Women Building Wealth:

Women Building Wealth Bahiyah Shabazz, 2015-03-05 *Women Building Wealth* is designed for women who want to succeed and leave a legacy. Women are influential in household spending, reducing debt, and supporting others. Yet they are not confident in maintaining a worthwhile existence. Who said that it isn't possible for women to have it all while taking control of their life, including money? Women can have anything they want as long as they have clarity about their future and understanding about the past. As a woman for years, I struggled with balancing my life from financial abuse to accountability. Never did I think that I would share with each of you the habits I changed to get me where I am today. Prepare to exercise **W E A L T H** wholeheartedly, encourage activity leading to happiness. **Women Building Wealth** Bahiyah Shabazz, 2015-03-05

It is said that when you teach a woman, you teach a nation. Can you imagine the ability to accomplish your goals by applying positive and consistent habits in your personal life, business, and finances? To achieve goals is possible through wholeheartedly engaging in activities leading to happiness and success. Now more than ever, women want to build wealth, stop financial abuse, eradicate debt, contribute to retirement savings, and leave a legacy. The author shares personal stories from self and others about decisions that caused them to live in financial turmoil and how a change in habits allowed financial growth. *Women Building Wealth* is a great guide to provide ways to transition from wishful thinking and self-sabotage to take control of your life. Whether you doubt your decisions, seek guidance on how to move forward, or are unable to identify what it takes to be successful, Bahiyah outlines the 10 habits to give insight into what is already accessible to you and how to implement. From clarity to confidence, women can have it all. If you want to learn how to improve financial wealth and recognize that you are worthy of having it all without uncertainty from self and others, then this book is for you.
