Paul Von Ward

The Soul Genome Science And Reincarnation Paperback Unabridged March 15 2008:

The Soul Genome Paul Von Ward, 2008 Much thought provoking evidence suggests that the way you look think react to life events and interact with other people may be predisposed by the experiences of one or more human beings who lived in the past Even if you don't know who they were you may find what appears to be their soulprints in the person you are today and the manner in which you live The Soul Genome Science and Reincarnation explores these ideas focusing on verifiable information that can be tested by objective means The detailed robust case studies presented here not only suggest that reincarnation is more than just a metaphysical concept but also indicate that it is a valid subject of scientific inquiry
