Francisco, Corey D. Maas, Steven P. Mueller, 2007-03-01 *Theologia et Apologia* gathers together eighteen essays written by a wide range of scholars on Reformation theology and its defense Orthodox theology grounded in the Scriptures calls humanity to believe This same theology must also be presented and defended to a world that has often not attended to its vital message Collectively these essays teach and defend the biblical theology articulated during the Reformation and still today They address topics including the inspiration canon and interpretation of Scripture Reformation era developments classic and modern apologetics and other topics This helpful book honoring Rod Rosenblatt a notable theologian and apologist is a welcome addition to the library of any thinking Christian *The Writer and the Cross* Darren J.N. Middleton, 2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children's book about St Irenaeus of Lyons a novel about Martin Luther's Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction **95 Theses for a New Reformation** Aaron Hebbard, 2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating

family or address the downward spiraling culture with a prophetic voice 95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today s pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ s beloved bride the church And let us prepare ourselves to respond with urgency to God s call to action by reforming the church family and culture Contributors include John Frame John MacArthur R C Sproul Peter J Leithart and James White **Being Shaped by Freedom** Brett James

Muhlhan,2012-10-24 Did Luther get Christian freedom right The answer to this question contains two elements What is Luther s understanding of Christian freedom How did his understanding stand up under the pressure of reformation Muhlhan examines both of these elements and contends that the sublime beauty of Luther s early understanding of Christian freedom an understanding that empowered the German reformation is consistently the same understanding he used to undermine papal heteronomy and refute radical legalism The relational character cruciform substance and complex structure of Luther s concept of freedom enabled him to speak both polemically and catechetically with a clear and authoritative communicative clarity that reinvoked the magnificence of Christ and him crucified for sinners The impact both positive and negative of Luther s appraisal of Christian freedom finds its focus of impact in the small world of Wittenberg in the sixteenth century yet resonated throughout the church of his day as a powerful theologically laden response to legalism and antinomianism Therefore in light of this impact and its correlation to biblical freedom Muhlhan contents that we can confidently affirm that Luther did indeed get Christian freedom right and that he did not fail to live by the implications of this radical theology *A Place to Stand* Gene Edward Veith (Jr.),David J. Vaughan,2005 New entry in the Leaders In Action Series Offers a spiritual biography of Martin Luther **They Need Not Go Away** Timothy A. Rippstein,2020-05-29 Have you ever wondered how the Lord sustained Martin Luther through one of the most personally and spiritually intense times in the history of Christendom And does God still do this today The answer is yes They Need Not Go Away is a practical book identifying and teaching modern day Millennials and Gen Zers about Lutheran spirituality It offers prayer practices designed and applied by Martin Luther the Reformer for modern families individuals adults and teenagers These spiritual practices are also applied to the modern Christian To support these practices and the Lutheran contribution to Christian spirituality this volume traces the influences of Martin Luther s piety from pre Reformation influencers to Dr Luther as he navigated the tremendous social cultural and ecclesiastical pressures of his time His spirituality is then traced through the next generations of Orthodoxy and Pietism identifying the shifts away from the affective aspects of Lutheran spirituality and elevation of the academic and more cognitive characteristics received in the twentieth century The goal is to recapture the wholistic spirituality including the cognitive affective and experiential features These are still useful in the hands of the Lord for today s believers **Hearing**

God's Words Peter Adam, 2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this New Studies in Biblical Theology volume **Christless Christianity** Michael Horton, 2008-11-01 Is it possible that we have left Christ out of Christianity Is the faith and practice of American Christians today more American than Christian These are the provocative questions Michael Horton addresses in this thoughtful insightful book He argues that while we invoke the name of Christ too often Christ and the Christ centered gospel are pushed aside The result is a message and a faith that are in Horton s words trivial sentimental affirming and irrelevant This alternative gospel is a message of moralism personal comfort self help self improvement and individualistic religion It trivializes God making him a means to our selfish ends Horton skillfully diagnoses the problem and points to the solution a return to the unadulterated gospel of salvation Film, Philosophy and Religion William H. U. Anderson, 2022-01-04 Hollywood is a 40 billion annual business one that is highly influential in culture If we want to know who we are as individuals and a society what we believe and what we value we need to know and understand Hollywood and film Make no mistake Hollywood is neither philosophically politically nor morally neutral Many studies demonstrate how movies affect us long before we have thought it through In other words Hollywood smuggles all kinds of ideas into our minds and hearts without us even knowing it While Hollywood may be the biggest and most influential in the world this book will demonstrate the growing international influence of film from India Bollywood Nigeria Nollywood Zimbabwe Zollywood and Yesil am Turkey Film Philosophy and Religion explicitly and implicitly takes a philosophical approach to analyzing film theoretically and methodologically There are topic and film specific chapters that take a theological approach and others that explore ideas like Affect Axiology Art Reflecting the Artist and Transcendence Spirituality of Film Hermeneutics also have a central role in the book including films based on biblical texts that act as interpretations of these texts and fill in the blanks albeit speculatively by way of script and directors Chapters also explore the philosophy of aesthetics and film realism which end with theology while other chapters explore the incompatibility of science with religion as well as a chapter on the timely topic of rape in Turkish film The book s scope goes from the Horror of Evil in Ridley Scott s Alien Universe to Love Can Thaw a Frozen Heart The Philosophy of Love in the Frozen Films Disney Princess Narratives This book represents international films and scholars The diverse perspectives from theist to atheist and everything in between are sure to spark thinking and generate talking points that provide something for everyone in an accessible format It will be of great interest to university students and professors scholars seminaries and the general public **The Accidental Lutheran** Nancy A. Almodovar, 2019-07-26 After years in the Reformed church Nancy began to hunger for something more Then snowmageddon hit in Idaho and Nancy and her husband Bobby were looking for a church they could attend closer to home God providentially directed them to Faith Lutheran where they soon found that their beliefs regarding the Lord s Supper aligned more closely

and they were soon to find out that baptism really does save This is their journey out of the Dutch Reformed understanding and into Lutheran theology **Beyond Indulgences** Anna Marie Johnson,2017-11-01 Between Luther's Ninety Five Theses in 1517 and his excommunication from the church in 1520 he issued twenty five sermons and treatises on Christian piety most of them in German These pastoral writings extended his criticisms of the church beyond indulgences to the practices of confession prayer clerical celibacy the sacraments suffering and death These were the issues that mattered most to Luther because they affected the faith of believers and the health of society Luther's conflict with Rome forced him to address the issue of papal authority but on his own time he focused on encouraging lay Christians to embrace a simpler self sacrificing faith In these pastoral writings he criticized theologians and church officials for leading people astray with a reliance on religious works and he began to lay the foundation for a reformed Christian piety *Called To Defend* Valerie Thur (Locklair),2018-03-13 Why do you believe what you believe Aren't you arrogant for thinking that you're right and everyone else is wrong Isn't Christianity just a bunch of mythology These questions won't wait until high school They won't wait until college and they definitely won't wait until you decide you're ready to answer them The world into which you were born is a world at war The Enemy won't wait until you're ready before he attacks but thankfully neither did your Savior The battle for your soul is complete and now the Spirit calls you to be a vessel through which He touches a bleeding world *Called to Defend* provides middle school students with an interdisciplinary introduction to defending the faith Using subjects of mathematics computer science history and creative writing students will be taught to defend the faith courageously humbly and respectfully Is it possible to be unapologetically Lutheran and a staunch apologist even at a young age In Christ the answer is a resounding yes as the Holy Spirit calls sanctifies and enlightens us to believe confess and defend the faith to a world at war

Great Commission, Great Confusion, or Great Confession? Lucas V. Woodford,2012-04-26 There is a great debate going on in the church today It centers on one question What is the mission of the church From culturally relevant emerging congregations to strategic methods of organization and outreach many claim they have the answer They say the mission must become missional Yet the churches of North America continue to struggle Uncertainty is growing What does it really mean to be missional Competing claims abound Get the message out Get the message right Great confusion has set in particularly in the postmodern North American church The Gospel is getting lost Yet throughout the ages the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle The Apostles Creed has steadied and stayed the mission of the church for centuries It centers on the Gospel of Jesus Christ and the work of the Holy Spirit the communion of saints the forgiveness of sins the resurrection of the body and the life everlasting This book celebrates the historic mission of the Holy Christian Church and it invites the North American church to do the same **Human Rights and Ethics: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources,2014-09-30 In today's increasingly interconnected and global society the protection of basic liberties is an important consideration in public policy

Tranvik,2016-04-01 One of the hallmarks of Luthers theology was its concern for daily life In the midst of debates about justification and salvation church authority and the Lords Supper he bore a deep concern for daily Christian life In this refreshing book Mark D Tranvik looks at the importance of vocation in Luthers own life and in doing so discovers renewed insights into this important doctrine Vocation the called life is a way of understanding that all of life is under the care and interest of God All of our activities as a spouse parent child worker citizen and church member are a part of a called life Tranvik begins the book with a clear exposition of Luthers context with a focus on how the reformer actually lived out his own calling He rapidly moves into the contemporary sphere drawing on twenty years of teaching and interaction with undergraduate students to outline how a renewed understanding of vocation is a powerful and liberating tool for life in the twenty first century **A Tale of Two Churches** Troy D. Ehlke,2012-03-20 A Tale of Two Churches examines the complexities of resurrecting a congregation postmortem While conflict is a natural occurrence in all communities it can lead to organizational implosion The warning signs become blaring sirens when mistrust goes viral rumors escalate uncontrolled and the people discontinue their participation Pastor Ehlke attempts to generate new life in the corpse of a dying church through means of spiritual transformation Using the Scripture as a guidepost for reform the pastor starts a small group designed for the sole purpose of loving the people Trusting this will spark a revolution of compassion the leadership embarks on breathing new life into a community declared all but dead by many in observance Having worked at St John Lutheran Church in Winter Park perhaps this paradigm will breathe life into other faith communities who are staring into the darkness of death The Younger Evangelicals Robert E. Webber,2002-10-01 Robert E Webber has led worship workshops in every major city in the United States and Canada Through his conversations and contacts with a network of emerging church leaders he calls the younger evangelicals Webber sees how this new generation and their style of leadership is bringing change and renewal to the evangelical church These leaders who include those young in spirit as well as young in age have important insights to offer all generations faced with doing church in a rapidly changing postmodern culture The Younger Evangelicals explores the characteristics of these emerging leaders and provides an outlet for their stories Beginning with a brief overview of twentieth century evangelicalism Webber examines what is different about the twenty first century younger evangelicals way of thinking about faith and practicing church He allows them Ph D s and laypeople to speak in their own words on issues such as communication theology apologetics pastoral leadership evangelism worship and spiritual formation
