As I Lay Dying William Faulkner, 2011-05-18 A true 20th century classic from the Nobel Prize winning author of *The Sound and the Fury* the famed harrowing account of the Bundren family's odyssey across the Mississippi countryside to bury Addie their wife and mother *As I Lay Dying* is one of the most influential novels in American fiction in structure style and drama Narrated in turn by each of the family members including Addie herself as well as others the novel ranges in mood from dark comedy to the deepest pathos I set out deliberately to write a tour de force Before I ever put pen to paper and set down the first word I knew what the last word would be and almost where the last period would fall William Faulkner on *As I Lay Dying* This edition reproduces the corrected text of *As I Lay Dying* as established in 1985 by Noel Polk **Faulkner and the Natural World** Donald M. Kartiganer, Ann J. Abadie, 1999 Although he belonged to an American generation of writers deeply influenced by the high modernist revolt against nature and against the self imposed limits of realism to a palpable world William Faulkner reveals throughout his work an abiding sensitivity to the natural world He writes of the big woods of animals and of the human body as a ground of being that art and culture can neither transcend nor completely control The eleven essays that make up this volume including a paper written by the acclaimed novelist William Kennedy explore the place of the unbuilt world in Faulkner's fiction They give particular attention to the social mythic and economic significance of nature to the complexity of racial identity and to the inevitable clash of gender and sexuality These essays were presented in 1996 as papers at the Faulkner and Yoknapatawpha Conference held annually at the University of Mississippi Included are the following Lawrence Buell's *Faulkner and the Claims of the Natural World* Thomas L McHaney's *Oversexing the Natural World* Theresa M Towner's *Color Race and Identity in Faulkner's Fiction* Jay Watson's *The Art of the Literal in Light in August* Mary Joanne Dondlinger's *The Matter of Race and Gender in Faulkner's Light in August* Louise Westling's *Sutpen's Marriage to the Dark Body of the Land* Myra Jehlen's *Faulkner and the Unnatural* Diane Roberts's *Eula Linda and the Death of Nature* David H Evans's *The Bear and the Incarnation of America* Wiley C Prewitt Jr's *Hunting and Habitat in Yoknapatawpha* and William Kennedy's *Learning from Faulkner The Obituary of Fear* Donald M Kartiganer Howry Chair of Faulkner Studies in the Department of English and Ann J Abadie Associate Director of the Center for the Study of Southern Culture teach at the University of Mississippi **The Sound and the Fury** John T. Matthews, 1991 The book explains the novel's connection with the American South of the 1920s illuminating its modernist style and exploring its autobiographical elements After surveying criticism on the novel the book examines the theme that dominates the work the changes occurring in Southern race class and gender definitions Fossil Fuel Faulkner Jay Watson, 2022 The first critical study to apply the tools and insights of the energy humanities to the work of William Faulkner The volume explores the imaginative affective

social and cultural impact of Faulkner's work in relation to southern history *Sixteen Modern American Authors* Jackson R. Bryer, 1989 Praise for the earlier edition *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains

American Studies Possessing the Past Lisa Hinrichsen, 2015-06-15 Employing recent theories of memory from multiple areas of study *Possessing the Past* illuminates the tangled relationships among trauma fantasy and the public sphere and their impact on the South in imagination and in reality Focusing on the roles that narrative and fantasy play in creating a sense of regional distinctiveness Lisa Hinrichsen brings a wealth of critical scholarship to her consideration of memory and southern literature Hinrichsen's nuanced readings of a diverse group of southern authors including William Faulkner Roberto Fernandez Erna Brodber Monique Truong and Katharine Du Pre Lumpkin offer new ways of conceptualizing memory place and history She unravels southern literature's critical confrontation with the region's history through complex systems of remembrance and erasure and she traces how fantasy mediates trauma and adjudicates identity Expansive in its psychoanalytical approach her work explores issues of law testimony and social justice the role of nostalgic fantasies of gentility at midcentury the relationship between white empathy and social fantasy the resemblance of regional patterns of disavowal to national ideologies of forgetting in Vietnam era fiction and the impact of contemporary multicultural literature on memory and community *Possessing the Past* broadens the theoretical framework used to conceptualize memory and trauma while grounding traumatic testimony in the specifics of time and place amply offered by southern literature It provides new readings of an array of southern writers and deepens our understanding of the continuing importance of history memory and fantasy in the literature of the U S South **Faulkner and the artist** Donald M. Kartiganer, 1996

William Faulkner and the Faces of Modernity Jay Watson, 2019-11-26 William Faulkner has enjoyed a secure reputation as American modernism's foremost fiction writer and as a landmark figure in international literary modernism for well over half a century Less secure however has been any scholarly consensus about what those modernist credentials actually entail Over recent decades there have been lively debates in modernist studies over the who what where when and how of the surprisingly elusive phenomena of modernism and modernity This book broadens and deepens an understanding of Faulkner's oeuvre by following some of the guiding questions and insights of new modernism studies scholarship into understudied aspects of Faulkner's literary modernism and his cultural modernity *William Faulkner and the Faces of Modernity* explores Faulkner's rural Mississippians as modernizing subjects in their own right rather than mere objects of modernization traces the new speed gradients media formations and intensifications of sensory and affective experience that the twentieth century brought to the cities and countryside of the US South maps the fault lines in whiteness as a racial modernity under

construction and contestation during the Jim Crow period resituates Faulkner's fictional Yoknapatawpha County within the transnational counter modernities of the Black Atlantic and follows the author's imaginative engagement with modern biopolitics through his late work *A Fable* a novel Faulkner hoped to make his magnum opus. By returning to the utterly uncontroversial fact of Faulkner's modernism with a critical sensibility sharpened by new modernism studies William Faulkner and the Faces of Modernity aims to spark further reappraisal of a distinguished and quite dazzling body of fiction. Perhaps even make it new. **The Faulkner Journal**, 2005. The works of William Shakespeare, pr. from the text of the corrected copies left by G. Steevens and E. Malone William Shakespeare, 1887. Faulkner the Storyteller Blair Labatt, 2005. Labatt examines Faulkner's short stories such as *Mountain Victory* *That Evening* *Sun and Barn Burning* and the architecture of the *Snapes Trilogy* *The Hamlet* *The Town* and *The Mansion* and finds that Faulkner's deployment of cause and effect is central to his narratives. Labatt also explores how Faulkner's use of plot creates an implied voice that lends a humorous element to the twists and turns of his stories that often brackets and encloses the pathos of his characters. Jacket. The Sound and the Fury Thomas L. McHaney, 2000. Gale Study Guides to Great Literature are a unique reference line composed of three series: Literary Masters, Literary Masterpieces, and Literary Topics. Convenient, comprehensive, and targeted to current coursework, the guides put authors, titles, and topics into context for high school and college students as well as general researchers. Not to be confused with uninspiring reference notes that spoon-feed students essay answers, the Gale Study Guides to Great Literature feature original material designed to compliment the research process. These series give educators and researchers a source featuring not only literary movements and biographical data but also discussions of significant cultural and historical aspects of literature. Literary Masterpieces volumes provide comprehensive analyses of major literary works including concise discussions of characters, themes, and critical reception of the work. In the Literary Masterpieces Series, look for these chapters: About the Title, The Evolution of the Work, Themes, Critical Response, The Work in History, And more. **The Cumulative Book Index**, 1995. Yoknapatawpha, Images and Voices George G. Stewart, William Faulkner, 2009. This is a haunting photographic guidebook to an imaginary place synonymous with Southern fiction. Accomplished photographer George G. Stewart has crafted a pictorial study of the vanishing Southern landscape that William Faulkner so richly captured as the mythical north Mississippi county of Yoknapatawpha. Through eighty-four black and white photographs, Stewart records, and in some instances re-creates, authentic scenes and objects represented in Faulkner's fiction, conjoining these original haunting visuals with corresponding passages from classic Faulkner texts. Stewart conveys a richly gothic perspective on a bygone South where equal sway is commanded by darkness and light, past and present, legacy and destiny. These photographs present the few monuments, locales, and landmarks in or near Mississippi's Lafayette and Tippah counties that have survived the rigors of time and commercial progress to stand as the last visible links to the world from which Faulkner's fiction emerged. In this

guidebook to an imaginary realm Stewart ably illustrates both place and tone by adapting Faulknerian literary techniques in his photography The use of double exposure in some images evokes the stream of consciousness foreshadowing and doubling employed by Faulkner in his writing The sequencing of images recalls the discontinuous circling of themes and fracturing of narratives in the writer s vision and depicts the South on the brink of transition yet still mired in the morass of an inescapable past The juxtaposition of Stewart s distinctive photography with samplings from Faulkner s writing offers a provocative glimpse across an iconic but disappearing Southern landscape soon to exist only in artistic imaginings such as this The volume also includes a foreword by Robert W Hamblin director of the Center for Faulkner Studies at Southeast Missouri State University
