*What Was the Star of Bethlehem? (Classic Reprint)* Stansbury Hagar, 2016-10-01 Excerpt from What Was the Star of Bethlehem What was the Star of Bethlehem Must we accept the popular View that it was a miraculous light which first appeared in the heavens at the moment of Christ s birth advanced before the Magii as they journeyed to his cradle stood still above that sacred spot and then disappeared forever Whatever may be its meaning certainly no other story of the heavens has aroused such interest in Christendom and therefore none so much requires explanation Even many to whom the miraculous has lost its appeal seem to cling to this star story more or less unconscious of its Supernatural elements perhaps because of its poetic beauty But to those who seek the real significance Of the star the writer wishes to present a novel interpretation which he hopes will not be found lacking in idealic beauty and grandeur This interpreta tion is not associated with any system of theology although it Will be shown that it can itself be explained as the reader prefers in accord with orthodoxy liberal religion or scepticism Whatever viewpoint be adopted the result will not accord with the Sunday school scholar s definition of an allegory as a heavenly story with no earthly meaning And if the reader will recognize that the value and truth of the teach ings of a great Master of spiritual law are independent of the literal truth of the incidents attached to his life nothing herein will antagonize him or her The interpretation is based upon astronomy not the modern scientific astronomy of the telescope spectroscope and camera but the astronomy of the period of naked eye observation when every camel driver of the desert caravans and every shepherd in the fields watched in awe the mysterious lights of the night sky and the priests studied the heavens in ceaseless search for every secret that the unaided eye could reach And then the imagination of the Orient took the knowledge thus acquired and wove it into poetic legends of the sky true in basic mean ing but veiled in imagery It is this poetic symbolism of astronomy which we must seek to understand a symbolism elementary in the Oriental mindbut foreign to the modern Occidental habit of thought We have interpreted the Star of Bethlehem literally in harmony with our viewpoint really to understand it we must interpret it from the viewpoint of the time and place to which it refers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
