Holy Spirit: God of Order Scott Aniol, Charismatic theology of the Holy Spirit has infected most of evangelicalism in ways we don t often recognize One of the primary reasons for this is a neglect in clear teaching about who the Holy Spirit is and what we should expect his normal work to be according to the Word of God The remedy to this problem then is to clearly articulate what the Bible tells us will be the Holy Spirit s normal work This book is not a book on the doctrine of the Holy Spirit generally but rather a focused consideration of the Holy Spirit s work in history Scott Aniol progresses through each major category of the Holy Spirit s activities in Scripture assessing their role and helping you to discern that we should

expect the Spirit to normally work today in ways that bring order and completion to the plan and people of God Scott Aniol PhD is Executive Vice President and Editor in chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary He also serves as an elder of Pray s Mill Baptist Church in Douglasville GA *Journal of Biblical and Theological Studies, Issue 3.1* Daniel S. MacArthur 2-in-1 John F. MacArthur, 2014-10-28 The Truth War Right now Truth is under attack and much is at stake Christians are caught in the crossfire of alternative Christian histories emerging faulty texts and a cultural push to eliminate absolute Truth altogether As a result many churches and Christians have been deceived Worse still they propagate the deception that poses itself as Truth In The Truth War John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal immovable promises that are found in His Word

Strange Fire What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars In Strange Fire bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement He lays out a chilling case for rejecting its false prophets speaking out against their errors showing true reverence to the Holy Spirit and above all clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested

As With One Voice Paul Kershaw, 2015-02-22 As With One Voice explores what God reveals to us in the Bible about the purpose of singing together in church and then proposes how change may happen in order to fulfil what God is asking of us as He achieves His eternal purposes for His creation

Dickard, 2022-01-13 Church Together is a Christian leadership book designed to give pastors church leaders and church members a working plan to overcome the greatest underlying threat to the church today individualism through five relationships of surrender which correlate to the five core values of the Church of We

Part One examines the three rotten fruits of individualism within the Church of Me consumerism pragmatism and the extremes of legalism and liberalism and how to spot each of these problems

Part Two offers a solution on what it will take for churches to make a healthy transition from the Church of Me to the Church of We
