THE FOUNDATIONS OF JUST WAR THEORY

War And Individual Rights The Foundations Of Just War Theory

Marcus Schulzke

War And Individual Rights The Foundations Of Just War Theory:

War and Individual Rights Kai Draper, 2015-10-01 The book begins with the assumption that even in war individual rights demand respect Drawing from the insights of John Locke and other thinkers in the natural rights tradition Draper reaches the conclusion that despite the moral obstacles posed from respecting such rights sometimes war is justified Throughout the chapters he develops and defends a framework of rights to serve as the foundation for a new just war theory

War and Individual Rights Kai Draper, 2016 Kai Draper begins his book with the assumption that individual rights exist and stand as moral obstacles to the pursuit of national no less than personal interests That assumption might seem to demand a pacifist rejection of war for any sustained war effort requires military operations that predictably kill many noncombatants as collateral damage and presumably at least most noncombatants have a right not to be killed Yet Draper ends with the conclusion that sometimes recourse to war is justified In making his argument he relies on the insights of John Locke to develop and defend a framework of rights to serve as the foundation for a new just war theory Notably missing from that framework is any doctrine of double effect Most just war theorists rely on that doctrine to justify injuring and killing innocent bystanders but Draper argues that various prominent formulations of the doctrine are either untenable or irrelevant to the ethics of war Ultimately he offers a single principle for assessing whether recourse to war would be justified He also explores in some detail the issue of how to distinguish discriminate from indiscriminate violence in war arguing that some but not all noncombatants are liable to attack

Realist Ethics Valerie Morkevičius, 2018-01-25 Just war thinking and realism are commonly presumed to be in opposition If realists are seen as war mongering pragmatists just war thinkers are seen as naïve at best and pacifistic at worst Just war thought is imagined as speaking truth to power forcing realist decision makers to abide by moral limits governing the ends and means of the use of force Realist Ethics argues that this oversimplification is not only wrong but dangerous Casting just war thought to be the alternative to realism makes just war thinking out to be what it is not and cannot be a mechanism for avoiding war A careful examination of the evolution of just war thinking in the Christian Islamic and Hindu traditions shows that it is no stranger to pragmatic politics From its origins just war thought has not aimed to curtail violence but rather to shape the morally imaginable uses of force deeming some of them necessary and even obligatory Morkevičius proposes here a radical recasting of the relationship between just war thinking and realism

New Interventionist Just War Theory Jordy Rocheleau, 2021-11-22 This book offers a systematic critique of recent interventionist just war theories which have made the recourse to force easier to justify The work argues that these theories including neo traditionalist prerogatives to national leaders and a cosmopolitan human rights paradigm offer criteria for war that are insufficient in principle and dangerous in practice Drawing on a plurality of moral considerations the book recommends a modified legalist national defense paradigm which includes an atrocity threshold for humanitarian intervention and a legitimate authorization requirement The plausibility of this restrictive framework is applied to case

studies including the long wars in Iraq and Afghanistan ongoing targeted killing and possible interventions in Syria and elsewhere Various arguments which seek to loosen the criteria for war are also systematically analyzed and criticized This book will be of much interest to students of just war theory military history ethics political philosophy and international relations

The Morality of the Laws of War Marcela Prieto Rudolph, 2023-05-04 Combatants are equal under the laws of armed conflict regardless of whether the wars they fight are just or unjust legal or illegal They are permissible targets and can kill each other in battle This basic feature of international law has been recently put into question by a group of moral philosophers known as revisionists who argue that just combatants in an unjust war should be considered innocents and their deaths considered murder Dr Prieto Rudolph explains and assesses the conflict between the revisionist argument and the existing legal norms in *The Morality of the Laws of War* War Law and Murder The book provides an in depth assessment of modern ethical thought on killing in wartime deconstructing the revisionist view of war and offering a new perspective on the legal equality of combatants Prieto Rudolph not only examines the tension between the revisionist morality and the traditional thesis of symmetry between combatants but proposes a contingent justification of the latter and an alternative morality of war Underlying both is the inescapable fact that regulating war is always a moral compromise At the same time she argues that there is urgent moral pressure to improve our laws to bring them closer to an ideal whereby war does not exist *The Morality of the Laws of War* is a must read for scholars of moral philosophy and international law from students to experts providing a thorough account of contemporary debates on the ethics of warfare and using nuanced arguments to illuminate a fresh perspective

The Nature of Peace and the Morality of Armed Conflict Florian Demont-Biaggi, 2017-10-24 This book explores topical issues in military ethics by according peace a central role within an interdisciplinary framework Whilst war and peace have traditionally been viewed through the lens of philosophical enquiry political issues and theological ideas as well as common sense have also influenced people's understanding of armed conflicts with regards to both the moral issues they raise and the policies and actions they require Comprised of fourteen essays on the role and application of peace the book places emphasis on its philosophical moral theological technological and practical implications Starting with an overview of Kantian perspectives on peace it moves to discussions of the Just War debates religious conceptualizations of peace and the role of peace in modern war technology and cyber security Finally concluding with discussions of the psychological and medical impacts of war and peace on both the individual and the larger society this collection offers a contribution to the field and will be of interest to a wide audience Chapters 4 6 and 10 of this book are available open access under a CC BY 4.0 license at link.springer.com

Global Poverty, Injustice, and Resistance Gwilym David Blunt, 2020 Argues that the poor have the right to resist causes of poverty examining illegal immigration social movements and political violence

Current Issues in Computing and Philosophy Adam Brigg, Katinka Waelbers, Philip A. E. Brey, 2008 The theme of this volume is the multi faceted computational turn that is occurring through the interaction of the disciplines of philosophy and

computing In computer and information sciences there are significant conceptual and methodological questions that require reflection and analysis Moreover digital information and communication technologies have had tremendous impact on society which raises further philosophical questions This book tries to facilitate the task to continuously work to ensure that its diversity of perspectives and methods proves a source of strength and collaboration rather than a source of instability and disintegration The first three contributions explore the phenomenon of virtual worlds The next four focus on robots and artificial agents Then a group of chapters discusses the relation between human mentality and information processing in computers and the final section covers a broad range of issues at the interface of computers and society

Just War Theory and Civilian Casualties Marcus Schulzke, 2017-08-10 There are strong moral and legal pressures against harming civilians in times of conflict yet neither just war theory nor international law is clear about what responsibilities belligerents have to correct harm once it has been inflicted In this book Marcus Schulzke argues that military powers have a duty to provide assistance to the civilians they attack during wars and that this duty is entailed by civilians right to life Schulzke develops new just war principles requiring belligerents to provide medical treatment and financial compensation to civilian victims and then shows how these principles can be implemented in governmental military and international practice He calls for a more individual focused conception of international law and post war justice for victims as opposed to current state or group based reconstruction and reparation programs which will provide a framework for protecting civilian rights

Political Violence Panu-Matti Pöykkö, Pamela Slotte Russo, Viljami Salo, 2024-11-18 This volume brings together scholars from intellectual history social sciences philosophy and theology to evaluate central questions concerning political violence and aggression This multidisciplinary collection of essays critically investigates forms and modes of justification of political violence from historical and contemporary perspectives especially within the context of the development of the idea of Europe and modern European identity What is meant by political violence and aggression When and under which conditions is it justified Who has the right to exercise it and against whom Answers differ depending on various factors such as pre established ends available resources and possibilities of action historical and socio economic context the ideological political and religious theological background of the actors The volume pays special attention to a how the above questions have been addressed and answered political philosophical and theological thought and b what kind of ideological currents and historical events lay at the background of such considerations

War And Individual Rights The Foundations Of Just War Theory Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the War And Individual Rights The Foundations Of Just War Theory full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of War And Individual Rights The Foundations Of Just War Theory eBooks, including some popular titles.

FAQs About War And Individual Rights The Foundations Of Just War Theory Books

What is a War And Individual Rights The Foundations Of Just War Theory PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a War And Individual Rights The Foundations Of Just War Theory PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a War And Individual Rights The Foundations Of Just War Theory PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a War And Individual Rights The Foundations Of Just War Theory PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a War And Individual Rights The Foundations Of Just War Theory PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions

when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
