

PARENT INFORMATION LETTER

Dear Parent/Guardian

In **February 2024** the Ministry of Education will be administering the **National School Climate Survey 2024** in all primary and secondary schools nationwide. This survey will be administered to students in Standard 3, Standard 4, Form 1 and Form 3. The purpose of this survey is to collect data from students and parents on areas such as peer and teacher support, personal safety, family engagement, and support. The findings will be used to develop interventions to improve the school environment and student well-being.

Research on school climate has demonstrated that a positive school climate promotes academic achievement and student well-being. This study will involve the administration of in-school questionnaires to students and online questionnaires for parents and staff. The completion time of each questionnaire is approximately 20 to 35 minutes. We kindly request your cooperation in allowing your child to complete the School Climate Survey. All information provided will be treated with the strictest confidentiality. Please complete the attached form and return it to the school on or before **January 19th, 2024**.

We also request your cooperation in completing the online **Parent Questionnaire**, you can access the questionnaire through the link below or via the QR code provided.

Adorno, 2014-10-17 My dears this is but a brief note to welcome you to the new world where you are now no longer all too far away from us So begins Adorno s letter to his parents in May 1939 welcoming them to Cuba where they had just arrived after fleeing from Nazi Germany at the last minute At the end of 1939 his parents moved again to Florida and then to New York where they lived from August 1940 until the end of their lives It is only with Adorno s move to California at the end of 1941 that his letters to his parents start arriving once more reporting on work and living conditions as well as on friends acquaintances and the Hollywood stars of his time One finds reports of his collaborations with Max Horkheimer Thomas Mann and Hanns Eisler alongside accounts of parties clowning around with Charlie Chaplin and ill fated love affairs But the letters also show his constant longing for Europe Adorno already began to think about his return as soon as the USA entered the war Adorno s letters to his parents surely the most open and direct letters he ever wrote not only afford the

reader a glimpse of the experiences that gave rise to the famous *Minima Moralia* but also show Adorno from a previously unknown very personal side They end with the first reports from the ravaged Frankfurt to his mother who remained in New York and from Amorbach Adorno's childhood paradise **Married to the Empire** Susanna Rabow-Edling, 2015-10-15 The Russian Empire's American holding Alaska was governed by men who fought to bring trade as well as civilization and enlightenment to the colony Many histories tell and retell that story but there's another side In 1829 the Russian America Company decreed that women would be central to their civilizing mission Any governor appointed after that date had to have a wife Rabow Edling's extraordinary scholarship including primary research in English Russian Swedish and German sets the context for that RAC decision and explores the lives of three governor's wives Elisabeth von Wrangell Margaretha Etholen and Anna Furuhjelm Each woman left behind writing that reveals both personal and cultural struggles and insights while working to fulfill the mission that brought them to Novo Archangel'sk Hearings, Dec. 18-19, 1939 United States.
