THE GUIDE TO ANSWERING ISLAM Daniel Janosik, 2019-01-26 The average Christian knows somewhat how dangerous radical Islam is because of the regular media coverage of beheadings of Christians Jews and even young little children not to mention Muslims with which they disagree However the average Christian does not know their true beliefs just how many there are to the extent they will go to carry out these beliefs Daily we find Islamic commentators on the TV and radio offering up misleading information quoting certain portions of the Quran while leaving other parts out When considering Islamic beliefs other Islamic writings must be considered like the Hadith or Sunnah and the Shariah or canon law While Islam in general does not support radical Islam the vast majority do support radical beliefs For example beheadings stoning for adultery or homosexuality suicide bombings turning the world into an Islamic state and far too many other heinous things THE GUIDE TO ANSWERING ISLAM provides Christians with an overview of Islamic terminology The reader will learn about Muhammad's calling the history of the Quran how Islam expanded the death of Muhammad and the splinter groups that followed In addition the three sources of their teaching six pillars of belief five pillars of Islam the twelfth Imam and much more will be discussed While there are several books on Islam and radical Islam this will be the first that will prepare its readers to communicate effectively with Muslims in an effort toward sharing biblical truths THE GUIDE TO ISLAM will be an effective evangelism tool In addition each chapter will end with review questions helping the reader recall the main points of the chapter Therefore it can be studied alone or in a church Bible study setting THE GUIDE TO ANSWERING ISLAM has the contents constructed in a way that will greatly serve the Christian Church There are many recent books written by Christians about Islam and there are many books written recently about radical Islam However none of these recent books attempts to do what has been done which is to give an adequate portrayal of Islam critiqued by history and Christian doctrine and then culminating in an extensive evaluation of the rise of Radical Islam from a Christian's perspective

Anderson,2008-09 *What Every Christian Should Know about Islam* can be read profitably by the serious student or by anyone who just wants to get a basic handle on the religion founded by Muhammed almost 1400 years ago It is a distillation of the history and teachings of Islam written from a Christian perspective An entire chapter is devoted to answering the false claims one will commonly find on Islamic web sites Another chapter covers the subject of Islam and terrorism and that the utilization of it as a jihadist tactic comes out of the tradition and philosophy of the revolutionary Left rather than from the religion of Islam itself Some other less known facts one will discover in this book include the following Muhammed married one of his favorite wives when she was merely a child of about nine That the Sunni Shia division of Islam had its origin in a feud between two of Mecca s clans that dates from pre Islamic times The god of Islam Allah was originally the Lunar Deity of the pre Islamic pagan Arabs That Islam itself began as a Christian heresy Muslims originally faced Jerusalem and not Mecca while in prayer Mr Anderson studied Biblical languages at Life Pacific College in Los Angeles graduating with a BA degree in

1979 He also has AS degrees from Riverside Community College in Riverside California Following the terror attacks of September 11 2001 he determined to learn everything he could about Islam and the jihadist threat What Every Christian Should Know about Islam is a product of approximately 4 years of research Mr Anderson has taught the Bible Christian doctrine and apologetics for many years in various churches in Southern California s Inland Empire ISLAM: What Every Christian Should Know Doyle Hulse,2020-01-13 Does Islam pose a threat to Christianity Read and find out how and when the Muslim religion started Could Satan be behind Islam s creation Find that Islam is not the loving religion as many describe it to be Yes there are many who are not as radical as others However they all read the same Qur an What does the future hold for Christianity Rest assured that Christianity will prevail through these troubled times *What You Need to Know about Islam & Muslims* George W. Muslim: What You Need to Know About the World's Fastest Growing Religion Hank Hanegraaff,2017-10-10 Is Islam a peaceful and tolerant religion How did it get started World events are making it more timely important and necessary for every Christian to understand how the world s fastest growing religion will affect them and how to stand firm in the truth of Christ Renowned Bible Answer Man Hank Hanegraaff provides an in depth look at Islam For all the debate over Islam and its growing presence in the world one thing is often overlooked Islam is not a religion in the Western sense It s an all encompassing worldview opposed to anything but itself While there may be millions of peaceful and tolerant Muslims many of them our neighbors Islam itself is not peaceful and tolerant Islam is the only significant religious system in the history of the human race with a structure of laws that mandate violence against the infidel The current narrative is that to tell the truth in this regard will radicalize Muslims and worsen hostilities A common phrase you ve probably heard is that Islam is not our enemy As well intentioned as this mantra may be it is a dangerous stance once someone understands Islam in full Global Islamic jihadism is exacting mass

genocide on Christians in the East and multiplying terrorist attacks throughout the West Worse still Western governments academic institutions and media outlets seem bent on peddling a false narrative about what Islam truly is In Muslim you will Learn the history of Islam from the bloody career of the prophet Mohammed to the authoritarian Islamic law Examine how Islamic theology refutes the core Christian beliefs of original sin Jesus resurrection and more Discover specific Islamic teaching inciting violence to non Muslims and even governments opposing Islamic law Find solutions and encouragement for Christians to withstand this growing global threat The conflict between Islam and the West is not going to die down or fade away The Islamic doctrines upon which it is based will continue to cause conflict on an ever increasing scale With Muslim Christians can equip themselves and others to stand unwavering in the truth of Christ *The Islamic Inversion* Robert Sievers,2018-06-22 Any endeavor to lead Muslims to Christ comes with its own unique frustrations Attempts to get Muslims into Gods Word often seem to go nowhere Islam generates a steady stream of barricades and firewalls that systematically thwart efforts to share the good news of Jesus Christ Ironically enough the hidden opportunities to lead Muslims to Christ may actually be found in the very assaults Muslims make on core Christian doctrines Islamic theology conforms to a certain pattern of spiritual reversal when contrasted against sound Christian doctrine By recognizing these patterns Christians can find new ways to interact with Muslims in a manner that is nonconfrontational without denying the exclusivity and power of the gospel With prayer and love the follower of Christ may use these antiparallels or inversions to find a unique and peculiar avenue to share the good news with Muslims **ISLAM & THE QURAN** Edward D. inspiration Throughout the emphasis remains on speaking the truth with respect and patience toward Muslims This volume concludes by showing how believers can witness effectively to Muslims always upholding the Bible as God s complete inerrant revelation Here is both a thoughtful critique of Islam s foundational text and a testimony to the abiding power of biblical faith
