The Strategic Dividend Investor

Daniel Peris

The Strategic Dividend Investor:

The Strategic Dividend Investor Daniel Peris, 2011-04-22 TIRED OF THE STOCK MARKET S UPS AND DOWNS Get off the Wall Street roller coaster with strategic dividend investing There s a big difference between investing in the stock market and investing in companies through the stock market The Strategic Dividend Investor shows you why over the long run investing in companies with high and rising distributions is far superior to playing the market Responsible for 4 5 billion in dividend anchored portfolios Daniel Peris demonstrates that for most investors buying a stock in the hope of making a quick buck by selling it in a few weeks or months is far from the best way to create wealth Instead you should use the stock market as a means of receiving a share of excess profits dividends from corporations in which you own stock Over time those payments and the growth of those payments represent the vast majority of stock market returns The Strategic Dividend Investor outlines the key issues you need to address in order to create a solid dividend portfolio including how to View the stock market as a business venture rather than as a platform for speculation Strike the right balance between current yield and dividend growth Learn to assess the ability and inclination of a company to pay and increase its dividends over time The real key to mastering the stock market is to take the stock out of the equation and treat your outlay as you would any other business investment with an eye to the long term and to cash returns By contrast the buy low sell high repeat frequently philosophy foisted on the investing public has been wrecking portfolios on Main Street for decades all the while generating big profits for Wall Street But after a decade of mediocre returns from the stock market highlighted by two dramatic crashes now is the time to refocus your portfolio on dividends and The Strategic Dividend Investor will show you how Praise for The Strategic Dividend Investor Peris is way out in front of the Wall Street pack His book makes a case for dividend driven investing that no one in this back to basics era should ignore Josh Peters Editor The Morningstar Dividend Investor Peris is a leading portfolio manager in the dividend investing space and his results and insights add tremendous value to any portfolio Whether you re an individual investor or an institution portfolio manager The Strategic Dividend Investor is an absolute must read in this challenging market environment Don Dion President Dion Money Management and Editor The Fidelity Independent Adviser In this lively and persuasive polemic Daniel Peris forcefully reminds us what equity investing is really all about SHOW ME THE MONEY Ian Kennedy former Director of Research Cambridge Associates Makes the strongest cases I ve ever seen for relentlessly investing in dividend stocks and funds that own them Kiplinger s [The Ownership Dividend](#) Daniel Peris, 2024-01-31 We are on the verge of a major paradigm shift for investors in the U S stock market Dividend focused stock investing has been receding in popularity for more than three decades in the U S once the dominant investment style it is now a boutique approach That is about to change The Ownership Dividend explains how and why the stock market drifted away from a mostly cash based returns system to one almost completely driven by near term share price movements It details why the exceptional forces behind that shift notably the 40 year drop in interest rates and the rise of

buybacks are now substantially exhausted As a result the U S market is poised for a return to the more typical business like relationships observed in the private sector and in other mature markets around the world While many market participants have profited from and become used to the way things have been in recent decades savvy individual investors financial advisors and even institutional portfolio managers will want to position themselves to benefit from the reversion to cash based investment relationships in the years ahead This is a must read book for financial advisors institutional consultants as well as engaged individual investors

The Dividend Imperative: How Dividends Can Narrow the Gap between Main Street and Wall Street Daniel Peris, 2013-04-05 IF YOU RE INVESTED IN THE FUTURE OF THE STOCK MARKET THIS IS YOUR

WAKE UP CALL You ve seen the markets swing from bubble to scandal and back again You ve watched the divide between Wall Street and Main Street grow larger each year You ve wished there was a strategic approach to investing that strengthened portfolios benefited companies and bolstered the economy as well The answer according to business investor Daniel Peris is simple You need to focus on dividends Investors need to demand bigger dividends and U S corporations need to pay out more of their profits as dividends This is THE DIVIDEND IMPERATIVE A powerful new call to action for investors and corporate leaders by the acclaimed author of *The Strategic Dividend Investor* Peris makes a compelling case that investors and companies need to focus more on dividends which have accounted for the lion s share of stock market returns John Heinzl Toronto Globe Mail All investors and corporate leaders can benefit from Peris s simple insight J Christopher

Donahue CEO Federated Investors **Your Ever Growing Income: The Rising Yield on Investments** Henry Mah, 1900

This is the Canadian Edition Are you tired of trying to Beat the Market or paying some else to manage your investments which don t seem to be going anywhere Let me teach you a simpler method of investing one that makes sense is easy to implement and one where you ll earn a growing income whether the market is going up or down I ll provide you with a method of stock evaluation that identifies quality income growth stocks and show you how to build an investment portfolio easily and without worrying about the market You won t be constantly looking for new stocks to buy worrying when stock prices fall or trying to decide when to sell You ll learn to ignore the market fluctuations and the value of your portfolio and you won t have to wait until the end of the year to see if your investment strategy is working Your income growth will be updated each month or quarter Yes investing can be that easy Don t play their game of trying to out guess the market play yours With this book we are not going to play their price game Certainly the goal is to purchase stocks but we ll change the game so that it works to your benefit by providing you with results that are measured not by price or the direction of the market but with you having greater control over your returns where you will be able to see those returns grow We re not going to play their game of needing to beat the market rather we ll play our own game with our own rules ignoring the market altogether

The 7% Solution John H. Graves, 2012-04 You CAN afford a comfortable retirement If you enjoy working in your garden in your kitchen or in your garage you will enjoy managing your retirement portfolio *The Strategic*

ETF Investor: How to Make Money with Exchange Traded Funds Scott Frush, 2012-06-11 Construct a winning portfolio with ETFs one of the lowest risk highest profit investment vehicles today The Strategic ETF Investor shows you how to design and manage a solid profitable portfolio using ETFs as a core holding You ll master the critical skills of asset allocation and portfolio rebalancing and learn how to capture high returns under any market condition without exposing yourself to unacceptable risk Scott Paul Frush CFA CFP MBA is an investment advisor with the Frush Financial Group of Lincoln Financial Advisors where he engineers constructs and manages highly diversified low cost tax efficient ETF portfolios

The Many Futures of a Decision Jay Lampert, 2018-06-28 Combining two a central topics in philosophy in the 20th Century this book considers the ethics and impact of decision making alongside the philosophy of time When we make simple decisions like the decision to wake up at 8 a m tomorrow we make use of a linear model of the future But when we make open ended decisions like the decision to get fitter or more involved in politics we presuppose a much more complex model of the future We project a variety of virtual futures We can carry out a decision in many different ways at once which may converge and diverge at different points in time Using a phenomenological approach *The Many Futures of a Decision* explores what we learn about the structure of the future specifically from decision making Most theories of decision concentrate on the rationality the evidence and value assessments that build up grounds for a rational decision Instead this book innovatively engages with the nature of the future as a multi layered decisions project Through interpretations of the theories of decision in philosophers like Husserl and Heidegger Schmitt and Habermas Derrida and Deleuze along with other decision theories Lampert develops an original theory of multiple futures

The Dividend Imperative: How Dividends Can Narrow the Gap Between Main Street and Wall Street Daniel Peris, 2013-04-02 IF YOU RE INVESTED IN THE FUTURE OF THE STOCK MARKET THIS IS YOUR WAKE UP CALL DIVIDENDS ARE NOT THE PROBLEM THEY RE PART OF THE SOLUTION Forget the Great Recession According to fund manager and author Daniel Peris the real threat to investment returns from stocks is the Great Retreat a 30 year drop in the dividend payout ratio of the leading corporations in the United States that has rendered the U S stock market a grand casino rather than a business investment platform Peris believes that profit distributions the dividends of publicly traded corporations are the greatest indicators of a business s success Investors and company executives should focus on them This is *The Dividend Imperative* a bold new vision for anyone interested in having a stronger broader and healthier stock market for everyone If you re a personal investor this book will show you how to identify and invest in companies that value shareholders by rewarding them with ample growing dividends If you re a portfolio manager this book will help you shift your focus from near term earnings to long term dividends even if it goes against conventional wisdom If you re a business leader this book will show you how to restore trust and confidence in the corporate world the stock market and the future of investing This is no get rich quick scheme or one size fits all money guide It is a realistic tightly reasoned approach to dividend investing that could have far reaching effects

on Main Street and Wall Street alike Using real world case studies and analytic models Peris shows investors and companies that concentrating on dividend generation and growth can lead to mutually rewarding results You ll learn why stocks go up when dividends go up and what it means to a company s bottom line You ll discover practical financial tools for assessing the value of higher dividend payouts and determining the value of a dividend growth trajectory Even if your direct stock market experience has been disappointing or your mutual funds have performed poorly in recent years refocusing your efforts on dividend strategies can provide just the vision you need to achieve long term success with your investments This is what business is all about This is how investors and companies can share profits build trust and create opportunities for the future This is The Dividend Imperative You ve seen the markets swing from bubble to scandal and back again You ve watched the divide between Wall Street and Main Street grow larger each year You ve wished there was a strategic approach to investing that strengthened portfolios benefited companies and bolstered the economy as well The answer according to business investor Daniel Peris is simple You need to focus on dividends Investors need to demand bigger dividends and U S corporations need to pay out more of their profits as dividends This is THE DIVIDEND IMPERATIVE a powerful new call to action for investors and corporate leaders by the acclaimed author of The Strategic Dividend Investor Peris s ideas about aligning interests through higher dividend payments may be counter to current Wall Street wisdom but savvy investors should trust Peris to guide them toward a strategy that focuses on generating strong long term returns JOHN EADE President Argus Research Peris makes a compelling case that investors and companies need to focus more on dividends which have accounted for the lion s share of stock market returns JOHN HEINZL Toronto s The Globe and Mail If you re a shareholder and not a near term shareseller you deserve a better deal Most companies can afford to pay higher dividends Here s why they should Investors who like cash should cheer for Peris JEFFREY KOSNETT editor of Kiplinger s Investing for Income The book is a rallying cry for long term investors to regain their rightful position using a simple but very powerful tool that they have at their disposal demand for increased dividends WILLIAM LYONS CFO CONSOL Energy [Philosophy of the Short Term](#) Jay Lampert,2023-12-14 The concept of the short term involves a complex network of quantitative qualitative and operational ideas It is essential everywhere from the ontology of time to the science of memory to the preservation of art to emotional life to the practice of ethics But what does the idea of the short term mean What makes a temporal term short What makes a time segment terminate Is the short term a quantitative idea or a qualitative or functional idea When is it a good idea to understand events as short term events and when is it a good idea to make decisions based on the short term What does it mean for the nature of time if some of it can be short Jay Lampert explores these questions in depth and makes use of the resources of short as well as long term processes in order to develop best temporal practices in ethical aesthetic epistemological and metaphysical activities both theoretical and practical The methodology develops ideas based on the history of philosophy from Plato to Hegel to Husserl to Deleuze interdisciplinary studies from cognitive science

to poetics and practical spheres where short term practices have been studied extensively from short term psychotherapy to short term financial investments Philosophy of the Short Term is the first book to deal systematically with the concept of the short term

The Strategic Dividend Investing Rhett Pirtle, 2021-07-12 Good book for beginning dividend investors Lays out the basics in a manner a novice investor can understand Adds personal reference story to his message which gives the reader a good understanding of how consistent investing should work Simple Investing is written for those investors who are looking to understand and master The Dividend Investing Strategy This strategy is perfectly suited for intellectually curious types who are looking to build up a passive income portfolio out of the extra capital they are accumulating through their daily income efforts

The Strategic Investor Douglas Hamilton Bellemore, 1963

The Dividend Investor and Imperative EBOOK BUNDLE Daniel Peris, 2013-09-20 TWO E BOOKS IN ONE The Strategic Dividend Investor Responsible for 4 5 billion in dividend anchored portfolios Daniel Peris demonstrates that for most investors buying a stock in the hope of making a quick buck by selling it in a few weeks or months is far from the best way to create wealth Instead you should use the stock market as a means of receiving a share of excess profits dividends from corporations in which you own stock Over time those payments and the growth of those payments represent the vast majority of stock market returns The Dividend Imperative The Dividend Imperative a bold new vision for anyone interested in having a stronger broader and healthier stock market for everyone If you re invested in the future of the stock market this is your wake up call Dividends are not the problem They re part of the solution

United States Investor , 1929

The Strategic Bond Investor, Third Edition: Strategic Tools to Unlock the Power of the Bond Market Anthony Crescenzi, 2021-01-19 The bestselling bond investing classic updated to help you profit today and position yourself for the post COVID era and decade ahead Since the 2008 global financial crisis the investing world has changed radically Credit is more difficult to access populations across the world are aging and economic growth has been tepid And now the global pandemic has shaken the global financial system to its core Investors are facing a future where structural rather than cyclical change will have greater impact on financial markets In this new edition of The Strategic Bond Investor you ll find everything you need to generate profits while mitigating risk in the new normal PIMCO Executive Vice President and lead investing strategist Anthony Crescenzi explains how deeply the bond market impacts the global economy the best ways to invest in bonds and how to read this market to inform your overall strategy Along the way Crescenzi provides unique and invaluable insights into the role of the bond market in recent economic crises both 2008 and 2020 in an era of the rise of socially responsible investing and at a time when we may well be witnessing a seismic shift in economic and financial power from the United States to China Crescenzi draws on his vast experience as well as personal conversations with Alan Greenspan Ben Bernanke Janet Yellen and other influential figures in finance politics and academia He provides a glimpse at PIMCO s storied investment process along with numerous types of investment strategies to meet various investing goals The Strategic Bond Investor has guided investors through the capital markets for nearly two decades

Use this updated edition to achieve investing success in the next decade The Strategic Investment Decision Roger Oldcorn, David Parker, 1996 This is the first book to bring together the latest techniques in financial investment appraisal with strategic vision The book introduces a new generation of financial and non financial techniques to give the executive a more powerful and sophisticated decision making framework It will bring together NVP and option analysis quantitative and qualitative issues rate of return and gut feel strategy and finance The Strategic Bond Investor Anthony Crescenzi, 2002-06-14 A dynamic equity style approach to investing in today s bond market Tony Crescenzi knows bonds and his book proves it From Fed speak to Treasury buybacks The Strategic Bond Investor helps to explain the mysteries of the bond market and even offers tips on how to forecast interest rates Sign me up I can always learn something new Bill Gross Managing Director at Pacific Investment Management Company Bond investing can be every bit as exciting and profitable as playing the stock market The Strategic Bond Investor is the first book to approach fixed income investing from an equity style perspective This fast paced book provides readers with helpful tips tools and strategies for tracking market sentiment spotting market extremes analyzing volume and liquidity and dozens of other techniques that were up until now limited primarily to the equity markets The Strategic Bond Investor reveals a dramatic new approach for using bonds to balance portfolios while grabbing profit opportunities as they present themselves It represents a new style of bond investing bold yet risk conscious that is long overdue for today s transformed market environment Investors looking to diversify their portfolios will discover Key economic releases and how they influence bond prices Popular fixed income portfolio management strategies Best performing bonds in a variety of economic circumstances **United States Investor** ,1932 *Standard & Poor's Stock Reports* ,2010-07 **Investor and Trader** ,1919 **The Mining Investor** ,1910

The Strategic Dividend Investor Introduction

In today's digital age, the availability of The Strategic Dividend Investor books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Strategic Dividend Investor books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Strategic Dividend Investor books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Strategic Dividend Investor versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Strategic Dividend Investor books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Strategic Dividend Investor books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Strategic Dividend Investor books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Strategic Dividend Investor books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Strategic Dividend Investor books and manuals for download and embark on your journey of knowledge?

FAQs About The Strategic Dividend Investor Books

1. Where can I buy The Strategic Dividend Investor books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
