

WITCHCRAFT
and the
Gay Counterculture

By Arthur Evans

Witchcraft And The Gay Counterculture

David C. Greetham

Witchcraft And The Gay Counterculture:

The Evans Symposium Arthur Evans, 2018-12-21 In 1975 Arthur Evans presented a series of lectures based on his research into LGBT history and cultural roots in European societies of the medieval era That became *Witchcraft and the Gay Counterculture* The remaining materials that had been in the original book have been gathered into a sequel of sorts called *Moon Lady Rising* *Witchcraft and the Gay Counterculture* Arthur Evans, 2013 A basic text for radical faeries but very loose on historic veracity Jim Kepner **Witchcraft and the Gay Counterculture** Arthur Evans, 1978 A basic text for radical faeries but very loose on historic veracity Jim Kepner Gay Witchcraft Christopher Penczak, 2025-02-03 Gay Witchcraft is an opportunity for queer Witches to claim our rightful place in our own magical practices without sacrificing who we truly are as well as just being a solid introductory book on the Craft For queer Witches of all stripes this is our history these are our stories and this is something for us to treasure from the foreword by Storm Faerywolf When Christopher Penczak was introduced to Witchcraft he found a spiritual path through which he could honor and embrace his homosexuality In *Gay Witchcraft* Penczak's clearheaded theory and practice combine to create a classic book of Witchcraft focused on the perspective of the gay community Penczak's writing has made it much easier for gay lesbian bisexual transgender and queer people interested in practicing any form of Witchcraft His willingness to share his own personal journey and the foundations that made the Craft accessible allows readers to find their own ways of practice This book explores the history of Paganism and offers a compendium of spells meditations ceremonies and affirmations that will enrich both the novice and the experienced practitioner seeking out new views of myth ritual and healing This new Weiser Classics edition replaces a previously published edition The Weiser Classics series offers essential works and foundational texts from renowned authors and spiritual teachers as well as introductory guides on an array of topics by contemporary writers and practitioners Weiser Books esoteric and occult teachings since 1957 **Witchcraft Activism** David Salisbury, 2019 There is a movement to bring the worlds of social justice and political activism together with the practice of witchcraft This guidebook shows readers how to learn spells for self protection and body shielding as well as methods of developing enhanced psychic intuition and situational awareness Written clearly and simply so that even someone with absolutely no previous experience in spell casting can immediately feel empowered **Teaching for Diversity and Social Justice** Maurianne Adams, Lee Anne Bell, Pat Griffin, 1997 A sourcebook that addresses the need to facilitate communication and understanding between members of diverse social groups providing a framework in which students can engage and critically analyze several forms of social oppression Crafting the Witch Heidi Breuer, 2009-05-05 How did the witch become wicked This is the central question of *Crafting the Witch* which documents and analyzes the gendered transformation of magical figures that occurred in Arthurian romance as it developed from its earliest continental manifestations in the twelfth century to its flowering in fifteenth and sixteenth century England *For a Spell* Jason Ezell, 2025-10-14 In the Southeastern United States of the late

1970s a regional network of radical communal gay households formed in the face of rising New Right terror Consisting of primarily white self described sissies the Southeast Network as it came to be known spanned from the Ozarks to New Orleans to Appalachian Tennessee Though this network was short lived its legacy lives on today through Short Mountain Sanctuary a thriving member of the international Radical Faerie movement Jason Ezell s intimate account of the formation and dissolution of these sissie houses reveals a little known history of Southern gay liberation nonbinary gender expression and radical feminism and femininity Drawing on journals letters oral histories collective manifestos and newsletters Ezell illustrates how these gay households nurtured their community through lesbian feminist practices such as collectivism consciousness raising witchcraft rituals and rural gatherings As people and practices traveled from one house to another these linked houses attempted to conjure underground sanctuaries for queer Southerners Preserving their moving stories Ezell details the visions experiments and shortfalls of these radical households in their attempts to build solidarity resist mounting right wing violence and sustain their revolutionary dreams for queer movements yet to come *Wicca* Ethan Doyle White,2015-10-01 The past century has born witness to a growing interest in the belief systems of ancient Europe with an array of contemporary Pagan groups claiming to revive these old ways for the needs of the modern world By far the largest and best known of these Paganisms has been Wicca a new religious movement that can now count hundreds of thousands of adherents worldwide Emerging from the occult milieu of mid twentieth century Britain Wicca was first presented as the survival of an ancient pre Christian Witch Cult whose participants assembled in covens to venerate their Horned God and Mother Goddess to celebrate seasonal festivities and to cast spells by the light of the full moon Spreading to North America where it diversified under the impact of environmentalism feminism and the 1960s counter culture Wicca came to be presented as a Goddess centred nature religion in which form it was popularised by a number of best selling authors and fictional television shows Today Wicca is a maturing religious movement replete with its own distinct world view unique culture and internal divisions This book represents the first published academic introduction to be exclusively devoted to this fascinating faith exploring how this Witches Craft developed what its participants believe and practice and what the Wiccan community actually looks like In doing so it sweeps away widely held misconceptions and offers a comprehensive overview of this religion in all of its varied forms Drawing upon the work of historians anthropologists sociologists and scholars of religious studies as well as the writings of Wiccans themselves it provides an original synthesis that will be invaluable for anyone seeking to learn about the blossoming religion of modern Pagan Witchcraft **The Margins of the Text** David C. Greetham,1997 These essays challenge the positivist patriarchal assumptions of earlier approaches to textual criticism
