The Tecate Journals Seventy Day On The Rio Grande:

THE TECATE JOURNALS (EasyRead Edition) , The Tecate Journals Keith Bowden,2009-03-17 More than a man against nature adventure The Tecate Journals floats along the border of political furor cultural limbo and dangerous human encounters The Rio Grande is a national border a water source a dangerous rapid with house sized boulders a nature refuge a garbage dump and a playground depending on where you are on its 1 885 mile course That s why Keith Bowden decided to travel the length of the river as it forms the border between the United States and Mexico This is his fascinating account of that journey by bike canoe and raft Equal parts gritty elegant and timely his story touches on environmental issues adrenaline spiked action and Bowden s ambivalence with his own cultural identity A unique compelling and timely adventure that explores an important natural resource and its extraordinary impact on our borderlands **Viva Texas Rivers!** Steven

L. Davis,Sam L. Pfister,2022-08-24 More than the lifeblood of our natural world Texas rivers have nourished the human spirit for as long as people have gathered on their banks A living bond has flowed between Texas writers and rivers ever since the 1960 publication of John Graves s classic journey along the Brazos Goodbye to a River Many of Texas leading writers have had their hearts captured by a river and they have created sparkling accounts of the waterways they love Now editors Steven L Davis and Sam L Pfister have assembled the best of those works into a revelatory collection of diverse literary voices Ranging from the desert canyonlands of the Rio Grande to the swampy Big Thicket from crystal clear Hill Country streams to the Red River s treacherous quicksand Viva Texas Rivers showcases many classic writings along with brand new essays written for this volume The literary nonfiction is complemented by flashes of poetry that brilliantly reflect these curving ribbons of light Authoritative and expertly edited Viva Texas Rivers offers shimmering accounts of hidden paradises as well as searing expos s of abuse and despoliation Yet even in the bleakest times as these writers have found Texas rivers can bestow a sacred grace and unexpected redemption Viva Texas Rivers brings you as close to the living nirvana of a Texas River as you can get without launching yourself into a canoe and following a great blue heron as it glides just above the breaking rapids leading you around the bend as the river flows onward toward the best places in our hearts
