Discusses what people have believed about witches in different time periods, witchcraft practices from different cultures around the world, and how societies have perceived those called witches. *The Elements of Ritual* Deborah Lipp, 2024-02-08

Fully revised and expanded with fresh insights, this new edition of *The Elements of Ritual* is a must-have resource on Wiccan ritual. Not only does it teach you step by step how to cast a circle, but it also explains why each step is important. Deborah Lipp looks at every phase through an elemental lens, revealing the process: earth, mythology, water, mystical inspiration, fire, and theology, all behind it. *The Elements of Ritual* now features updates throughout on gender and polarity, as well as all new sections on the history of elemental associations and raising the cone of power. This edition also includes alternate orders for the traditional steps of ritual. You will learn how to write your own rituals, discover new ideas on magical tools, and use meditations to deepen your understanding of Wicca's most enduring rite. **Merry Meet Again** Deborah Lipp, 2013-02-08

As a third-degree Gardnerian High Priestess and a former wife of celebrated Druid Isaac Bonewits, Deborah Lipp's life story is far from ordinary. But *Merry Meet Again* is more than just a memoir; it is a tribute to modern Paganism and a testament to one woman's persistence and strength. With deep reverence for the past, Lipp explores her spiritual path and describes her unique relationships with family, teachers, lovers, and friends, including icons such as Scott Cunningham and Timothy Leary. She details the ups and downs of Pagan parenting and delves into the politics and personalities, the joys and sorrows that are found in Pagan gatherings around the world. Simple instructions and quick tips for rituals, spells, and magic are included throughout. **The Publishers Weekly**, 2007 *The British National Bibliography* Arthur James Wells, 2009 *Bending the Binary* Deborah Lipp, 2023-02-08

A Groundbreaking New Perspective on Polarity Magic Break polarity free from outmoded ideas of gender and heteronormativity while still celebrating its energy. This pioneering book explores polarity from many angles, examining its evolution throughout history, why it's important in the occult, and how it relates to identity and sexual orientation. Deborah Lipp shows you what it means to both include polarity magic and be inclusive. *Bending the Binary* adds depth and nuance to polar concepts in magic, such as day and night, male and female, self and other. Deborah offers a third perspective on these opposites, inviting you to explore the space between them through rituals, journal prompts, and detailed research. She also teaches how to incorporate binary bending practices into your personal magical system. This book encourages everyone to expand their perceptions and strengthen their magic. **Advanced Wicca** Patricia Telesco, 2000

Advanced Wicca brings readers to a higher level of awareness, insight, clarity, responsibility, faith, manifestation, and powerful success far beyond training found in *Wicca 101*. *Encyclopedia of Wicca & Witchcraft* Raven Grimassi, 2000
