incident sites or work behind the scenes to dispatch equipment and resources that are necessary to facilitate the clearance. They also handle communication documentation and track the incident for safety compliance thereby contributing to quick clearance needs. While the TRSCP was developed specifically for the towing and recovery industry, the program is open to all qualified candidates in other associated fields that meet the requirements. If you are an agency dispatcher in law enforcement, 911, TIM, Department of Transportation, DOT, etc., we hope this program will enhance your understanding of the equipment, resources, and logistics necessary for an efficient towing and recovery response and thereby increase interdisciplinary communication. If you are a non-agency party that may be present at an incident scene such as Public Information Officers, PIO, media, fleet, safety directors, and insurance adjusters, we hope this will expand your knowledge base of incident management and quick clearance. These materials are intended for educational purposes only.
