Inscribing Jingju/Peking Opera David Rolston, 2021-08-09 What was the most influential mass medium in China before the internet Jingju Peking opera Although its actors were commonly thought to have been illiterate written and other inscribed versions of plays became more and more important and varied This book shows how increasing textualization and the resulting fixation of a performance tradition that once privileged improvisation changed the genre It traces from Jingju's birth in the 19th century to the present how texts were used for the production and consumption of this important performance genre and the changes in the concepts of authorship copyright and performance rights that took place during the process The state's desire to police what was performed is shown to have been a major factor in these changes The scope and coverage of the book is already unprecedented but it is also supplemented by an additional chapter on where the plays were performed who performed them and who went to see them available for download online

Legends of Dynasty, THREE KINGDOMS Vol. 3 WeiDong Chen, 2025-06-22 With Dong Zhuo gone and a weakened Emperor Xian in exile a power vacuum has opened in the lands ruled by the Han Dynasty Before long Cao Cao Yuan Shao and Lv Bu are jockeying for position in the race to rule the nation Provinces will change hands allegiances will shift and the law of the land will change in ways no one could have imagined Cao Cao understands something

that the others fail to grasp Even though the Han Dynasty has little real power the perception of imperial power among the people remains very strong because at the end of the day everyone understands that they are subjects of the dynasty That s what drives Cao Cao s decision to come to the aid of the exiled emperor now that Cao Cao has amassed tremendous power and an enormous army all he needs to become the most powerful man in China is the perception of authority Allying himself with the emperor will not only endear him to the people it will make it easier for him to manipulate the other lords into fighting one another thus ridding Cao Cao of enemies and clearing the way for him to eventually inherit the throne
