The SME Financing Gap (Vol. II) ,2007 A synthesis of the Conference discussions as well as selected papers on the credit and equity financing gaps as well as on private equity definitions and measurements

Supporting SME Participation in Research Framework Programmes European Commission. Directorate General for Research,2007 While the architects of the EU s Sixth Framework Programme FP6 were firmly committed to large scale research collaboration as the means to achieve

breakthrough results they also retained a strong awareness of the need to support the involvement of SMEs As well as allocating substantial funds for SME specific measures the European Commission made a considerable effort to encourage

across the board participation of the smaller enterprises that are seen as dynamic drivers of competitiveness and job creation in Europe Despite this some problems still remained unresolved These were addressed by special actions introduced during the lifetime of FP6 resulting in an increase in SME requests for funding The experience gained offered some useful lessons which have been applied to good effect in making FP7 even more SMEfriendly The thematic priorities have been reviewed the ceiling percentage of EU support raised and the financial risk for small businesses reduced A more adaptable approach to the framing of thematic strategies is foreseen and there is greater scope for flexibility in the structuring of the various support mechanisms
