Warren Buffett Invests Like a Girl Louann Lofton,2011-06-21 Learn how to create a more profitable portfolio by thinking like a girl and Warren Buffett with the help of this Wall Street Journal bestselling guide At last The Motley Fool his on the real secret to success that dozens of other books on Warren Buffett have overlooked temperament Women have it men need it Both can dramatically improve their investment returns with much less work and worry simply by reading this witty well researched road map Daniel H Pink author of Drive and A Whole New Mind Investing isn t a man s world anymore and that s a good thing for individual portfolios Wall Street and the world s financial system Warren Buffett and the women of the world have one thing in common they are better investors than the average man Psychologists and scientists have shown that women have the kind of temperaments that help them achieve long term success in the market For instance women spend more time researching their investment choices and tend to take less risks than men do which prevents them from chasing hot tips and trading on whims And women aren t as susceptible to peer pressure as men are which results in a more levelheaded patient approach to investing This book shows that women with their patience and good decision making epitomize the Foolish temperament of the most successful investor in the world It will empower and educate women and the men smart enough to embrace a feminine investing style on how to strengthen their portfolios and find success in the market Entertaining The idea of using Mr Buffett as the symbol for her investing approach is effective New York Times A refreshingly new approach to understanding Buffett LouAnn Lofton convincingly argues that both men and women can improve their stock returns by studying how women and Buffett have been more successful in investing Prem C Jain author of Buffett Beyond Value

The Oxford Handbook of Professional Economic Ethics George DeMartino,Deirdre N. McCloskey,2016 This volume brings together leading figures in economics professional ethics and other relevant fields to explore questions related to the nature of ethical economic practice and the adoption and content of professional economic ethics It explores current thinking that has emerged in these areas while widening substantially the terrain of inquiry into economic ethics There has never been a volume that poses so directly and intensively the question of the need for and content of professional ethics for economics The Handbook

incorporates the work of a wide array of scholars including economists from various theoretical traditions economists from academia economists from other fields where practicing economists have a large social impact and professional ethicists from fields that have addressed the nature of professionalism and its implications for ethical practice

Economic Stories For Undergrads Annavajhula J. C. Bose, 2022-05-10 Economics is the strangest and most dubious as also frustrating animal of social sciences and humanities The debate on what it is and what its strengths and weaknesses are in understanding and changing the economy and society for the better is never ending This book cuts through this noise for econ undergrads with social concerns It is crafted to be stuffed with peripatetic hops skips and intellectual and emotional jumps about the nature and character of the brain circuits of economics in terms of its methodological political sociological anthropological historical feminist ethical ecological spiritual literary technical corporate and other underpinnings Diverse stories are told as alerts or nudges for the undergrads who as aspirant youth have in general hyperbolic discounting attitude towards social change The mind and heart of the undergrad reading this book will hopefully be ignited so as to endeavour to find out the purpose of economic education and how economics should be learnt in order to rectify the failures of our current socio economic system The seriously academic undergrad may also be inspired to pursue the long range objective of doing integrated studies and research for maximised understanding and holistic policy making which is of course easier to say than do
