

10 Writing Things That Have Saved My Creative Soul (and Sanity)

↳ ***If your character's arc isn't making you slightly emotional or existential, it's probably not finished.*** If they start and end the story the same person, that's not a character arc—it's a flatline. Make them squirm, learn, lose, grow. Bonus points if they make you question your own moral compass in the process.

↳ ***Worldbuilding is not a license to drown your reader in lore like it's Game of Thrones on steroids.*** If you have to write a wiki page to understand your own plot, fine...but that doesn't mean your reader has to read it. Give us breadcrumbs, not a 12-course feast on page one.

↳ ***If the theme of your story can't be summed up in one slightly aggressive sticky note, you're probably overcomplicating it.***
(*"This book is about choosing yourself even when no one else does"*—boom, theme. Now go make your characters suffer for it.)

↳ ***You will hate your manuscript somewhere between 30k and 50k words. That's your cue to keep going, not quit.*** It's like the literary version of hitting mile 18 in a marathon. Everything hurts, but that means you're doing it right.

↳ ***That "genius idea" you had at 2 a.m.? Save it. Write it down. But don't drop everything for it.*** New ideas are seductive chaos demons. Your current project deserves monogamy... at least until the second draft.

↳ ***A character's greatest fear is a shortcut to their heart.*** Forget favorite color or coffee order...what keeps them up at night? What would destroy them if it came true?

↳ ***If you don't know how to end your story, figure out what question it's been asking the whole time.*** Once you know the question, the ending becomes the answer. Maybe not a *happy* answer, but a satisfying one.

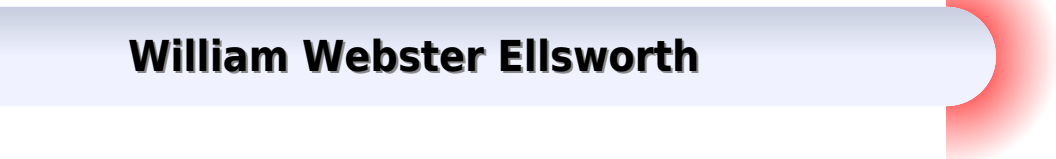

↳ ***No one's going to write your weird little story the way you will.*** That's your superpower. So go ahead and write the morally gray necromancer love triangle in space. Your people are out there. And they're hungry for it.

↳ ***You are allowed to be a slow writer. You are allowed to be a fast writer. You are not allowed to be a cruel writer—to yourself.*** The world will criticize your art for free. Don't do their job for them inside your own head.

↳ ***Some stories just aren't meant to be novels. And that's okay.*** Maybe it's a short story. A play. A fever dream disguised as a poem. The shape doesn't matter. The story does. Let it tell you what it wants to be.

of yourself said Maya Angelou there are only three more things you need as a writer something to say the ability to say it and perhaps most difficult of all the courage to say it Equal parts memoir guidebook and spiritual quest Writing Creativity and Soul is a pilgrimage and a touchstone a journey into the transformational force of the imagination and the creative genius that lies in the unconscious

Creative Writing William Webster Ellsworth,1929 **The Writer's Passage** Horst Kornberger,2008 The Writer's Passage is a journey through time in which writers engage with all the vital stages in the history of world literature In this course of thirty five lessons millennia of human experience is turned by way of the alchemy of story into fuel for new creative writing The journey begins in the childhood of language in nursery rhyme fable and fairy tale and then turns to the powerful myths of creation Myths bestow a powerful charge simply to hear them can be salutary To engage with them through creative writing intensifies the experience exponentially bringing them fully alive with opportunities for creative growth After that the course travels through historic time following the trade routes of culture from ancient India to the twenty first century Through depth encounters with the work of Sappho and Socrates Shakespeare and Ginsberg students enter the lives of the poets and join in their projects The shift of perspective demanded by the exercises in this book is in itself deeply liberating The scope of the soul is enlarged merely by trying on the soul skin of a different time culture and personality to serenely reformulate the eightfold path of the Buddha or passionately hurl oneself into the battle fury of the Viking to tangle with the verbal eroticism of Sappho or the righteous passion of the prophets To become the pure Parzival of the medieval epics and then the devil in Goethe's Faust is an unmatched gymnastic for the creative soul In this approach rarely does the student of creative writing have difficulty producing work On the contrary many find that any existing blocks dissolve To engage with this journey is an act of integration an artistic initiation into the vitality of literature and the manifold ways of being human In this way the work also serves as a course in personal development undertaken through the medium of writing The Soul Tells a Story Vinita Hampton Wright,2005-03-30 Vinita Hampton Wright leads you through the process and practice of integrating the worlds of Christian spirituality and creativity Creative Juices for Writers Cynthia Beach,2022-01-05 In Creative Juices for Writers fiction and nonfiction writers will find effective how tos for habits and craft packaged in snackable content This supplemental book will energize writers who want to deepen story craft and improve their writing process Longtime creative writing professor writer and coach Cynthia Beach shows how to care for creativity and creative wounds manage an effective writing game plan and master showing and craft tools Brief explanations examples and exercises offer strategic support for improving writing **Creative Writing** David Starkey,2021-09-01 Creative Writing
