The Strategic President Persuasion And Opportunity In Presidential Leadership

George C. Edwards, III

The Strategic President Persuasion And Opportunity In Presidential Leadership:

The Strategic President George C. Edwards, III, 2009-02-17 How do presidents lead If presidential power is the power to persuade why is there a lack of evidence of presidential persuasion George Edwards one of the leading scholars of the American presidency skillfully uses this contradiction as a springboard to examine and ultimately challenge the dominant paradigm of presidential leadership The Strategic President contends that presidents cannot create opportunities for change by persuading others to support their policies Instead successful presidents facilitate change by recognizing opportunities and fashioning strategies and tactics to exploit them Edwards considers three extraordinary presidents Abraham Lincoln Franklin D Roosevelt and Ronald Reagan and shows that despite their considerable rhetorical skills the public was unresponsive to their appeals for support To achieve change these leaders capitalized on existing public opinion Edwards then explores the prospects for other presidents to do the same to advance their policies Turning to Congress he focuses first on the productive legislative periods of FDR Lyndon Johnson and Reagan and finds that these presidents recognized especially favorable conditions for passing their agendas and effectively exploited these circumstances while they lasted Edwards looks at presidents governing in less auspicious circumstances and reveals that whatever successes these presidents enjoyed also resulted from the interplay of conditions and the presidents skills at understanding and exploiting them The Strategic President revises the common assumptions of presidential scholarship and presents significant lessons for presidents basic strategies of governance

Predicting the Presidency George C. Edwards, III, 2016-03-22 Millions of Americans including many experienced politicians viewed Barack Obama through a prism of high expectations based on a belief in the power of presidential persuasion Yet many who were inspired by candidate Obama were disappointed in what he was able to accomplish once in the White House They could not understand why he often was unable to leverage his position and political skills to move the public and Congress to support his initiatives Predicting the Presidency explains why Obama had such difficulty bringing about the change he promised and challenges the conventional wisdom about presidential leadership In this incisive book George Edwards shows how we can ask a few fundamental questions about the context of a presidency the president s strategic position or opportunity structure and use the answers to predict a president s success in winning support for his initiatives If presidential success is largely determined by a president s strategic position what role does persuasion play Almost every president finds that a significant segment of the public and his fellow partisans in Congress are predisposed to follow his lead Others may support the White House out of self interest Edwards explores the possibilities of the president exploiting such support providing a more realistic view of the potential of presidential persuasion Written by a leading presidential scholar Predicting the Presidency sheds new light on the limitations and opportunities of presidential leadership

The Development of the American Presidency Richard Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the

present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

The Development of the American Presidency Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American Presidency pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help

students master the book's lessons **The American Presidency** William G. Howell, 2023-01-10 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world's most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship The American Presidency is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy The Oxford Handbook of the American Presidency George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today

Keeping the Republic Christine Barbour, Gerald C. Wright, 2016-11-22 This refreshed and dynamic Seventh Edition of *Keeping the Republic* Brief revitalizes the twin themes of power and citizenship by adding to the imperative for students to navigate competing political narratives about who should get what and how they should get it The exploding possibilities of the digital age make this task all the more urgent and complex Christine Barbour and Gerald Wright the authors of this bestseller continue to meet students where they are in order to give them a sophisticated understanding of American politics and teach them the skills to think critically about it The entire book has been refocused to look not just at power and citizenship but at the role that control of information and its savvy consumption play in keeping the republic Carefully condensed from the full version by the authors this Brief Edition provides all the continuity and crucial content in a more concise value priced package The Public Congress Gary Lee Malecha, Daniel J. Reagan, 2012-05-22 Contemporary members of Congress routinely use the media to advance their professional goals Today virtually every aspect of their professional legislative life unfolds in front of cameras and microphones and increasingly online The Public Congress explores how the media moved from being a peripheral to a central force in U S congressional politics The authors show that understanding why this happened allows us to see the constellation of forces that combined over the last fifty years to transform the American political order Malecha and Reagan's keen analysis links the new public Congress and the forces

that are shaping political parties the Presidency interest groups and the media They conclude by asking whether the kind of discourse that this new media environment fosters encourages Congress to make its distinctive deliberative contribution to the American polity This text brings historical depth as well as coverage of the most current cutting edge trends in new media environment and provides an exhaustive treatment of how the U S Congress uses the media in the governing process today

Debating Reform Richard J. Ellis, Michael Nelson, 2010-02-18 Containing pro and con pieces about a variety of issues this text encourages students to examine and evaluate arguments without relying on their own opinion

The Provisional Pulpit Brandon Rottinghaus, 2010 The ear of the leader must ring with the voices of the people Together they rise to the challenge of the day Woodrow Wilson

2010 Redaktion Osnabrück, 2011-06-16 *The British National*

Bibliography Arthur James Wells, 2009

L'impossible présidence impériale François Vergniolle de Chantal, 2016 La 4e de couverture indique Le président des États-Unis serait l'homme ou la femme le plus puissant de la planète Cette perception commune sans cesse alimentée par les productions d'Hollywood n'en est pas moins fautive Contraint par les multiples obstacles des checks and balances constitutionnels le président doit notamment faire face au législatif le plus puissant et le plus autonome du monde La séparation des pouvoirs a en effet permis au Congrès de se construire comme un partenaire indomptable et souvent capricieux de la Présidence sans que celle-ci ne puisse intervenir Le contrôle législatif ainsi créé et protégé repose en particulier sur cet argument central de cet ouvrage sur la chambre haute le Sénat qui dispose en son sein de multiples ressources procédurales lui permettant de bloquer les initiatives présidentielles Le filibuster la possibilité d'un seul sénateur de s'exprimer sans interruption et sans autre limite que celle de sa résistance physique en est l'exemple le plus célèbre Au pays de la séparation des pouvoirs il existe ainsi un contrôle politique direct souvent brutal qui s'exerce en permanence sur l'exécutif reléguant le président dans le meilleur des cas un statut d'habile négociateur bien loin de l'image de haut du monde libre En mobilisant le droit constitutionnel l'histoire et la science politique cet essai se propose de mettre en relief les modalités d'action du Congrès et notamment du Sénat pour souligner que la Présidence impériale est au contraire pour reprendre le mot de Gerald Ford bien souvent en péril

The Presidency and Domestic Policy William W. Lammers, Michael A. Genovese, 2000 Each president brings to the White House a distinct set of personal characteristics and a preferred leadership style but just how much have individual presidents shaped domestic policy To understand and assess what factors determine one president's success and another's limited accomplishments it is important to examine both the individual's leadership roles and the circumstances which shape their opportunities for success This new book systematically examines the first terms of every president from Franklin Delano Roosevelt to William Jefferson Clinton and assesses the leadership style the policy agenda and the political opportunity of each Each president's success in effecting landmark legislation and other policy change is measured and evaluated William W. Lammers and Michael A. Genovese look at how different levels of opportunity affect leadership and how each president played the political hands he was dealt By dividing

presidents along opportunity lines Lammers and Genovese assess how skillful each president was in the art of presidential leadership what strategies and tactics they employed to achieve their goals and the policy legacies left by each *The Government and Politics of the United States* Nigel Bowles,1993 Revised and updated with a new chapter on urban politics and full coverage of the Clinton administration Government and Politics of the United States provides a broad ranging systematic and sophisticated introduction to the contemporary institutions and processes of government in the USA set in a clear historical context **The Executive Presidency** National Academy of Public Administration. Panel for the 1988-89 Presidential Transition,1988 **Presidents, Politics, and Policy** Erwin C. Hargrove,Michael Nelson,1984 This book argues that presidential power is a mixture of constitutional cultural and political and individual elements that manifest themselves in recurring historical cycles of politics and policy *Proceedings* ,1962 Promising Practices David Engberg,Madeleine F. Green,2002 Proceedings of the All Pakistan Political Science Conference ,1962
