The Subtopian Selected Stories:

The Subtopian Trevor D. Richardson, Kirby Light, 2013-12 subtopia s b t p n Social Science Human Geography Britsuburban development that encroaches on rural areas yet appears to offer the attractions of country life to suburban dwellers blend of suburb Utopia subtopian adj Like so many words in the English language subtopia is subject to change When founder Trevor D Richardson started The Subtopian he took it to mean a world between possibilities It isn't perfect not yet but it's not quite Armageddon either This is Subtopia and we are still waiting to see which way this pendulum swings The Subtopian is proud to present its first collection of stories This anthology of the best stories published so far represents the authors and the ideals that have come to form the foundation of The Subtopian Magazine Dealing with the issues of our impending future these stories darkly and humorously express a view of society in between two extremes We are not Utopia or Dystopia yet We are Subtopian

The Subtopian Trevor D. Richardson, 2015-05-21 This is Subtopia A place between worlds UTOPIA is the end goal But between here and there the distance we have to travel there is Subtopia a time and place just beneath our highest potential This isn't the worst possible world nor is it the best DYSTOPIA is what we are fighting against Through storytelling futurist predictions challenging proposals and classic paranoia we envision the worst of all possible worlds so we might know how to prevent it The stories in this collection take on the best and the worst of us and the territory in between
