## **Way Of The Ancient Healer Way Of The Ancient Healer:**

**Way of the Ancient Healer** Virgil Mayor Apostol, 2012-06-12 The first ever comprehensive introduction to traditional Filipino healing practices featuring rare photographs and insights into the roots and modern day rituals of this ancient shamanic and spiritual belief system brilliantly blends the art and science of the sacred teachings of Filipino traditional healing to help people find their path toward health and happiness Deepak Chopra Way of the Ancient Healer provides an overview of the rich tradition of Filipino healing practices discussing their origins world influences and role in daily life Enhanced with over 200 photographs and illustrations the book combines years of historical research with detailed descriptions of the spiritual belief system that forms the foundation of these practices Giving readers a rare look at modern day Filipino healing rituals the book also includes personal examples from author Virgil Mayor Apostol s own experiences with shamanic healing and dream interpretation The book begins with an explanation of Apostol s Filipino lineage and legacy as a healer After a brief history of the Philippine archipelago he describes the roots of traditional Filipino healing and spirituality and discusses the Indian Islamic Chinese Japanese Spanish and American influences that have impacted the Filipino culture He presents a thorough description of Filipino shamanic and spiritual practices that have developed from the concept that everything in nature contains a spirit animism and that living in the presence of spirits demands certain protocols and rituals for interacting with them The book s final chapter thoughtfully explores the spiritual tools used in Filipino healing talismans amulets stones and other natural symbols of power

*So You Want To be A Healer?* Billy Roberts, 2012-06-29 This book is the perfect handbook for all aspiring healers containing easy to follow exercises and meditations to help cultivate the healing skills The book explores the scientific as well as the metaphysical facts with a detailed analysis of the different types of healing methods ranging from magnetic and pranic healing to spiritual and mental healing Through antiquity gifted individuals have administered healing to the sick from the Biblical accounts of Jesus to the more radical practises of Rasputin the so called Mad Monk Why do some people possess that certain something that they are able to impart to others What is personal magnetism and why is that a powerful healing force Apart from the exercises to help with the development of healing skill *So You Want To Be A Healer* analyses the actual process with a detailed look at the chakra system and the subtle anatomy Eastern masters used the term Prana to describe all energy in the universe this book explains how this energy may be harnessed to be used to heal others at a great distance

**The Way of the Wise** J.T. Sibley, 2015-11-12 Today we worry about Mad Cow Disease AIDS Alzheimers and other prolonged onset ailments But back in the good old days folks worried about infected cuts and slashes internal diseases parasites and a whole variety of ailments which are perfectly treatable or preventable by means of modern medicine Folks rarely lived long enough to suffer from a long slow disease heck just staying alive to see one s fortieth birthday was considered a feat Even as late as the 19th century medicine was pretty medieval to our way of looking at it There were no wonder drugs no X ray or CAT scans no hospitals as

we know them today and spotty training of medical professionals The dentist was feared and quack nostrums were sold by the case by traveling snake oil salesmen Many of those nostrums contained relatively innocuous ingredients but some were downright dangerous especially those incorporating psychoactive alkaloids heavy metals or raw isotopes Mercury or radium were primary ingredients in some quack medicinal cures even into the early 20th century And in rural areas the old magic medicine was still practiced by generations of folks who passed on these traditions and lore to their students and or children Much of the material presented in this volume has already been documented and published in the Norwegian language by scholars and folklorists such as Ingjald Reichborn Kjennerud Nils Lid Hjalmar Falk Olav B O A H eg Per Holck Odd Nordland Chr Bang and A Steen among others There has been a growing interest in folklore folk medicine and the old ways in recent years and this volume is an attempt to present a part of this lore to the English speaking audience **The SAGE**

**Encyclopedia of Filipina/x/o American Studies** Kevin Leo Yabut Nadal, Allyson Tintiangco-Cubales, E.J.R.

David, 2022-11-03 Filipino Americans are one of the three largest Asian American groups in the United States and the second largest immigrant population in the country Yet within the field of Asian American Studies Filipino American history and culture have received comparatively less attention than have other ethnic groups Over the past twenty years however Filipino American scholars across various disciplines have published numerous books and research articles as a way of addressing their unique concerns and experiences as an ethnic group The SAGE Encyclopedia of Filipina x o American Studies the first on the topic of Filipino American Studies offers a comprehensive survey of an emerging field focusing on the Filipino diaspora in the United States as well as highlighting issues facing immigrant groups in general It covers a broad range of topics and disciplines including activism and education arts and humanities health history and historical figures immigration psychology regional trends and sociology and social issues *Babaylan Sing Back* Grace Nono, 2021-11-15

*Babaylan Sing Back* depicts the embodied voices of Native Philippine ritual specialists popularly known as babaylan These ritual specialists are widely believed to have perished during colonial times or to survive on the margins in the present day They are either persecuted as witches and purveyors of superstition or valorized as symbols of gender equality and anticolonial resistance Drawing on fieldwork in the Philippines and in the Philippine diaspora Grace Nono's deep engagement with the song and speech of a number of living ritual specialists demonstrates Native historical agency in the 500th year anniversary of the contact between the people of the Philippine Islands and the European colonizers **What We've**

**Decolonial Underground Pedagogy** Noah Romero, 2024-08-08 This book explores how minority led skateboarding punk rock and unschooling communities engage in collective efforts to humanize education and construct kinder social frameworks Noah Romero examines the roles of informal and community embedded learning in actualizing transformative education and shows how decolonizing education can take place outside of school settings Grounded in the author s own experience in minority led Filipino subcultures the book introduces a conceptual framework of subcultural learning and decolonizing education centred on the Philippines and its diaspora in Australia New Zealand and the United States Romero argues that educational paradigms with peace human rights multiculturalism social justice and decolonization at the centre can extend beyond the classroom curriculum and teaching and into communities By showing how minoritized people are redefining identity and knowledge through embodied community responsive pedagogies the book contributes to wider debates on Indigeneity gender justice human rights peace studies and decolonizing education

*Decoding Orinoco Shamans* Federico Cook, 2024-01-05 This book is a tribute to the shamans of the Orinoco those men who learned to bow to nature by using the multiple facets of the human mind It is also the expression of a blood debt of more than five hundred years for where many saw only charlatanism and deception there was an elaborate tradition of wisdom far ahead of its time which vanished forever as a result of the violence that followed the discovery of America

**Life in Year One** Scott Korb, 2010-03-18 For anyone who s ever pondered what everyday life was like during the time of Jesus comes a lively and illuminating portrait of the nearly unknown world of daily life in first century Palestine What was it like to live during the time of Jesus Where did people live Who did they marry And what was family life like How did people survive These are just some of the questions that Scott Korb answers in this engaging new book which explores what everyday life entailed two thousand years ago in first century Palestine that tumultuous era when the Roman Empire was at its zenith and a new religion Christianity was born Culling information from primary sources scholarly research and his own travels and observations Korb explores the nitty gritty of real life back then from how people fed

housed and groomed themselves to how they kept themselves healthy He guides the contemporary reader through the maze of customs and traditions that dictated life under the numerous groups tribes and peoples in the eastern Mediterranean that Rome governed two thousand years ago and he illuminates the intriguing details of marriage family life health and a host of other aspects of first century life The result is a book for everyone from the armchair traveler to the amateur historian With surprising revelations about politics and medicine crime and personal hygiene this book is smart and accessible popular history at its very best
