining how so many pivotal biblical answers came to be misunderstood What the Bible Says—and Doesn't Say—About Homosexuality John Teller, 2016-03-07 Have you ever wondered what the Bible has to say about homosexuality A growing number of Christians have come to believe that the Bible does not prohibit or condemn homosexual acts This book is intended to refute this fundamentally flawed view and to respond to one of its principal propagators the Rev Dr Mel White The Rev Mel White's What the Bible Says and Doesn't Say About Homosexuality is a treatise that argues that the Bible when correctly understood neither condemns nor prohibits homosexual relationships between loving committed same sex partners The apparent prohibitions of sodomy and other homosexual acts in the Old Testament are intended not as injunctions from God but as reflections of societal tastes and preferences Even if such prohibitions were based on Old Testament biblical laws Dr White argues such laws have no application or bearing on contemporary Christians who fall under the law of grace Dr White's treatise employs subtle twists of logic and misunderstandings of fundamental biblical principles in support of its conclusions His treatise is especially dangerous to readers having shallow biblical knowledge and who may not fully understand the extent and clarity of the Bible's prohibition on homosexual conduct At last there is now an answer to Dr White's treatise In this volume John Teller sets forth a systematic reply to each of Dr White's defenses of homosexuality John Teller thoroughly replies to refutes and rebuts each of Dr White's arguments on a detailed point by point basis The present volume is indispensable to the Christian studying human sexuality in light of biblical principles *Things We Couldn't Say* Jay Coles, 2021-09-21 From one of the brightest and most acclaimed new lights in YA fiction a fantastic new novel about a bi Black boy finding first love and facing the return of the mother who abandoned his preacher family when he was nine There's always been a hole in Gio's life Not because he's into both guys and girls Not because his father has some drinking issues Not because his friends are always bringing him their drama No the hole in Gio's life takes the shape of his birth mom who left Gio his brother and his father when Gio was nine

years old For eight years he never heard a word from her and now just as he s started to get his life together she s back It s hard for Gio to know what to do Can he forgive her like she wants to be forgiven Or should he tell her she lost her chance to be in his life Complicating things further Gio s started to hang out with David a new guy on the basketball team Are they friends More than friends At first Gio s not sure especially because he s not sure what he wants from anyone right now There are no easy answers to love whether it s family love or friend love or romantic love In *Things We Couldn t Say* Jay Coles acclaimed author of *Tyler Johnson Was Here* shows us a guy trying to navigate love in all its ambiguity hoping at the other end he ll be able to figure out who is and who he should be *Ideas and Movements That Shaped America* Michael Green, Scott L. Stabler, 2015-07-28 America was founded on bold ideas and beliefs This book examines the ideas and movements that shaped our nation presenting thorough accessible entries with sources that improve readers understanding of the American experience Presenting accessibly written information for general audiences as well as students and researchers this three volume work examines the evolution of American society and thought from the nation s beginnings to the 21st century It covers the seminal ideas and social movements that define who we are as Americans from the ideas that underpin the Bill of Rights to slavery the Civil Rights movement and the idea of gay rights even if U S citizens often strongly disagree on these topics Organized topically rather than chronologically this encyclopedia combines primary sources and secondary works or historical analyses with text describing the ideas and movements in question In addition each entry includes a list of suggestions for further reading that directs readers to supplementary sources of information The set s unique perspective serves to depict how American society has evolved from the nation s beginnings to the present revealing how Americans as a people have acted and responded to key ideas and movements [Bread for Believers](#) Curtis Hutson, 2000-08 **Craddock on the Craft of Preaching** Fred B Craddock, 2011-05-31 No one has had more impact and influence on the craft of preaching in the last several decades than Fred Craddock After his retirement from a distinguished teaching career he became free to share his wisdom with a wider audience without the burdens of academic responsibilities The lectures and workshops show an ever expanding scholarship beyond that of his published books This book has gathered the best of the best of these lectures workshops and offers them to preachers and students of preaching for critical reflection and increased effectiveness *God and Evolution? Science Meets Faith* Dr. Gerard M. Verschuuren, 2012-10-29 Meet the match made in heaven between religion and science as they harmoniously converge through exploring the Catholic view on God and evolution Author Dr Verschuuren a practicing Catholic and human geneticist challenges the black and white attitude toward matters of religion and science Through drawing upon religion philosophy and biology he reveals that science and religion answer different dimensions to the same fundamental question Where do we come from allowing for a compatible and desirable coexistence one that preserves and in fact intensifies God s splendor *The New Era of the 1920s* James S. Foundations of the World Christian Movement: A Larger Perspective, Reader, **In the Beginnings** Steven E. Dill, 2010-05-21 In the Beginnings is a defense of the biblical Gap Theory of Creation This theory once popular in the late 19th

and early to mid 20th centuries has been rejected by many modern day creationists as being without biblical or scientific support This book takes an in depth look at both science and the Bible Its purpose is to show how the Gap Theory better fits the scientific and biblical facts More importantly its main purpose is to reach out to unbelievers who think the Bible teaches things contrary to science True scientific facts and true Biblical truths do not contradict The basic assumption of the author is that God is smart enough and powerful enough and sovereign enough to make His Works and His Words agree Because God reveals His invisible attributes in His handiwork the author uses both God s Word and His work to share the Gospel of Jesus Christ Dr Steven Dill once a staunch evolutionist began investigating creationism after becoming aware of some scientific facts that seemed incompatible with his own beliefs Taking the position that truth will stand the test he began challenging even his own ideas about the origin of the universe His conclusion was that true scientific facts and true Biblical truths do not contradict and in this book he presents a new look at an old theory that preserves the integrity of both science and the Bible He earned his Bachelor s Degree in Biology in 1979 and his Doctorate of Veterinary Medicine in 1985 at the University of Missouri Columbia He is currently a practicing veterinarian in Jeffersontown Kentucky where he lives with his wife Linda and two dogs Samwise Gamgee and Rosie Cotton His two sons Tom and James have grown into fine young Christian men who make their parents proud

Everything You Ever Wanted to Know About the Bible But Didn't Know Who to Ask Floyd Hale, 2004-04-20 Floyd Hale s answers to Bible questions are not only edifying but delightful Hale has a common touch that communicates easily with his audience I also appreciate his including the occasional letter to the editor which lambastes him for some point of view I think this book makes a real contribution to the understanding of our Holy Scriptures John S Spong retired Bishop Episcopal Church Floyd Hale s thorough and competent use of contemporary biblical studies and historical criticism has often landed him in hot water with readers of a more conservative and fundamentalist persuasion here in America s Bible belt The combination of unorthodox theology and folksy style is provocative and insightful In the emotional heat of reaction some of his readers miss the subtle humor enjoyed by others The wit and wisdom of these articles are mixed with uncommon courage Not many pastors with Floyd s knowledge of the Bible are willing to risk the pain associated with sharing it in a public forum William B Lewis retired Bishop United Methodist Church This collection of Floyd Hale s newspaper columns The Bible Says should prove refreshing and stimulating not to mention informative to just about everybody John Killinger former President of the Mission for Biblical Literacy

You Are Not Going to Heaven (and why it doesn't matter) Wes Bergen, 2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don t Wes Bergen s aim is to cast a vision of the church beyond divine fire insurance Bergen s contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is

something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn't enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don't Now get to work helping salvation happen

Adams, 2022-11-15 Sometimes the deepest knowledge of God comes from those who had to trust in Him the most What does this book's title Can't See the Forest for the Trees imply A simple answer is The Forest is symbolic of God's Plan revealed in Bible scripture with all of its mystery to be understood and fulfilled with steadfast belief faith and trust in the power of the Holy Trinity God the Father Jesus Christ the Son and the Holy Spirit one for all all for one God's Plan is a work in progress nearing fulfillment The Trees are symbolic of obstacles like gullibility false teaching false prophecy false doctrine apostasy hate lying deceit evil love of money blind speculation and the like all of which are growing rampant in the United States The message reveals Spiritual Blindness as a curse that God has imposed upon His Church for their lack of true faith in Him not unlike the Israelites as they turn away from the New Covenant Law blindly accepting unsuspected guidance from Satan to employ worldly ways and promote apostasy By misguided faith some may be unprotected by the Armor of God and their failing to cultivate the Fruit of the Spirit makes matters worse The author is hopeful that his book will bring awareness of spiritual blindness to summon a repentant reaction for restoration of religious understanding and direction in line with God's real purpose **Col.
