The Template Juliet Carter, Jiva Carter, 2005-06-01 [Worldbridger by Juliet Carter](#) Juliet Carter, 2019-02-23 Genetically modified Humans locked in a mutant matrix Worldbridger tells the story of 18 years of initiations and revelations that Juliet and Jiva Carter experienced during their collaboration with the Bird Tribe the Planetary and Solar Evolutionary Guides to receive the Template codes of transcendence Humanity is a genetic experiment an immortal race trapped in a mortal paradigm a solar race locked in a lunar reality a stolen race on a stolen planet WORLDBRIDGER addresses universal Human concerns as they are identified in the true story of two people whose visionary odyssey begins with their shock awakening to guns and handcuffs one Hawaiian dawn Their lives and former identities are dismantled and transformed as they collaborate with a Consciousness that assists them to recognize the true nature of the temporal zone to which they have returned from the future As they break free of Humanity's collective denial it becomes clear that the wars genocide and atrocities that have become a part of Human existence are not culturally economically or politically engendered nor can they be attributed to the charge of the innate corruption of Human nature but are the result of the catastrophic intrusion of a predatory and brutal species with an agenda of world dominance a species that has spliced its genes into the Human blueprint and is engaged in a breeding program that is rendering Earth's Human beings not so Human We are not alienated from God god is an alien The corruption lies in the mutant matrix in the systemic failure of all Earth's governing functions and the loss of evolutionary symbiosis that occurred when this parasitic species electromagnetically disconnected Humanity and its Mother planet from the divine immortal continuum setting Earth on a course of terminal decline There was no fall we were pushed As the progressive revelations unfold so too does a holonomic template for the

restoration of the full Human blueprint and a new model of existence a template to recover Humanity's resonance with the geometries of light returning us and our planet to the holistic space time continuum Are we the ones we have been waiting for
