Notes:

- 1. Your tablet might come with another type of ThinkPad Tablet AC Adapter.
- 2. You can restore the content of your tablet storage to the factory default state. For 32GB models, use the USB recovery key. For other models, use the preinstalled recovery application provided by Microsoft®. The "Recovery overview" topic in the User Guide provides information about using these recovery features. See "Accessing your User Guide" for instructions on opening the electronic User Guide provided on your tablet.

Locating controls

Accessing your User Guide

Your User Guide contains detailed information about your tablet. To access your User Guide, use one of the following methods:

- 1. Tap the User Guide icon on the tablet's home screen and follow the instructions on the screen.
- 2. Tap the User Guide icon on the Start screen. Then tap the User Guide.
- 3. Open Windows Help and Support. Then tap Lenovo User Guide.

Read before using your tablet

The following sections provide critical safety and regulatory information for the tablet computer and describe in detail its various electronic features and the publications developed for your tablet.

Read first — regulatory information

Computer models equipped with wireless capabilities comply with the radio frequency and safety standards of the country or region in which it has been approved for wireless use. In addition, if your product contains a wireless module, it complies with the requirements for operation in the frequency band(s) in your country.

We want to keep the Regulatory Notice for your country or region current, using the wireless standards developed in other regions. To obtain a copy, contact your local Regulatory Notice for the "Obtaining regulatory notices" topic.

Downloading publications

Electronic versions of our computer publications are available from the Lenovo® Support site only. To download the publications for your computer, go to <http://www.lenovo.com/ThinkPadUserGuides> and follow the instructions on the screen.

Service and Support Information

The following information describes the technical support that is available for your product during the warranty period of the product for life of your product. Refer to the Lenovo Limited Warranty for a full

explanation of certain warranty terms. See "Lenovo Limited Warranty notice" later in this document for details on accessing the full warranty.

Online technical support

Online technical support is available during the lifetime of a product at <http://www.lenovo.com/support>.

Telephone technical support

You can get help and information from the Customer Support Center for telephone. Before contacting customer technical support

representatives, please have the following information available: model and serial number, the exact wording of any error message, and a description of the problem.

Your technical support representative might need to ask you through the problem while you are at your computer during the call.
