Women And Ministry In The New Testament:

The Ministry of Women in the New Testament Dorothy A. Lee, 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical witness. Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus with a particular focus on passages that have been used in the past to limit women's ministry. She argues that women in the New Testament were not only valued as disciples but also given leadership roles which has implications for the contemporary church. [Women and Ministry in the New Testament](#) Elizabeth M. Tetlow, 1980 **Daughters of the Church** Ruth A. Tucker, Walter L. Liefeld, 2010-08-10 Rich in historical events and colorfully written, this fascinating account of women in the church spans nearly two thousand years of church history. It tells of events and aspirations, determination and disappointment, patience and achievement that mark the history of daughters of the church from the time of Jesus to the present. The authors have endeavored to present an objective story. The very fact that readers may find themselves surprised now and again by the prominent role of women in certain events and movements proves an inequality that historical narrative has often been guilty of. This is a book about women. It is a setting straight of the record, a restoring of balance to history that has repeatedly played down the significance of the contributions of women to the theology, the witness, the movements, and the growth of the church. An exegetical study of relevant Scripture passages offers stimulating thought for discussion and for serious reevaluation of historical givens. This volume is enriched by pictures, appendixes, bibliography, and indexes. Like many of the women whose stories it tells, this book has a subdued strength that should not be underestimated. **Women, Ministry and the Gospel** Mark Husbands, Timothy Larsen, 2007-03-16 This outstanding collection of essays presented at the 2005 Wheaton Theology Conference explores the current issue of women in ministry from biblical, theological, and ecclesiological perspectives. Bringing to bear the ministerial and sociological insights on the issue, this impressive integrative work aims to break through the current impasse between complementarians and egalitarians. These essays point the way forward for women and men in ministry in our churches. Contributors include Henri Blocher, Timothy George, James Hamilton I, Howard Marshall, Cheryl J. Sanders, Sarah Sumner, and Mary Stewart Van Leeuwen. **40 Questions About Women in Ministry** Sue Edwards, Kelley Mathews, 2023-01-17 40 Questions About Women in Ministry charts a course for understanding differing views on the topic regarding the ministries of women. The accessible question and answer format guides readers to specific areas of confusion, and authors helpfully zero in on the foundations of varied beliefs and practices. Edwards and Mathews cover interpretive, theological, historical, and practical matters such as: What did God mean by the woman as man's helper? How is it that Christians reach different conclusions about 1 Timothy 2:11-15? How did Western culture influence the role of women in society and the church? Combining a strong adherence to Scripture, vast academic and ministry experiences, and a commitment to Christ-honoring dialogue, 40 Questions About Women in Ministry is a valuable guide to pastors' ministry.
